In Memoriam

HARRY WOODWARD

Born August 25, 1868 — Died October 18, 1937

Member of the Board of Selectmen
1928 — 1936

Chairman 1929, 1930, 1934

Member of the Finance Committee
1915 - 1918, 1927

HARRY WOODWARD, who served the Town as Selectman for a longer period of years than any other man, will be long remembered as one of the outstanding public officials of Saugus. To his memory, the citizens of Saugus dedicate this portion of the Annual Town Report.

Born in England August 25, 1868, he came to Ipswich when only a lad. In later years he moved to Lynn, and thence, 30 years ago, came to this Town, where he started an active civic career.

Widely known in fraternal, political and temperance circles, Harry Woodward was an outstanding example of an upright public official. That his qualities were widely recognized is attested to by his record in local office, where he was returned year after year by the electorate to the Board of Selectmen.

Prior to his service on that Board, he had served four years as a member of the Finance Committee, where his steadying influence was felt in the fiscal affairs of Saugus.

An outstanding personality, upright and scrupulously honest, Harry Woodward has left the imprint of his character on the Town that will be felt for many years to come.

WILLIAM S. ROCKHILL,
 GEORGE H. QUARMBY,
 C. CARROLL CUNNINGHAM,
 Board of Selectmen.

SPECIAL TOWN MEETING

January 25, 1937.

Essex, ss.

To W. Charles Sellick, Constable of the Town of Saugus.

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Saugus, qualified to vote in Town Elections and Town affairs to assemble in the Town Hall on Monday evening, January 25, Nineteen Hundred and Thirty-seven, at Eight O'Clock, to hear and act on the following article, viz:

Article 1. To see if the Town will appropriate the sum of \$7,000.00 for materials, supplies, equipment, services, rent, and other expenses for W. P. A. projects, or to see what action the Town will take in the matter. Board of Selectmen.

And you are hereby directed to serve this Warrant by posting attested copies thereof at the usual places seven days at least before the time of holding said meeting.

Hereof, fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk, at the time and place of said meeting.

Given under our hands and Town Seal this fourteenth day of January, A. D. Nineteen Hundred and Thirty-seven.

JOHN J. MULLEN, Chairman

GEORGE H. QUARMBY

C. F. NELSON PRATT

Board of Selectmen.

January 25, 1937.

The meeting was called to order by the Moderator, Honorable Frank P. Bennett, Jr. at 8.15 p. m.

The salute to the flag was given.

The reading of the warrant was waived by unanimous consent.

The following tellers were appointed and sworn by the Moderator:

Ellery Metcalf

Margery Stocker

Fred M. Hall

Giles S. Bryer

Article 1.

Voted: That the sum of \$7000, (seven thousand dollars) be and the same is hereby appropriated for materials, supplies, equipment, services, rent and other administrative expenses for Federal W. P. A. projects, same to be expended under the direction of the Board of Selectmen.

Yeas 123

Nays 0

8.28 P. M.

The business of the meeting being completed, it was voted to adjourn at 8.30 P. M.

A true copy. Attest:

VIOLA G. WILSON,

Town Clerk.

Saugus, Mass., January 26, 1937.

The Selectmen of Saugus do hereby appoint Viola G. Wilson as Town Clerk to serve until March 2, 1937 unless said appointment shall be revoked previous to that date.

Per order Selectmen,

By Paul A. Haley, Secretary

Saugus, Mass., January 26, 1937.

The Selectmen of Saugus do hereby appoint Viola G. Wilson as Tax Collector to serve until March 2, 1937 unless said appointment shall be revoked previous to that date.

Per order Selectmen,
By Paul A. Haley, Secretary

Sworn by Judge Charles E. Flynn, January 26, 1937.

A true copy. Attest:

VIOLA G. WILSON,
Town Clerk.

January 26, 1937.

To Whom It May Concern:

In accordance with the General Laws, Chapter 41, Section 19A, I hereby appoint Ruth E. Gatchell as Assistant Town Clerk of the Town of Saugus, to serve until March 2, 1937 unless said appointment shall be revoked previous to that date.

The Assistant Town Clerk has been duly sworn to the faithful performance of her duties and a proper written record has been made in the qualification book of the Town of Saugus.

Signed:

VIOLA G. WILSON,
Town Clerk.

To Whom It May Concern:

I have entered upon the duties as Assistant Town Clerk of the Town of Saugus.

Signed:

RUTH E. GATCHELL,
Assistant Town Clerk.

Sworn by Viola G. Wilson, Town Clerk, January 27, 1937.

A true copy. Attest:

VIOLA G. WILSON,

VIOLA G. WILSON,
Town Clerk.

5 Myrtle Street, Saugus, Mass.,
February 1, 1937.

Mrs. Viola G. Wilson,
Town Clerk,
Saugus, Mass.

Dear Madam:

I hereby tender my resignation as a Town Meeting Member of Precinct 3, having moved to another Precinct.

WILLIAM H. ROBINSON

A true copy. Attest:

VIOLA G. WILSON,
Town Clerk.

ANNUAL TOWN MEETING

Essex, ss.

To W. Charles Sellick, Constable of the Town of Saugus:

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Saugus, qualified to vote in Town affairs, to meet at the several voting precincts of the Town on MONDAY, MARCH 1, A. D. Nineteen Hundred and Thirty-Seven, at Twelve O'Clock, M., then and there to bring in their ballots to the Wardens for the following TOWN OFFICERS:

For One Year: Three Selectmen, Three Members of the Board of Public Welfare, Three Playground Commissioners, Constable, Tree Warden, Town Moderator, One Member of the Planning Board, One Town Meeting Member in Precinct Four, One Town Meeting Member in Precinct Six, One Town Meeting Member in Precinct Eight.

For Two Years: Town Clerk, Collector of Taxes, One Member of the Planning Board, Two Town Meeting Members in Precinct Two, Two Town Meeting Members in Precinct Three, One Town Meeting Member in Precinct Four.

For Three Years: One Assessor, Two Members of the School Committee, One Member of the Planning Board, One Member of the Board of Health, Two Trustees of the Public Library, One Cemetery Commissioner, Ten Town Meeting members in Precinct One, Nine Town Meeting Members in Precinct Two, Ten Town Meeting Members in Precinct Three, Ten Town Meeting Members in Precinct Four, Seven Town Meeting Members in Precinct Five, Eight Town Meeting Members in Precinct Six, Nine Town Meeting Members in Precinct Seven, Ten Town Meeting Members in Precinct Eight.

For Four Years: One Member of the Planning Board.

For Five Years: One Member of the Planning Board.

Also those qualified to vote in Town elections and Town affairs to assemble in the Town Hall on WEDNESDAY, MARCH 10, A. D. Nineteen Hundred and Thirty-Seven, at Eight O'Clock, to hear and act on the following articles, viz:

Article 1. To hear and act on reports of Committees.

Art. 2. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1937, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Art. 3. To see what sums of money the Town will appropriate and raise by taxation for Town charges, expenses, equipment, and for any other purpose for which the Town may legally expend money.

Art. 4. To see if the Town will vote to appropriate the sum of \$850 to be expended under the direction of the Town Treasurer to investigate and to determine the validity of tax titles held by the Town; or to see what action the town will take in the matter, agreeable to the petition of the Town Treasurer.

Art. 5. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow in accordance with the provisions of Chapter 49 of the Acts of 1933, as most recently amended by Chapter 281 of the Acts of 1936, for the purpose of providing funds to meet ordinary maintenance expenses and revenue loans of 1936, such borrowing in no event to exceed the amount of the tax titles held in excess of the amount owing to the Commonwealth for similar loans previously made.

Art. 6. To see if the Town will appropriate the sum of \$20,000 for materials, supplies, equipment, services, rent, and other expenses for WPA projects, or to see what action the Town will take in the matter. Board of Selectmen.

Art. 7. To see if the Town will appropriate the following sums for the unpaid bills of the various departments for 1936 and prior years:

Board of Selectmen	\$ 52.33
Election and Registration	13.50

Fire and Police Station Building Account	148.00
Pension	67.50
	<hr/>
	\$18,686.91

or to see what action the Town will take in the matter. Town Accountant.

Art. 8. To see if the town will vote to raise and appropriate the sum of \$6,107.09 for the care of persons and the repair and maintenance of buildings at the Essex County Tuberculosis Hospital.

Art. 9. To see if the Town will authorize the School Committee and/or the Board of Selectmen to make application for a P. W. A. grant for the purpose of remodeling, enlarging, renovating and constructing additions to the

present High School plant, including the taking of any necessary lands, or to see what action the Town will take in the matter, agreeable to the petition of the School Committee.

Art. 10. To see if the Town will vote to raise and appropriate the sum of three thousand (\$3000.00 dollars) for the purpose of filling the pit on the Montieth property so called, purchased by the Town in 1936 for cemetery purposes. Cemetery Commissioners.

Art. 11. To see if the Town will vote to appropriate the sum of \$900 for the purpose of installing an oil burner in the Town Hall. Board of Selectmen.

Art. 12. To see if the Town will vote to raise and appropriate the sum of \$3800 to lay an 8-inch water main on Longwood Avenue, or to see what action the Town will take in the matter, agreeable to the petition of Nathan Somers and others.

Art. 13. To see if the Town will vote to appropriate the sum of \$9500.00 for the purchase of a 750-gallon triple combination fire pump for the Fire Department, or to see what action the Town will take in the matter, agreeable to the petition of the Board of Fire Engineers.

Art. 14. That the Moderator appoint a committee of five to look into the advisability of erecting a fire station in the Cliftdale section agreeable to the petition of Fred L. Hawkes and others.

Art. 15. To see if the Town will vote to instruct the Board of Selectmen to install a street light at the corner of Bayfield Road and Enmore Road; or to see what action the Town will take in the matter, agreeable to the petition of Catherine Taylor and others.

Art. 16. To see if the Town will vote to clean and repair the Soldier's Monument located in Monument Square, Saugus, and make an appropriation therefor, or to see what action the Town will take in the matter. The work to be done under the supervision of the Board of Selectmen. Agreeable to the petition of Samuel A. Parker and others.

Art. 17. To see if the Town will vote to have the Board of Selectmen consist of three Selectmen, one to be elected for a term of one year, one to be elected for a term of two years, and one to be elected for a term of three years at the annual Town Meeting of 1938, and that thereafter there shall be annually elected one Selectman for a term of three years, agreeable to the petition of Giles S. Bryer and others.

Art. 18a. To see if the Town will vote to establish a Road Machinery Fund to which shall be credited all receipts received for the use or rental of road machinery, the proceeds to be appropriated as voted by the town for road machinery purposes, or take any action in relation thereto.

Art. 18b. To see if the Town will vote to appropriate a sum of money to establish a Road Machinery Account for the purpose of repairing and operating road machinery. Board of Selectmen.

Art. 19. To see if the Town will vote to raise and appropriate a sum of \$3000.00 for the improvement of Walnut Street; said money to be used in conjunction with any money which may be allotted by the State or County, or both, for this purpose; or take any other action in relation thereto.

Art. 20. To see if the Town will vote to raise and appropriate a sum of \$2000.00 for the improvement of Woodbury Avenue; said money to be used in conjunction with any money which may be allotted by the State or County, or both, for this purpose; or take any other action in relation thereto.

Art. 21. To see if the Town will vote to raise and appropriate a sum of \$1500.00 for the maintenance of Chapter 90 streets in the town; said money to be used in conjunction with any money which may be allotted by the State or County, or both, for this purpose or take any other action in relation thereto.

Art. 22. To see if the Town will vote to raise and appropriate the sum of \$1000 for the improvement of Main Street; said money to be used in conjunction with any money which may be allotted by the State or County, or both, for this purpose; or take any other action thereto.

Art. 23. To see if the Town will vote to raise and appropriate the sum of \$2000 for the improvement of Central Street from Appleton Street to Walnut Street; said money to be used in conjunction with any money which may be allotted by the State or County or both, for this purpose; or take any other action thereto.

Art. 24. To see if the Town will vote to raise and appropriate the sum of \$1000 for the improvement of Lincoln Avenue; said money to be used in conjunction with any money which may be allotted by the State or County, or both, for this purpose; or take any action thereto.

Art. 25. To see if the Town will vote to raise and appropriate a sum of \$1,000 for the improvement of Essex Street; said money to be used in conjunction with any money which may be allotted by the State or County, or both, for this purpose; or take any action thereto.

Art. 26. To see if the Town will vote to direct the Board of Selectmen to petition the Federal Government for a sum of money for the rebuilding of the Town's water distribution system, or to see what action the Town will take in the matter, agreeable to the petition of the Special Committee.

Art. 27. To see if the Town will vote to appropriate the sum of \$375 for damages awarded by a decree of the County Commissioners dated November 24, 1936, for land takings on Section No. 1, Woodbury Avenue, (\$150 to Eliza Godfrey and \$225 to E. Rice), or to see what action the Town will take in the matter, agreeable to the petition of the Board of Selectmen.

Art. 28. To see if the Town will vote to appropriate the sum of \$200 for land damages on Section No. 1 Woodbury Avenue, resulting from land taking, or to see what action the Town will take in the matter, agreeable to the petition of the Board of Selectmen.

Art. 29. To see if the Town will vote to appropriate the sum of \$6000 for damages resulting from land takings on Section No. 2 Woodbury Avenue, or to see what action the Town will take in the matter, agreeable to the petition of the Board of Selectmen.

Art. 30. To see if the Town will vote to appropriate the sum of \$1000 to be used in conjunction with the \$1000 appropriated in 1936 for necessary repairs to the Elm Street bridge, or to see what action the Town will take in the matter, agreeable to the petition of the Board of Selectmen.

Art. 31. To see if the Town will vote to raise and appropriate the sum of \$2390.00 to repair and put in passable condition Newcomb Avenue from Jefferson Avenue to Edison Street; or to see what action the Town will take in the matter, agreeable to the petition of Otto Persson and others.

Art. 32. To see if the Town will vote to appropriate the sum of \$2100 to repair and put in passable condition Fairmount Avenue for a distance of 5000 feet, or to see what action the Town will take in the matter, agreeable to the petition of Otto Persson and others.

Art. 33. To see if the Town will vote to raise by borrowing, or otherwise, and appropriate the sum of \$48,074.23 for the purpose of making necessary extensions and alterations to water mains at various points along Broadway and Howard Street as set forth in the following thirteen articles, or to see what action the Town will take in the matter, agreeable to the Board of Selectmen.

Art. 34. To see if the Town will vote to appropriate the sum of \$1500 for the purpose of hydrants and valves, or to see what action the Town will take in the matter, agreeable to the petition of the Board of Selectmen.

Art. 35. To see if the Town will vote to appropriate the sum of \$5000 for the purpose of connecting the main on Howard Street from Penney's to the Melrose line, or to see what action the Town will take in the matter, agreeable to the petition of the Board of Selectmen.

Art. 36. To see if the Town will vote to appropriate the sum of \$634.82 for the purpose of laying an 8" C. I. main on Broadway from McDonough's plant to the Melrose line a distance of 200 feet; or to see what action the Town will take in the matter, agreeable to the petition of the Board of Selectmen.

Art. 37. To see if the Town will vote to appropriate the sum of \$2799.78 for the purpose of laying a 6" main along Broadway from Walnut Street to Bow Street a distance of 700 feet, or to see what action the Town will take in the matter, agreeable to the petition of the Board of Selectmen.

Art. 38. To see if the Town will vote to appropriate the sum of \$2746.88 for the purpose of laying an 8" C. I. main on Lark Avenue for a distance of 975 feet, or to see what action the Town will take in the matter, agreeable to the petition of the Board of Selectmen.

Art. 39. To see if the Town will vote to appropriate the sum of \$4118.00 for the purpose of laying a 12" main along Main Street from Irving Road across Broadway a distance of 900 feet, or to see what action the Town will take in the matter, agreeable to the petition of the Board of Selectmen.

Art. 40. To see if the Town will vote to appropriate the sum of \$974.30 for the purpose of laying a 6" main on Ila Road a distance of 400 feet, or to see what action the Town will take in the matter, agreeable to the petition of August Akerbloom.

Art. 41. To see if the Town will vote to appropriate the sum of \$17,573.75 for the purpose of laying a 12" water main along Broadway from Thomas Street, north, to Walnut Street a distance of 4450 feet, or to see what action the Town will take in the matter, agreeable to the petition of the Board of Selectmen.

Art. 42. To see if the Town will vote to appropriate the sum of \$820.60 for the purpose of laying an 8" main along Broadway, from Pleasant Avenue, north to Gibbs Filling Station, a distance of 275 feet, or to see what action the Town will take in the matter, agreeable to the petition of Henry Gibbs, et al.

Art. 43. To see if the Town will vote to appropriate the sum of \$281.85 for the purpose of laying an 8" main along Broadway, 100 feet north from the Town Farm, along Broadway, or to see what action the Town will take in the matter, agreeable to the petition of the Board of Selectmen.

Art. 44. To see if the Town will vote to appropriate the sum of \$911.35 for the purpose of laying an 8" main along Broadway from Essex Street to Bufford Street, a distance of 350 feet along Broadway, or to see what action the Town will take in the matter, agreeable to the petition of the Board of Selectmen.

Art. 45. To see if the Town will vote to appropriate the sum of \$6712.90 for the purpose of laying a water main along Essex Street from Vine Street, across Broadway, a total of 1960 feet, or to see what action the Town will take in the matter, agreeable to the petition of the Board of Selectmen.

Art. 46. To see if the Town will vote to appropriate the sum of \$4000.00 for the purpose of laying an 8" main under traffic circle at Felton Street, then South along Broadway for a distance of 1000 feet, or to see what action the Town will take in the matter, agreeable to the petition of the Board of Selectmen.

Art. 47. To see if the Town will vote to appropriate the sum of \$6655 for the construction of a curbing on the westerly side of Central Street from Centennial Avenue to Lincoln Avenue, or to see what action the Town will take in the matter, agreeable to the petition of Otto W. Thomas and others.

Art. 48. To see if the Town of Saugus will vote to appropriate the sum of \$150.00 for the purpose of removing ledge on Carson Street for Water Service, or see what action the Town will take in the matter, agreeable to the petition of Frances H. Clark and others.

Art. 49. To see if the Town will vote to appropriate the sum of \$474.00 for funeral expenses of the late Chief Mellen R. Joy or to see what action the town will take in the matter, agreeable to the petition of George F. Gosselin and others.

Art. 50. To see if the Town will vote to accept the layout of a townway on Fiske Road in accordance with a report of Selectmen and plan filed in the office of the Town Clerk or to see what action the Town will take in the matter. Petition of W. P. Meyer and others.

Art. 51. To see if the Town will vote to raise and appropriate the sum of \$850 for the purpose of maintaining during the ensuing year, the mosquito control works as estimated and certified to by the State Reclamation Board in accordance with the provisions of Chapter 112, Acts of 1931.

Art. 52. To see if the Town will vote to raise by bond issue and appropriate the sum of twenty-five thousand (\$25,000) Dollars for the purpose of erecting in conjunction with Federal funds, a stadium on the west side of the Newburyport Turnpike. Said bond issue to be raised only in case the Federal Government supplies sufficient funds to complete said stadium, or to see what action shall be taken in the matter. Stadium Commission. Henry A. B. Peckham, Chairman.

Art. 53. To see if the Town will vote to amend the Zoning Plan and Zoning By-Law so that the property shown as Lots A-3 and A-4 on Assessors' Plan 1042 be zoned for business, or to see what action the Town will take in the matter, agreeable to the petition of Charles E. Stillings and others.

Art. 54. To see if the Town will vote to amend the zoning map and zoning by-law so that the premises situated on the Newburyport Turnpike and shown as lots A-14 and A-28 on Assessors' Plan 1036 will be zoned for business, or to see what action the Town will take in the matter, agreeable to the petition of George C. Cronin and others.

Art. 55. To see if the Town will vote to amend the zoning map and zoning by-law so that the premises situated on the Newburyport Turnpike and shown as Lots A-4, A-6, and A-8 on Assessors' Plan 1048 will be zoned for business, or to see what action the Town will take in the matter, agreeable to the petition of George C. Cronin and others.

Art. 56. To see if the Town will vote to raise and appropriate the sum of \$51.10 to pay the hospital and medical bills incurred by Patrolman Thomas F. Spencer as a result of injuries received in the line of duty, agreeable to the petition of L. Elmer Day and others.

Art. 57. To see if the Town will vote to acquire by right of eminent domain or by purchase for highway purposes that

described parcel of land shown as a right of way on a plan filed in the Land Registration office in Case No. 6284, which right of way is off Main Street, or to see what action the Town will take in the matter, agreeable to the petition of Lalia Edwards and others.

Art. 58. To see if the Town will vote to appropriate a sum of money to carry out the provisions of Article 57, including costs of plans, recording fees, and other incidental expenses, or to see what action the Town will take in the matter, agreeable to the petition of Lalia Edwards and others.

Art. 59. To see if the Town will appropriate the sum of \$3204.00 for extending the water mains on Walnut Street, beginning at 51 Walnut Street and extending about 1000 feet along said street, agreeable to the petition of Charles E. Stillings and others.

Art. 60. To see if the Town will vote to raise and appropriate the sum of \$2000 to gravel, oil, roll, and shape Auburn Street, or to see what action the Town will take in the matter, agreeable to the petition of John A. Anderson and others.

Art. 61. To see if the Town of Saugus will vote to appropriate the sum of \$3500.00 for the cost of materials to be furnished by the Town of Saugus for the reconstruction of Dudley Street, labor to be taken care of under the WPA, or to see what action the Town will take, agreeable to the petition of Orrin H. Schmuck and others.

Art. 62. To see if the Town of Saugus will vote to accept 300 feet, that portion of Jasper Street from land of James L. Biffin to and including land of Theodore R. Schumacher according to the plan and specifications filed with Planning Board, agreeable to the petition of Theodore R. Schumacher and others.

Art. 63. To see if the Town will vote to amend the Zoning By-Law and the Zoning Map so that the land on that section of Broadway lying between Walnut Street and the Lynnfield line be zoned for business purposes to a depth of 200

feet, or to see what action the Town will take in the matter, agreeable to the petition of Alice E. Lewis and others.

Art. 64. That the sum of one thousand dollars (\$1000.00) be, and the same is hereby appropriated for the services, materials, supplies, to be used on a project or projects sponsored by the National Youth Administration, same to be expended under the direction of the Playground Commission, or to see what action the Town will take in the matter, agreeable to the petition of the Board of Playground Commissioners.

Art. 65. That the sum of three thousand, five hundred dollars (\$3500) be and the same is hereby appropriated for the purpose of erecting all steel concrete bleachers and a new football gridiron on Stackpole Field. All labor connected to this project will be paid for by the Federal Government. Same to be expended under the direction of the Playground Commission, or to see what action the Town will take in the matter, agreeable to the petition of the Board of Playground Commissioners.

Art. 66. To see if the Town will vote to authorize the Selectmen to purchase or take by eminent domain for street purposes the following described parcels of land for the purpose of extending Smith Road from its present terminus to Clifton Avenue, viz.:

A parcel of land shown as lot 735, A-58, plan 2012, on file in the Assessors' Office, bounded and described as follows: Beginning at the northwest corner of Clifton Avenue, and Oak Street, running north by Oak Street 136.6 feet west by land of Clement Smith, et al, 25.4 feet, south by land of Raddin, 140.7 feet, thence east by Clifton Avenue, 25 feet to the point of beginning, containing 2466 square feet, more or less;

Also another parcel of land shown as lot 736, A-59, plan 2012, on file in the Assessors' office, bounded and described as follows: Beginning at a point on Clifton Avenue, and running north by land of Stames, 140.7 feet, thence west by land of Smith 25.4 feet, thence south by land of Kanellopoulos

144.9 feet, thence east by Clifton Avenue, 25 feet to the point of beginning, containing 3570 square feet, more or less;

Also another parcel of land shown as lot 737, A-60, plan 2012, on file in the Assessors' office, bounded and described as follows: Beginning at a point on Clifton Avenue and running north by land of Raddin 144.9 feet, thence west by land of owners unknown 25.4 thence south by land of Blamy 149 feet, thence east by Clifton Avenue, 25 feet to the point of beginning, containing 3673 square feet, more or less;

Also another parcel of land shown as lot A-96, plan 2012 on file in the Assessors' office, the same being a strip of land two feet in width and 40 feet in length, containing 80 square feet, and being situated at the easterly end of Smith Road and abutting on lots A-58, 59, 60 on plan on file in the Assessors' office and appropriate a sum of money for such purchase or for damages for takings, or to see what action the Town will take in the matter, agreeable to the petition of the Planning Board.

Art. 67. To see if the Town will vote to accept a section of Summit Avenue, as per plan and lay-out on file with the Town Clerk. Board of Selectmen.

Art. 68. To see if the Town will vote to accept Highland Avenue as per plan and lay-out on file with the Town Clerk. Board of Selectmen.

Art. 69. To see if the Town will vote to accept Allard Street, as per plan and lay-out on file with the Town Clerk. Board of Selectmen.

Art. 70. To see if the Town will vote to accept that portion of Clifton Avenue from Endicott Street to Baker Street as per plan and lay-out on file with the Town Clerk. Board of Selectmen.

Art. 71. To see if the Town will vote to accept Bufford Street as per plan and lay-out on file with the Town Clerk. Board of Selectmen.

Art. 72. To see if the Town will vote to amend the zoning by-law of the Town of Saugus as follows: So that the wording of Section 17 now stating: "Permit by Selectmen

required" shall read, "Permit by Board of Appeals required." Board of Appeals.

Art. 73. To see if the Town will adopt the following by-law or some modification thereof for the purpose of regulating billboards or other outdoor advertising devices.

TOWN BY-LAW, ARTICLE No. . . .

Regulation of Advertising Signs and Billboards

Section 1. Statutory Authority. In pursuance of the authority granted to the Town in Section 29 of Chapter 93 of the General Laws, and pursuant to all other provisions of law, and without relaxing any restrictions now imposed on outdoor advertising devices by Sections 29 to 33 inclusive of said chapter or by any lawful state regulations thereunder, such devices are hereby further restricted in the Town of Saugus as provided in the following sections.

Section 2. Exemptions. This by-law shall not apply to signs or other devices in or over public ways, described in Sections 1, 2 or 8, of Chapter 85, General Laws, or to signs or other devices on or in the rolling stock, stations, subways or structures of or used by common carriers, except advertising devices on bridges or viaducts or abutments thereof. It also shall not apply to any advertising device legally permitted and maintained on the date of the taking effect of this by-law, until one year after the first day of July next following said date.

Section 3. Definitions.

"Advertising devices" shall mean billboards, painted bulletins, poster panels, signs, placards and other outdoor units designed to call public attention to the matter displayed thereon.

"Advertising sign" or **"sign"** shall mean any outdoor advertising device.

"Sign-board" shall mean any structure designed for displaying an outdoor advertisement.

"Highway" or **"street"** shall mean any public way twenty feet or more in width.

"Public park" shall mean a piece of public land of at least five thousand square feet set apart for beauty and public enjoyment.

"Public reservation" shall mean a piece of public land set apart for recreational use, as a state or municipal forest, as a protection to a public water supply, as a memorial, or cemetery, or as a place of unusual scenic or historical interest.

"Permitted" shall mean authorized by an official permit.

"Display" shall mean to make or maintain visible from any highway, public park or reservation.

"Area" of a sign or sign-board shall mean the area of the face view of the entire device, including all attachments except supports and lattice at the base thereof.

"Residential district" shall mean any area zoned as residential.

"Non-conforming business" shall mean a business located in a residential or rural district, other than such rural business as farming or the raising and sale on the same premises of farm, garden or orchard products

"Lawful sign" shall mean any outdoor advertising device not prohibited by any provision of law or by any lawful state regulation.

"Accessory sign" shall mean any outdoor advertising device which carries only advertisements strictly incidental and subordinate to a principal use of the premises on which it is located, including signs indicating business transacted or goods sold or produced on the premises or an occupant thereof, but not including any sign which is rented or controlled

by any party except the owner or occupant of the premises.

"Sign on a wall" shall mean a sign closely attached throughout to and facing with that wall, or on a window or door therein.

"Lot" shall mean a plot of ground containing and devoted to the purposes of a building, or laid out to contain a building, with all required open spaces; or a tract of unbuilt, undivided land under one ownership.

Section 4. Prohibitions. No person, firm, association, or corporation, except the owner or a tenant occupant of the premises, shall be permitted or allowed to erect, display or maintain any billboard or other outdoor advertising device thereon except in pursuance of written authority from such owner or tenant and unless either the name and address of the party holding such authority or a lawful permit number from the state licensing authority be displayed on such device.

No billboard or other outdoor advertising device shall be erected, displayed or maintained:

- (a) Upon any rock, tree, fence or pole.
- (b) Within one hundred feet of any church, public building, monument or memorial, or within three hundred feet of any public park, playground, or public reservation, if within view from any portion thereof; except that this provision shall not apply to accessory signs on the walls of buildings.
- (c) If it contains any obscene, indecent or immoral matter.
- (d) Unless all parts and attachments and the ground about the base thereof are kept in neat and safe condition.

Section 5. General Restrictions. No advertising sign or signboard shall be permitted or al-

lowed to be so located as to obstruct a view between any points or connecting streets within fifty feet of a corner of the rights of way; or to extend more than twenty feet above the surface on which it stands; or to obstruct any door, window or fire escape on a building; or, if on a roof or wall of a building, to extend above the legal limit of height for such building or wall; or, in a residential district, to extend more than six inches nearer to any boundary of the lot or premises on which it is located than it would be lawful to maintain a building, except as provided in paragraph (c) of Section 6.

Section 6. Restrictions in Residential District.

No person, firm, association or corporation shall erect, display or maintain, or allow to be displayed or maintained on his or its property, in a residential district, any billboard or other outdoor advertising device, except devices specified in paragraphs (a) (b) (c) and (d) of this section.

- (a) Any lawful accessory sign or signs not exceeding five square feet in aggregate area on any one building or lot; or any lawful sign or signs advertising only the sale or rental of the premises, not exceeding a total area of ten square feet; or, on the premises of any public building, public recreation ground, farm, garden, tree-nursery or forest, any lawful accessory signs not exceeding all together fifteen square feet in area within the limits of said premises; or any lawful accessory signs on the front wall of any building occupied by a non-conforming business.
- (b) Any lawful sign displayed by the town, or any sign displayed by the United States, the state or the county relative to government business.
- (c) At any boundary line of the town a lawful sign not exceeding five square feet in area

indicating the meetings of any civic organization located therein.

- (d) On property owned or principally occupied by a religious, civic or charitable organization, association of war veterans or the like, any lawful accessory sign displayed by written permission of the Selectmen, with the approval of the inspector of buildings if any, for a limited period not exceeding sixty days.

Section 7. Administration. Whenever notice of an application to a state authority for a permit for an advertising device to be erected or displayed in the town is received by the Town Clerk or any other town official, he shall immediately transmit it to the Inspector of Buildings [or other officer charged with the administration of this by-law]. Such officer, or, in the lack of other responsible officer, the Town Clerk, shall thereupon make an examination of the case and, as promptly as possible, within thirty days of the receipt of the application by the town, shall send written notice to the state authority to whom the application is addressed, stating whether or not the proposed advertising device would violate any provisions of this by-law, and, if he finds such violation, specifying what provisions would be violated. In case of such violation, he shall send like notice also to the applicant and to the owner or tenant of the proposed location of the device.

Any person desiring to erect a sign in the town may file a description thereof and of its proposed location with the officer charged with the enforcement of this by-law, who shall thereupon make an examination of the case and shall give written notice to the applicant whether or not the proposed advertising device would violate any provision of this by-law, and if so, what provision.

Said officer shall preserve for record all descriptions, notices of applications, letters and other

papers received by him and copies of all notices issued and letters sent by him relating to out-door advertising.

Section 8. Penalties and Enforcement. The Selectmen or any officer charged with the enforcement of this by-law shall give written notice of any violation of Sections 4, 5 or 6 of this by-law to the party violating the same and to the owner or tenant of the property concerned, with orders to remove promptly any device in violation thereof, and shall cause any party who continues such violation for fifteen days after such notice to be prosecuted; shall pursue appropriate legal processes to restrain the erection or maintenance of devices in violation of this by-law and to cause their removal or abatement in accordance with Chapter 93, Sections 29, 31 and 33; and shall also notify the state regulatory authority of outdoor advertising of any known violations of lawful state regulations that come to his notice.

Section 9. If any provision of this by-law is declared unconstitutional or illegal by any Court, the validity of the remaining provisions shall not be affected thereby.

Section 10. No provision of this by-law shall be construed in such a manner as to be inconsistent with the rules and regulations now or hereafter in force, concerning outdoor advertising, of any state authority having jurisdiction.

agreeable to the petition of the Planning Board.

Art. 74. To see if the Town will vote to change the Zoning Laws and Zoning Map so that the area in the following parcel of land may henceforth be used for business purposes.

DESCRIPTION: Commencing at a point on the Northerly line of Howard Street, said point being a stone bound situated in the driveway to the house of one Manfredonia and marking the beginning of a

piece of tangent, thence the line runs South $69^{\circ} 21'$ West along said north line of Howard Street, a distance of approximately one hundred thirty-seven and forty-four one hundredths ($137.44\frac{1}{2}$) feet to intersection with Westerly line of said Manfredonia property, thence North $2^{\circ} 56'$ East a distance of two hundred forty-three and fifty-eight one hundredths (243.58) feet along Westerly line of above property to a post, thence North $88^{\circ} 38'$ East a distance of one hundred ninety-one and twenty-four one hundredths (191.24) feet, thence South $1^{\circ} 22'$ East a distance of one hundred seventy-three and fifty-eight one hundredths (173.58) feet to the Northerly line of said Howard Street, thence turning and running Westerly along North line of Howard Street by a curve with radius of eight hundred sixty feet a distance of approximately eighty-three ($83\frac{1}{2}$) feet more or less to a point of beginning (SB) and containing 40726 sq. ft. more or less;

or to see what action the Town will take in the matter, agreeable to the petition of Adelaide Manfredonia and others.

Art. 75. To see if the Town will vote to adopt the following By-law:

It shall be illegal for handbills, flier leaflets, free newspapers, political propaganda, advertising circulars printed in the form of newspapers, or anything of like character, to be distributed and left at homes within the Town of Saugus.

Violation of this By-law shall result, upon conviction, of a fine not more than \$20.

or to see what action the Town will take in the matter, agreeable to the petition of Arthur P. Smith and others.

Art. 76. To see if the Town will vote to raise and appropriate a sum of money to be spent under the direction of the Sewer Committee, for the purpose of preparing an application or applications for funds from the Federal Government and the supporting data and plans for such applications and for doing all other work necessary to obtain funds

from the Federal Government, said applications to relate to the construction of a part or all of a system of sewers, including the construction of a force main for discharging the Town's sewage into the outfall sewer of the City of Lynn and the payment of an Entrance Fee to the City of Lynn as provided by an "Agreement between the Town of Saugus and the City of Lynn Regarding Discharge of Saugus Sewage into Lynn Outfall Sewer," or to take any action relative thereto, agreeable to the petition of the Board of Selectmen.

Art. 77 To see if the Town will vote to raise and appropriate a sum of money, to be spent under the direction of the Sewer Committee, for any or all of the following purposes (1) negotiating for the acquisition of a right-of-way for constructing, operating, maintaining and repairing a main sewer or force main to be built in Lynn along the right-of-way of the Boston & Maine Railroad and across private property and (2) preparing plans and specifications and securing necessary approvals for constructing a main sewer or a force main for discharging the Town's sewage into the outfall sewer of the City of Lynn as provided for by an "Agreement between the Town of Saugus and the City of Lynn Regarding Discharge of Saugus Sewage into Lynn Outfall Sewer," or to take any action relative thereto, agreeable to the petition of the Board of Selectmen.

Art. 78. To see if the Town will vote to raise and appropriate a sum of money to be spent under the direction of the Sewer Committee for the purpose of laying out and constructing a system of main drains and common sewers and a force main for discharging the Town's sewage into the outfall sewer of the City of Lynn, for acquiring land or easements and for paying an entrance fee to the City of Lynn as provided by an "Agreement between the Town of Saugus and the City of Lynn Regarding Discharge of Saugus Sewage into Lynn Outfall Sewer," dated December 31, 1935, all in accordance with the provisions of Chapter 350 of the Acts of 1929 as amended by Chapter 259 of the Acts of 1933 and Chapter 259 of the Acts of 1929 as amended by Chapter 71 of the Acts of 1933, said appropriation to be used by itself or in conjunction with any funds which the Federal Govern-

ment may make available for the project, or to take any action relative thereto, agreeable to the petition of the Board of Selectmen.

Art. 79. To see if the Town will vote to purchase or take by eminent domain, for highway purposes, 1980 square feet of land on Clifton Avenue, as shown on plan on file in the Town Clerk's office, agreeable to the petition of the Board of Selectmen.

Art. 80. To see if the Town will vote to accept Buena Vista Street as per plan and lay-out on file with the Town Clerk. Board of Selectmen.

The polls will open at 12 o'clock, noon, and will close at 8 o'clock P. M., and you are hereby directed to serve this WARRANT by posting attested copies thereof at the usual places seven days, at least, before the time of holding said meeting, and to distribute copies as provided by the By-Laws at least four days before.

Hereof, fail not, and make due return of this WARRANT, with your doings thereon, to the Town Clerk, at the time and place of said meeting.

Given under our hands and Town Seal this eleventh day of February, A. D. Nineteen Hundred and Thirty-seven.

JOHN J. MULLEN,
C. F. NELSON PRATT,
GEORGE H. QUARMBY,

Board of Selectmen.

A true copy. Attest:

W. CHARLES SELICK,

Constable.

Commonwealth of Massachusetts

Essex, ss.

February 19, 1937.

Pursuant hereunto I have served the within warrant as directed by posting an attested copy at the several precincts

and afterwards by delivering to the inhabitants of the Town of Saugus, in accordance with the By-Laws.

W. CHARLES SELICK,
Constable.

A true copy. Attest:

VIOLA G. WILSON,
Town Clerk.

February 20, 1937.

In compliance with Chapter 55 of the Acts of 1928 and also with Section 2 of the By-Laws of the Town of Saugus, I hereby certify that today I personally mailed to all Limited Town Meeting members a printed copy of the Warrant for the Annual Town Meeting of March 1, 1937.

Signed: VIOLA G. WILSON,
Town Clerk.

A true copy. Attest:

VIOLA G. WILSON,
Town Clerk.

A true copy. Attest:

VIOLA G. WILSON,
Town Clerk.

March 2, 1937.

To Whom It May Concern:

In accordance with the General Laws, Chapter 41, Section 19a, I hereby appoint Ruth E. Gatchell as Assistant Town Clerk of the Town of Saugus, to serve until March 1, 1939, unless said appointment shall be revoked previous to that date.

The Assistant Town Clerk has been duly sworn to the faithful performance of her duties and a proper written record has been made in the qualification book of the Town of Saugus.

Signed:

VIOLA G. WILSON,
Town Clerk.

To Whom It May Concern:

I have entered upon the duties as Assistant Town Clerk of the Town of Saugus.

Signed:

RUTH E. GATCHELL,
Assistant Town Clerk.

Sworn by Viola G. Wilson, Town Clerk, March 2, 1937.

A true copy. Attest:

VIOLA G. WILSON,
Town Clerk.

Saugus, Mass.,
March 5, 1937.

Viola G. Wilson
Town Clerk
Saugus, Mass.
Dear Mrs. Wilson:

I hereby tender my resignation as Town Meeting Member in Precinct Four (One year term).

Signed:

VIRGINIA E. WOODWARD.

A true copy. Attest:

VIOLA G. WILSON,
Town Clerk.

Saugus, Mass.,
March 8, 1937.

Viola G. Wilson
Town Clerk
Saugus, Mass.
Dear Mrs. Wilson:

I hereby tender my resignation as Town Meeting Member in Precinct Eight (One year term).

Signed:

RALPH QUIRK.

A true copy. Attest:

VIOLA G. WILSON,
Town Clerk.

Town Clerk.

**Report of the Finance Committee
to the
Representative Town Meeting and Citizens of
The Town of Saugus**

To the Citizens of Saugus:

The Finance Committee herewith submits its report on the 1937 Budget.

The amounts recommended for the several departments respectively, should be considered the complete funds available for the entire year.

The unpaid bills account of \$18,686.91 is the worst in several years and the amounts reverting to surplus from the departments involved is the smallest in the recollection of the Committee, to wit: \$1,740.97.

The General Budget for Town Charges in Article 3 shows an increase of a trifle over 2% from the appropriations approved by the State Emergency Finance Board for the same purposes at the 1936 Annual Town Meeting.

In the Special Articles, those which would most benefit the entire Town have had first consideration.

Regarding Article 33 and most of the thirteen Articles following, the Committee recommends a bond issue, interpreting such expense as a capital investment and recognizing that placing water mains across the new Turnpike is essential to the future development of the Town and the fact that the new Newburyport Turnpike cannot be disturbed for at least fifteen years after completion.

Again the State Emergency Finance Board must review our appropriations this year.

It should be borne in mind that this Report and Budget does not include \$7000 for W. P. A. Expense already appropriated by a Special Town Meeting in January of this year, which amount must also be raised in this year's tax levy.

The Committee recommends that the Town petition the Federal Government as set forth in Articles 9, 26, and 76, to ascertain for the Town's information and future consideration exactly what the best grant agreement the Town may obtain on P. W. A. projects for these purposes respectively.

In order to save the time of the Limited Town Meeting

as well as to inform non-Town Meeting Members we have outlined in the following pages the reasons for action we have taken.

Reasons for Increases in The General Budget

Item 3. Planning Board—Added duties on account of taking over work of Board of Survey, also for an aerial map.

Item 5. Accountant—Increased work in this department due to W. P. A. and other projects and to the change of one man who is W. P. A. Accountant to full time on departmental payroll (same amount deducted from W. P. A. appropriation in our recommendations).

Item 6. Treasurer—Due to necessity of purchasing new adding machine and check writer, and increase in clerical hire.

Item 7. Tax Collector—Due to premium on three year burglary insurance policy, and to additional costs for collector's bonds for temporary collector.

Item 12. Town Clerk—Including re-printing Zoning By-Laws and Town By-Laws.

Item 19. Police—Increase due to salary for entire year of present force including men appointed in 1936.

Item 22. Firemen's Salaries—Increase includes salary schedule only for present permanent personnel, including two men appointed last November and \$100 added to salary of Fire Chief in lieu of \$100 as Forest Fire Warden.

Item 23. Fire and Police Building Maintenance—Including increased cost of Janitor service and operating costs based on first year's experience in 1936.

Item 25. Fire Department Expense—Including \$800 for replacement of ladders and \$350 for a life-saving unit.

Item 26. Forest Fire Warden—The Committee is recommending the sum of \$1.00 (one dollar) for salary of Forest Fire Warden, provided that the Chief of the Fire Department is also Fire Warden. This arrangement has been re-

requested by the Chief of the Fire Department to protect his rights in event of disability under Civil Service.

Item 28. Sealer of Weights and Measures—Increase due to the Sealer assuming full time duties and weighing or measuring all materials purchased by the Town.

Item 31a. Harbor Master—A new item inserted at request of the Board of Selectmen.

Item 32. School Department—Due to increases in the salaries of some of the teachers at the request of the School Committee, bringing them to a more adequate level, and to the addition of a teacher-coach and one regular teacher.

Item 34. Public Library—Including \$1000 specifically for needed repairs to the building.

Item 35a. Old Age Assistance—A new segregation of expense which accounts for a reduction in Board of Welfare Budget. The Town will receive in return a portion of the expense for Old Age Assistance from the State and Federal Governments. Until future experience furnishes a more accurate guide the net cost of this item is uncertain. The amount recommended is frankly an estimate.

Item 37. State and Military Aid—Due to transfer of expense in some instances from Soldiers' Relief to State and Military Aid.

Item 40a. Surface Treatment Highways—Increase due to recognition of the necessity of conserving the Town's permanent highways which have been neglected for many years.

Item 43. Water Purchase—Increase to relieve our usual unpaid bill item which continues to be well over \$2000.

Item 46. Cemetery—Increase due to additional responsibilities of the department which is practically self-sustaining.

Item 49. Hydrants—We believe this expense warranted for the protection of property and also as many of our present hydrants are dangerous.

Item 50. Health—Due to planned appointment of Pub-

lic Health Nurse and to the increase in costs and numbers of persons receiving tuberculosis treatment at various institutions.

Item 54. Inspector of Milk, Food and Provisions—Previously \$300 has been spent for the position of Inspector of Milk. During 1936 the Board of Health appointed an Inspector of Food and Provisions, combining the office with that of Milk Inspector.

Reasons for Recommending Special Articles

Art. 2. Recommended. This is the usual Article.

Art. 3. See detailed comment on General Budget.

Art. 4. Recommended. Usual Appropriation.

Art. 5. Recommended.

Art. 6. Recommend \$15,500; \$3500. for W.P.A. project on Dudley Street and \$1000. for W.P.A. Accountant included in recommendations elsewhere.

Art. 7. Recommended. The Finance Committee disapproves of the over-runs of these appropriations although some were unavoidable. The total of these unpaid bills is adding over \$1.00 on the tax rate for 1937, for expenses incurred in 1936 and prior years. Expenditures in excess of appropriations are, strictly speaking, illegal.

Art. 8. Recommended. This year's share of the Town's expense for this purpose.

Art. 9. Recommended.

Art. 10. Recommended. Preparation of this property for cemetery purposes is necessary to care for the natural growth of the cemetery.

Art. 13. Recommended. Savings in maintenance costs we believe justifies this expense.

Art. 18a. Recommended. By establishment of this account it will be possible for the Town to receive rentals for such machinery when used on certain types of construction.

Art. 18b. Recommended. A nominal amount to establish the account.

Art. 19. Recommended. This will complete Walnut Street. It is the most logical continuation of Chapter No. 90 work and will not entail land damages, simply widening the street over former street car reservation.

Art. 26. Recommended.

Art. 27. Recommended.

Art. 28. Recommended.

Art. 30. Recommended. This will make a total of \$2000. available, with which Elm Street Bridge can be reconstructed in accordance with State and County requirements.

Art. 33. As the recommended projects (of those set forth in the following thirteen articles) should be considered as capital investments and constructed under bond issue, it is necessary to vote the funds for these combined projects under this Article. A bond issue of \$40,000 for these purposes is recommended.

Recommendations of projects specifically included are as follows: Articles 36, 37, 38, 39, 40, 41, 43, 44, 45 and 46.

Art. 48. Referred favorably to the Board of Selectmen.

Art. 49. While the Committee is in sympathy with this proposal, the legality of such action is doubtful.

Art. 51. Recommended. The usual appropriation.

Art. 56. Recommended. This is consistent with the action of the Town in similar cases.

Art. 57. Recommended. This will provide a right of way from Main Street into a part of Golden Hills otherwise not readily accessible.

Art. 58. The Committee recommends not over \$250. to accomplish the purpose of Article 57.

Art. 61. Recommend \$3500. for this purpose, specifically as a W.P.A. project.

Art. 76. Recommend referring to the Sewer Committee with instructions so to act using funds now available in their hands.

TOTALS OF THE 1937 BUDGET

	Requested	Recommended

TOWN OF SAUGUS
ANNUAL TOWN MEETING
MARCH 10, 1937

The meeting was called to order by Herbert P. Mason,
Moderator, at 8:10 P. M.

The salute to the flag was given.

All Town Meeting Members not previously sworn in
were qualified.

By unanimous consent the reading of the warrant was
waived.

The following tellers were appointed and duly sworn by
the moderator:

Elmer Emmett
Harry Merrill
J. Arthur Raddin
James Entwistle

A count of the members was taken; a quorum was found
present.

The Moderator appointed the Board of Selectmen as a
committee for appraisalment of town property.

Article 1.

The Finance Committee filed their report subject to the
action of the meeting.

(See Page for Finance Committee Report)

The Harbor and Dock Commission filed their report subject to the action of the meeting.

The Sewer Committee filed their report on Articles 76, 77 and 78.

The Planning Board filed their reports on several articles.

Voted to reconsider Item 41. 8:26 P. M.

Item 41. Snow and Ice. Voted to lay on table. 8:26 P. M.

John J. Bucchiere at this time offered a resolution which was unanimously adopted at 8:26 P. M., as follows:

Whereas;

Our present Congressman William P. Connery, Jr., has called for a survey to be made within the Town of Saugus, for the erection of a new Central Post office building by the Federal Post Office Department, and whereas the success or failure of this request is dependent upon the report made by the Federal Postal Inspectors, we, therefore, members of this Town meeting do resolve, that it be the sense of this meeting that the Federal Post Office Department build a new Central Post Office in the Town of Saugus, Massachusetts, copies of these resolutions be sent to Congressman William P. Connery, Jr., Postmaster General James A. Farley, U. S. Senators David I. Walsh and Henry Cabot Lodge, Jr., Gov. Charles F. Hurley, members of the General Court representing the 10th Essex District, Frederick Bancroft Willis, Wm. Henry Haskell, and that the Moderator appoint a committee of one member from each precinct, the committee to be known as the Central Post Office Committee for the Town of

Saugus, and said committee to take steps to interest the proper officials in the matter.

Unanimously adopted. 8:26 P. M.

Item 54. Voted to lay on the table. 8:31 P. M.

Voted: To take Item 54 from the table. 8:51 P. M.

Item 54. Voted: That the sum of \$300.00 be and the same is hereby appropriated for the Inspector of Milk. 8:51 P. M.

Voted: That the following sums be appropriated for the departments named:

Item 51. Vital Statistics\$ 100.00

Article 65.

Voted: That the sum of three thousand, five hundred dollars (\$3500) be and the same is hereby appropriated for the purpose of erecting all steel concrete bleachers and a new football gridiron on Stackpole field. All labor connected to this project to be paid for by the Federal Government. Same to be expended under the direction of the Playground Commission. 9:22 P. M.

Article 53.

Report of the Planning Board on Article Fifty-Three.

After advertisement in the Saugus Herald, issue of March 5, 1937, the Planning Board held a public hearing on article fifty-three of the annual town meeting warrant, in the office of the Board of Selectmen, Town Hall, on March 11, 1937.

After considering all facts presented, the board recommends passage of the article with the stipulation that the property be rezoned for a depth of three hundred feet back from Broadway.

By M. EDWARD HAYES,
Chairman.

NOTICE OF HEARING

The Planning Board will hold a public hearing on Article fifty-three (53) of the town meeting warrant, in the Selectmen's Office, Town Hall, on Thursday, March 11, at 7:30 P. M. Said article is the petition to rezone lots A-3 and A-4 of Assessors plan 1042, located at Broadway and Hawkes Street, for business purposes.

By WILLIAM H. ROBINSON,
Secretary.

Article 53.

Voted: That the Town do amend the Zoning By-Law and the Zoning Map so that the following described land shall hereafter be zoned for business purposes: A portion of lots A-3 and A-4 of Assessors plan beginning at the corner of Hawkes Street and Broadway and running northerly for a distance of 176 feet, thence easterly for a distance of 300 feet, thence southerly for a distance of 176 feet, and thence westerly a distance of 300 feet to the point of beginning. Yeas 88. Nays 6. 9:33 P. M.

Article 54.

Report of the Planning Board on Article 54.

After advertisement in the Saugus Herald, issue of March 5, 1937, the Planning Board held a public hearing on article 54 in the office of the Board of Selectmen, Town Hall, on March 11, 1937.

After considering all facts presented, the board recommends that lot A-28 of assessor's plan 1036 be rezoned for business purposes.

By M. EDWARD HAYES,
Chairman.

Notice of Hearing

The Planning Board will hold a public hearing on Article fifty-four (54) of the town meeting warrant in the Selectmen's Office, Town Hall, on Thursday, March 11, at 7:45

P. M. Said article is a petition to rezone lots A-14, A-28 of plan 1036, located at the junction of Broadway and Lynn Fells Parkway, for business purposes.

By WILLIAM H. ROBINSON,
Secretary.

Article 54.

Voted: that the zoning map and zoning by-law be, and the same hereby is, amended so that that portion of lot A-28 on Assessors' Plan 1036 as are shown within shaded lines on plan entitled "Plan of Land in Saugus Assessors Plan 1036 Art. 54 Annual Town Meeting March 1937", copy of which plan hereto annexed and made a part hereof, shall be zoned for business purposes.

That portion of lot A-28 is bounded and described as follows: Beginning at a point on the westerly line of Broadway, which point is distant 500 feet southwesterly from the junction point of the southeasterly side line of the Lynn Fells Parkway and Broadway, thence the line runs southwesterly 1300 feet to Thomas Street; thence the line turns and runs westerly and southwesterly along said Thomas Street 815 feet to Forest Street; thence the line turns and runs northwesterly, northerly and northeasterly in a curved line 100 feet along said Forest Street and said Parkway; thence the line runs northeasterly along said Parkway 1000 feet; thence the line turns and runs southeasterly 350 feet to Broadway and the point of beginning; be all of said measurements more or less. Yeas 98. Nays 21. 10:21 P. M.

Voted: to take Item 40 of Article 3 from the table.

Item 40.

Voted: That the sum of \$20,000.00 be and the same is hereby appropriated for Highways, Fences and Bridges, including the purchase of one (three-ton) truck and one (one and one-half) ton truck, and that the Selectmen be authorized to turn in any equipment toward the purchase price. 10:22 P. M.

Voted: to take Item 38 from the table.

Item 38.

Voted: That the sum of \$19,000.00 be and the same is hereby appropriated for Soldier's Relief. 10:34 P. M.

Voted: to take Item 57 of Article 3 from the table.

Item 57.

Voted: That the sum of \$1400.00 be and the same is hereby appropriated for Printing and Distributing Town Reports. 10:35 P. M.

Voted: to take Item 41 of Article 3 from the table.

Item 41.

Viola G. Wilson,
Town Clerk,
Saugus, Mass.
Dear Mrs. Wilson:

The Limited Town Meeting Members of Precinct Four met in the courtroom of the Town Hall at 7:45 P. M. for the purpose of filling the vacancies caused by the resignation of Virginia Woodward and the removal from the precinct of Harold I. Wilkinson.

Edward Gibbs, Jr., was elected Chairman.

Ernest F. Tarbox was elected Secretary.

The following residents of Precinct Four were elected to fill the vacancies.

Ralph H. Carlisle, 112 Essex St., receiving 14 votes; Albert B. Brazis, 7 Hood St., receiving 11 votes.

Signed:

EDWARD GIBBS, JR.,
Chairman.

ERNEST F. TARBOX,
Secretary.

Viola G. Wilson,
Town Clerk.

We hereby accept the office of Town Meeting Members of Precinct Four to fill the vacancies until the next Annual Election.

Signed:

RALPH H. CARLISLE,
ALBERT B. BRAZIS.

A true copy. Attest:

VIOLA G. WILSON,
Town Clerk.

ADJOURNED ANNUAL TOWN MEETING

April 5, 1937.

The meeting was called to order at 8:00 P. M. by the Moderator, Herbert P. Mason.

A count of the members was taken. A quorum was found to be present at 8:25 P. M.

The salute to the flag was given.

The reading of the records of the previous meeting was waived by unanimous consent.

Notice was given to reconsider Article 54, at 8:25 P. M.

Voted: to reconsider Article 54 at 9:14 P. M. Yeas 56.

Report of the Planning Board on Article 54.

After advertisement in the Saugus Herald issue of March 5, 1937, the Planning Board held a public hearing on article 54 in the office of the Board of Selectmen, Town Hall, on March 11, 1937.

After considering all facts presented, the board recommends that lot A-28 of assessors plan 1036 be rezoned for business purposes.

By M. EDWARD HAYES,
Chairman.

Notice of Hearing

The Planning Board will hold a public hearing on Article fifty-four (54) of the town meeting warrant in the Selectmen's Office, Town Hall, on Thursday, March 11, at 7:45 P. M. Said article is a petition to rezone lots A-14 and A-28 on plan 1036, located at the junction of Broadway and Lynn Fells Parkway, for business purposes.

By WILLIAM H. ROBINSON,
Secretary.

Article 54.

Voted: That the zoning map and zoning by-law be, and the same hereby is, amended so that that portion of lot A-28 on Assessors' Plan 1036 as are shown within shaded lines on plan entitled "Plan of Land in Saugus Assessors Plan 1036, Art. 54, Annual Town Meeting, March, 1937", copy of which plan hereto annexed and made a part hereof, shall be zoned for business purposes.

That portion of lot A-28 is bounded and described as follows: Beginning at a point on the westerly line of Broadway, which point is distant 500 feet southwesterly from the junction point of the southeasterly side line of the Lynn Fells Parkway and Broadway, thence the line runs southwesterly 1300 feet to Thomas Street, thence the line turns and runs westerly and southwesterly along said Thomas Street 815 feet to Forest Street; thence the line turns and runs northwesterly along said Forest Street 250 feet; thence the line turns and runs northwesterly, northerly and northeasterly in a curved line 100 feet along said Forest Street and said Parkway; thence the line runs northeasterly along said Parkway 1000 feet; thence the line turns and runs southeasterly

350 feet to Broadway and the point of beginning; be all of said measurements more or less. Yeas 79. Nays 33. 9:34 P.M.

Article 55.

Report of the Planning Board Received.

Voted: to indefinitely postpone Article 55. 9:35 P. M.

Article 57.

Received report of Golden Hill Road Committee, Appointed to Fulfill Requirements of Article Four of the Warrant for the Town Meeting of September 28, 1936.

"Your Committee, after visiting this section and consulting with the Superintendent of Public Works, decided the only feasible entrance to the Golden Hills Section from Main Street to be over the Waitt right of way to Traveller Road and along Castle Rock Road.

This route would necessitate obtaining the right to cross the line of The Eastern Massachusetts Electric Company and entail considerable expense in land takings for a right of way over other private properties. (Probably about \$5,000).

The Public Works Department estimates the minimum cost for material and labor for a gravel road with tarred surface at \$10,000.

Considering that the length of the proposed road is 2500 feet, the committee feel that this estimate is very conservative.

It is the unanimous opinion of this committee that the proposed road is not of sufficient public benefit to warrant the expenditure of such a sum at this time.

HARRY W. MERRILL,
Chairman.

GEORGE QUARMBY,
WASHINGTON L. BRYER,
GEORGE I. HULL,
ROSS E. COON, Secretary.

Voted: That the committee be dissolved.

Town Clerk.

July 21st, 1937.

At a meeting of the Emergency Finance Board of the Commonwealth, held on the 21st day of July, 1937, a majority of said Board being present, the following vote was unanimously passed:

VOTED: To approve the borrowing by the Treasurer of the Town of Saugus of the sum of Seventy Five Thousand Dollars (\$75,000.00) from the Commonwealth of Massachusetts under authority of and in accordance with the provisions of Chapter 49 of the Acts of 1933, as most recently amended by Chapter 281 of the Acts of 1936. The proceeds of this loan are to be used for the payment of Revenue loans of 1936. The notes to be given the Commonwealth for this money are to bear interest at one per cent (1%) payable at maturity.

EMERGENCY FINANCE BOARD by:

PAUL E. SOULLIERE, Chairman.

Mrs. Viola G. Wilson,
Town Clerk,
Saugus, Mass.

Dear Mrs. Wilson:

I hereby tender my resignation as Selectman of the Town of Saugus, said resignation to become effective immediately.

I take this step with extreme regret but realize that there is no alternative for an employee of the Home Owners' Loan Corporation, which has a strict rule that none of its employees can serve as elected officials while in the employ of the Corporation.

My associations this year have been most pleasant and I am very grateful to those officials and employees who have in any way assisted in my administration of town business.

Signed:

C. CARROLL CUNNINGHAM,
376 Lincoln Avenue,
Saugus, Mass.

WARRANT FOR SPECIAL TOWN MEETING**October 4, 1937**

ESSEX, SS.

To W. CHARLES SELICK, Constable of the Town of Saugus.

GREETING:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Saugus, qualified to vote in Town Elections and Town Affairs to assemble in the **TOWN HALL, on MONDAY EVENING, OCTOBER, FOURTH, Nineteen Hundred and Thirty-Seven, at Eight O'Clock** to hear and act on the following articles, viz:

Article 1. To hear and act on reports of Committees.

Art. 2. To see if the Town will adopt the following by-law or some modification thereof for the purpose of regulating billboards or other outdoor advertising devices.

Regulation of Advertising Signs and Billboards.

Section 1. Statutory Authority. In pursuance of the authority granted to the Town in Section 29 of Chapter 93 of the General Laws, and pursuant to all other provisions of law, and without relaxing any restrictions now imposed on outdoor advertising devices by Sections 29 to 33 inclusive of said chapter or by any lawful state regulations thereunder, such devices are hereby further restricted in the Town of Saugus as provided in the following sections.

Section 2. Exemptions. This by-law shall not apply to signs or other devices in or over public ways, described in Sections 1, 2 or 8, of Chapter 85, General Laws, or to signs or other devices on or in the rolling stock, stations, subways or structures of or used by common carriers, except advertising devices on bridges or

viaducts or abutments thereof. It also shall not apply to any advertising device legally permitted and maintained on the date of the taking effect of this by-law, until one year after the first day of July next following said date.

Section 3. Definitions:

"Advertising devices" shall mean billboards, painted bulletins, poster panels, signs, placards and other outdoor units designed to call public attention to the matter displayed thereon.

"Advertising sign" or **"sign"** shall mean any outdoor advertising device.

"Sign-board" shall mean any structure designed for displaying an outdoor advertisement.

"Highway" or **"street"** shall mean any public way twenty feet or more in width.

"Public park" shall mean a piece of public land of at least five thousand square feet set apart for beauty and public enjoyment.

"Public reservation" shall mean a piece of public land set apart for recreational use, as a state or municipal forest, as a protection to a public water supply, as a memorial, or cemetery, or as a place of unusual scenic or historical interest.

"Permitted" shall mean authorized by an official permit.

"Display" shall mean to make or maintain visible from any highway, public park or reservation.

"Area" of a sign or sign-board shall mean the area of the face view of the entire device, including all attachments except supports and lattice at the base thereof.

"Residential district" shall mean any area zoned as residential.

"Non-conforming business" shall mean a business located in a residential or rural district other than such

rural business as farming or the raising and sale on the same premises of farm, garden or orchard products.

"Lawful sign" shall mean any outdoor advertising device not prohibited by any provision of law or by any lawful state regulation.

"Accessory sign" shall mean any outdoor advertising device which carries only advertisements strictly incidental and subordinate to a principal use of the premises on which it is located, including signs indicating business transacted or goods sold or produced on the premises or an occupant thereof, but not including any sign which is rented or controlled by any party except the owner or occupant of the premises.

"Sign on a wall" shall mean a sign closely attached throughout to and facing with that wall, or on a window or door therein.

"Lot" shall mean a plot of ground containing and devoted to the purposes of a building, or laid out to contain a building, with all required open spaces; or a tract of unbuilt, undivided land under one ownership.

Section 4. Prohibition. No person, firm, association, or corporation, except the owner or a tenant occupant of the premises, shall be permitted or allowed to erect, display or maintain any billboard or other outdoor advertising device thereon except in pursuance of written authority from such owner or tenant and unless either the name and address of the party holding such authority or a lawful permit number from the state licensing authority be displayed on such device.

No billboard or other outdoor advertising device shall be erected, displayed, or maintained:

- (a) Upon any rock, tree, fence or pole;
- (b) Within one hundred feet of any church, public building, monument or memorial, or within three hundred feet of any public park, playground, or public reservation, if within view from any portion

thereof; except that this provision shall not apply to accessory signs on the walls of buildings.

- (c) If it contains any obscene, indecent or immoral matter;
- (d) Unless all parts and attachments and the ground about the base thereof are kept in neat and safe condition.

Section 5. General Restrictions. No advertising sign or signboard shall be permitted or allowed to be so located as to obstruct a view between any points on connecting streets within fifty feet of a corner of the rights of way; or to extend more than twenty feet above the surface on which it stands or to obstruct any door, window or fire escape on a building; or, if on a roof or wall of a building to extend above the legal limit of height for such a building or wall, or, in a residential district, to extend more than six inches nearer to any boundary of the lot or premises on which it is located than it would be lawful to maintain a building, except as provided in paragraph (c) of Section 6.

Section 6. Restrictions in Residential District. No person, firm, association or corporation shall erect, display or maintain, or allow to be displayed or maintained on his or its property, in a residential district, any billboard or other outdoor advertising device, except devices specified in paragraphs (a) (b) (c) and (d) of this section.

- (a) Any lawful accessory sign or signs not exceeding five square feet in aggregate area on any one building or lot; or any lawful sign or signs advertising only the sale or rental of the premises, not exceeding a total area of ten square feet; or, on the premises of any public building, public recreation ground, farm, garden, tree-nursery or forest, any lawful accessory signs not exceeding all together fifteen square feet in area within the limits of said premises; or any lawful accessory signs on the

front wall of any building occupied by a non-conforming business.

- (b) Any lawful sign displayed by the town, or any sign displayed by the United States, the state or the county relative to government business.
- (c) At any boundary line of the town a lawful sign not exceeding five square feet in area indicating the meetings of any civic organization located therein.
- (d) On property owned or principally occupied by a religious, civic or charitable organization, association of war veterans or the like, any lawful accessory sign displayed by written permission of the Selectmen, with approval of the inspector of buildings if any, for a limited period of not exceeding sixty days.

Section 7. Administration. Whenever notice of an application to a state authority for a permit for an advertising device to be erected or displayed in the town is received by the Town Clerk or any other Town official, he shall immediately transmit it to the Inspector of Buildings (or other officer charged with the administration of this by-law). Such officer, or, in the lack of other responsible officer, the Town Clerk, shall thereupon make an examination of the case and, as promptly as possible, within thirty days of the receipt of the application by the Town, shall send written notice to the state authority to whom the application is addressed, stating whether or not the proposed advertising device would violate any provisions of this by-law, and, if he finds such violation, specifying what provisions would be violated. In case of such violation, he shall send like notice also to the applicant and to the owner or tenant of the proposed location of the device.

Any person desiring to erect a sign in the town may file a description thereof and of its proposed location with the officer charged with the enforcement of this by-law, who shall thereupon make an examination of the case and shall give written notice to the applicant

whether or not the proposed advertising would violate any provision of this by-law, and if so, what provision.

Said officer shall preserve for record all descriptions, notices of application, letters and other papers received by him and copies of all notices issued and letters sent by him relating to out-door advertising.

Section 8. Penalties and Enforcement. The selectmen or any officers charged with the enforcement of this by-law shall give written notice of any violation of Sections 4, 5 or 6 of this by-law to the party violating the same and to the owner or tenant of the property concerned, with orders to remove promptly any device in violation thereof, and shall cause any party who continues such violation for fifteen days after such notice to be prosecuted; shall pursue appropriate legal processes to restrain the erection or maintenance of devices in violation of this by-law and to cause their removal or abatement in accordance with Chapter 93, Sections 29, 31 and 33; and shall also notify the state regulatory authority of outdoor advertising of any known violations of lawful state regulations that come to his notice.

Section 9. If any provision of this by-law is declared unconstitutional or illegal by any Court, the validity of the remaining provisions shall not be affected thereby.

Section 10. No provision of this by-law shall be construed in such a manner as to be inconsistent with the rules and regulations now or hereafter in force, concerning outdoor advertising of any state authority having jurisdiction;

agreeable to the petition of the Planning Board.

Art. 3. To see if the Town will vote to adopt the following by-law:

Section 1. No person, either by himself or by his employees, shall engage in the distribution of hand bills or other printed matter, intended exclusively for advertising purposes, within the Town of Saugus, or go

about or send employees about in the streets, alleys and public places in said Town for the purpose of such distribution without first having obtained a license so to do from the Board of Selectmen of said Town. Said license may contain such conditions as may be deemed expedient and shall be revokable at the pleasure of said board. Any person so licensed may send out employees, for whom he shall be responsible, provided that no such employee shall be less than sixteen (16) years of age.

Section 2. Every license granted under the provisions hereof unless sooner revoked, shall expire on the first day of May after the date thereof, and every person so licensed shall be required to leave with the Chief of Police a sample of each handbill or other piece of advertising matter before distributing the same. The fee for every license granted under the provisions hereof shall be five dollars (\$5.00) per annum.

Section 3. Any person offending against any of the provisions of this ordinance shall be subject to a fine not exceeding twenty dollars (\$20.00) for each offence.

Section 4. All by-laws or parts of by-laws inconsistent herewith are repealed;

agreeable to the petition of Arthur P. Smith and others.

Art. 4. To see if the Town will adopt a by-law providing that the existing Board of Appeals under the building and zoning by-law shall be the Board of Appeals under Section 811 of Chapter 211 Acts of 1936. Planning Board.

Art. 5. Voted that the Board of Playground Commissioners be authorized to petition the General Court to enact the following: That the land in the Town of Saugus known as Stackpole's Field, under the jurisdiction of the Board of Playground Commissioners of said Town, may be used as an enclosed athletic field. Said board shall establish and maintain said athletic field, with suitable equipment, and may in their discretion permit its use for athletic games and other entertainments of a public nature, to which an admission fee

may be charged, upon such terms and conditions as said Playground Commissioners may impose; or to see what action the Town will take in the matter, agreeable to the petition of the Board of Playground Commissioners.

Art. 6. To see if the Town will vote to instruct its representatives in the General Court to introduce legislation in that body which will permit the Town to place the office of Building Inspector under the provisions of Civil Service. Planning Board.

Art. 7. To see if the Town will authorize the Board of Selectmen to establish a minimum wage rate of 70 cents (seventy cents) per hour for all Town laborers hired by all Town Departments, and to have added to that rate a cost of living adjustment which is declared every three months by the indices of the United States Division of Labor; or to see what action the Town will take in the matter, agreeable to the petition of John J. Bucchiere and others.

Art. 8. To see if the Town will vote to amend the Zoning By-Law and the Zoning Map so that the property shown as Lots numbered A-520, A-20, A-21, A-22, A-23, A-537, A-530, A-40, A-41, A-42, A-43, A-44, A-533, A-534, A-535, A-536 on Assessors' Plan 2502 and Lots numbered A-20, A-21, A-22, A-23, A-537, A-539, A-40, A-41, A-42, A-43, A-45, A-46 on Assessors' Plan 2053, said land being located at the junction of Broadway, Felton Street, and the Frank P. Bennett Highway, be zoned for business, or to see what action the Town will take in the matter.

Art. 9. To see if the Town will vote to authorize the Selectmen to purchase or take by eminent domain for street purposes the following parcels of land for the purpose of extending Smith Road from its present terminus to Clifton Avenue, viz:

A parcel of land shown as lot 735, A-58, plan 2012, on file in the Assessors' Office, bounded and described as follows: Beginning at the northwest corner of Clifton Avenue, and Oak Street, running north by Oak Street 136.6 feet west

by land of Clement Smith, et al 25.4 feet, south by land of Raddin, 140.7 feet, thence east by Clifton Avenue, 25 feet to the point of beginning, containing 2466 square feet, more or less;

Also another parcel of land shown as lot 736, A-59, plan 2012, on file in the Assessors' Office, bounded and described as follows: Beginning at a point on Clifton Avenue, and running north by land of Stames, 140.7 feet, thence west by land of Smith 25.4 feet, thence south by land of Kanellopoulos 114.9 feet, thence east by Clifton Avenue, 25 feet to the point of beginning, containing 3570 feet, more or less;

Also another parcel of land shown as lot 737, A-60, plan 2021, on file in the Assessors' Office, bounded and described as follows: Beginning at a point on Clifton Avenue and running north by land of Raddin 144.9 feet, thence west by land of owners unknown 25.4 feet, thence south by land of Blamy 49 feet, thence east by Clifton Avenue, 25 feet to the point of beginning, containing 3673 square feet, more or less;

Also another parcel of land shown as lot A-96, plan 2012 on file in the Assessors' Office, the same being a strip of land two feet in width and 40 feet in length, containing 80 square feet, and being situated at the easterly end of Smith Road and abutting on lots A-58, 59, 60 on plan on file in the Assessors' Office and appropriate a sum of money for such purchase or for damages for takings; or to see what action the Town will take in the matter, agreeable to the petition of the Planning Board.

Art. 10. To see if the Town will vote under authority granted by Chapter 107 of The Acts of 1937 to appropriate the sum of \$5,000, the same to be expended for Federal Emergency Unemployment Relief Projects and to authorize the Treasurer of the Town to issue bonds or notes therefor which shall bear on the face the words "Town of Saugus Municipal Relief Loan Acts of 1937." Board of Selectmen.

Art. 10-A. To see if the Town will vote to transfer from the sum of \$3,500 appropriated at the annual town meeting

for concrete bleachers at Stackpole's Field, \$2,500 to the general WPA account. Board of Selectmen.

Art. 11. To see if the Town will vote to appropriate the sum of \$800 for the purpose of laying 250 feet of water main on Prospect Avenue; or to see what action the Town will take in the matter, agreeable to the petition of Achillo De Fronzo and others.

Art. 12. To see if the Town will vote to amend the zoning by-law and the zoning map so that property shown as lot A-4 on Plan 2030 on file in the Assessors' Office, said land being located on the Newburyport Turnpike, at 681 Broadway, shall be zoned for business purposes; agreeable to the petition of Henry Gibbs and others.

Art. 13. To see if the Town will vote to amend the Zoning Plan and Zoning By-Laws so that the property shown as lots A-872 and A-271 on Broadway and Lots A-289 and A-288 on Bow St. on Assessors' plan 1042, be zoned for business; or to see what action the Town will take in the matter, agreeable to the petition of Clement Fearn and others.

Art. 14. To see if the Town will appropriate a sum not exceeding \$500.00 for action through the Courts to establish and assess for damages sustained to the Town of Saugus caused by illegal excavations and to instruct the Board of Selectmen to institute legal proceedings upon passage of this article, agreeable to the petition of Walter S. Dyer and others.

Article 15. To see if the Town will vote to amend the Zoning By-law so that the first sentence of Section 17-A shall read as follows:

"Section 17-A. The removal for sale or for any purpose other than construction upon the location involved, of sod, loam, sand, gravel and stone from single or general residence districts shall be deemed non-conforming use of premises." Planning Board.

Art. 16. To see if the Town will vote to amend the zoning Map and the Zoning By-Law so that the property on the Lynn Fells Parkway shown as Lot 74, Section A, now zoned for business purposes, shall hereafter be zoned as residential. Planning Board.

Art. 17. To see if the Town will vote to amend Section 17-A of the Zoning By-Law by inserting after the words, "shall be made a part of the permit" a new phrase as follows, "The board shall require of the petitioner a suitable bond or surety to secure the proper compliance of conditions as laid down by the Selectmen." Planning Board.

Art. 18. To see if the Town will vote to amend the By-Laws of the Town by inserting therein a new section as follows:

"Persons, firms or corporations conducting overnight cabins, camps or lodging places shall keep and maintain, or cause to be kept and maintained therein a register in which shall be inscribed the true name of each and every person renting or occupying such cabin, camp, or room. Such register shall be signed by the person renting such cabin, camp or room or by someone under his direction. The proprietor or his agent shall write opposite each name the number or name of each cabin, camp or room assigned to and occupied by each guest; also he or his agent shall enter the state license number of any automobile being used or operated by the registrant. The proprietor or his agent shall keep and preserve the record showing the date of registration and the time when the registrant entered and quit the cabin, camp or room. Any violation of this section of the by-laws shall be subject to a fine of twenty dollars. A copy of this by-law shall be conspicuously placed in each cabin, camp or lodging place as mentioned above." Planning Board.

Art. 19. To see if the Town will vote to amend the zoning By-Law and the zoning map of the Town of Saugus for

business purposes; a certain parcel of land, being a part of lot A-35 as shown on plan number 2014 on file at the Assessors' Office; bounded northerly by Lincoln Avenue one hundred feet, easterly by the remaining portion of lot A-35 one hundred and eight feet, southerly by the remaining portion of lot A-35 one hundred feet and westerly by lots A-2 and A-3 as shown on said plan one hundred and eight feet; or to see what action the Town will take in the matter, agreeable to the petition of Chester S. Nickerson and others.

Art. 20. To see if the Town will vote to amend Section 10, Paragraph 2, of the Zoning By-Law of the Town, so that it shall read as follows: "For a one family house not under five thousand (5000) square feet, except that in the area marked 'A' west of the Newburyport Turnpike, as indicated on a map filed with the Town Clerk, 1937, the minimum area shall be ten thousand (10,000) square feet." Planning Board.

Art. 21. To see if the Town will vote to amend the zoning map and zoning by-law so that the premises situated on the Newburyport Turnpike and shown as lots A-6 on Assessors' Plan 1042 will be zoned for business, or to see what action the Town will take in the matter, agreeable to the petition of Alice E. Lewis and others.

Art. 22. To see if the Town will vote to raise and appropriate the sum of \$1000 for the improvement of Main Street; said money to be used in conjunction with any money which may be allotted by the State or County, or both, for this purpose; or take any other action thereto, agreeable to the petition of Frank B. Newhall and others .

Art. 23. To see if the Town will vote to raise and appropriate or by bond issue the sum of \$1,000 for the improvement of Central Street, in conjunction with any money which may be allotted by the State and county, or both, for this purpose, or take any action thereto. Board of Selectmen.

Art. 24. To see if the Town will vote to raise and appropriate or by bond issue the sum of \$1,000 to be used for the improvement of Essex Street, to be used with any funds which may be allotted by the State and county, or both, for this purpose, or take any other action relating thereto. Board of Selectmen.

Art. 25. To see if the Town will vote to raise and appropriate or by bond issue the sum of \$1,850 for the construction of Auburn Street. Board of Selectmen.

Art. 26. To see if the Town will vote to accept Highland Avenue in accordance with plans and profile on file with the Town Clerk. Board of Selectmen.

Art. 27. To see if the Town will vote to accept Enmore Road according to plans and profile on file with the Town Clerk. Board of Selectmen.

Art. 28. To see if the Town will vote to appropriate the sum of \$500.00 to provide suitable quarters for the Major Douglas R. Gordon Post No. 2346, Veterans of Foreign Wars, agreeable to the petition of Mark Sisson and others.

Art. 29. To see if the Town will vote to appropriate the sum of \$4,633.50 for the purpose of laying an 8" main from Essex Street to the Town Farm, along Broadway; or to see what action the Town will take in the matter, agreeable to the petition of Walter H. Penney, Francis B. Gordon and others.

Art. 30. To see if the Town will vote to amend the zoning map and zoning by-law so that the premises situated on the Newburyport Turnpike and shown as lots A-33 and A-14 on Assessors' Plan 1039 will be zoned for business, or to see what action the Town will take in the matter, agreeable to the petition of Thomas Pecukonis and others.

Art. 31. To see if the Town will vote to amend the zoning map and zoning by-law so that the premises situated on

the Newburyport Turnpike and shown as lots A-33 and A-14 on Assessors' Plan 1039 will be zoned for business; or to see what action the Town will take in the matter, agreeable to the petition of William J. Wilcox and others.

Art. 32. To see if the Town will vote to amend the By-Laws of the Town of Saugus, by striking out the amendment as adopted under Article 16 of the Warrant of the Special Town Meeting held March 16, 1936, and which was approved by the Attorney General March 20, 1936. Special Committee.

Art. 33. To see if the Town will vote to amend the Zoning By-Law by inserting under Section Twelve, the following new paragraph:

Front Yards for Business Establishments.

On all land used for business purposes on all state highways there shall be a set-back or open space of at least forty feet between the inside street line and the front of the building, or to see what action the Town will take in the matter. Planning Board.

Art. 34. To see if the Town will authorize the appointment of a committee of citizens to investigate the schools and the school system, or to see what action the Town will take in the matter. Citizens' Committee.

Art. 35. To see if the Town will vote to amend the Zoning By-Law and the Zoning Map so that the property shown as Lots numbered A-535, A-536 on Assessor's Plan 2052 and Lots numbered A-20, A-21, on Assessor's Plan 2053, said land being located at the junction of Broadway, Felton Street and the Frank P. Bennett Highway, so-called, be zoned for business, or to see what action the Town will take in the matter, agreeable to the petition of Charlotte W. Sawyer and others.

Art. 36. To see if the Town will vote to adopt the following By-Laws and Ordinances Regulating Auto-Trailer, Tourist Camp and Park Sites in the Town of Saugus:

Section 1. For the purpose of this ordinance, certain words and phrases are defined, and certain provisions shall be construed, as herein set out, unless it shall be apparent from the context that a different meaning is intended.

Section 2. Tourist Camp and Park Site Defined. A "tourist camp or park site" is any place where two or more over-night cabins, tents or trailers are located, or any premises designed or intended for the purpose of supplying to the public a location for over-night cabins, so-called, tents or trailers.

Section 3. Over-night Cabin, Tent and Automobile Trailer Defined. An "overnight cabin, tent and trailer" under this ordinance are construed to mean any building, tent, or structure, house car, or automobile trailer, used for, or adaptable to use for, living quarters.

Section 4. Unit Defined. A "unit" is a section of ground in any tourist camp used, or designed for use, as a location for a single over-night cabin, house car, tent or trailer.

Section 5. Restricted Areas. No tourist camp or trailer parking site shall be permitted to be located upon any land, park or beach land owned or controlled by the Town of Saugus, except on such spaces as shall be especially provided for the same.

Section 6. Over-Night Cabin, Tent and Trailer Regulations. No unit shall contain less than six hundred (600) square feet in area, and no unit shall be permitted to accommodate more than one (1) overnight cabin, tent or trailer.

The provisions of this section shall not, however, be construed to prohibit any property owner, residing upon his land, from accommodating auto trailers of non-paying guests; nor shall they be construed as abrogating the right of any property owner to erect overnight cabins, as they are commonly known, under the above unit rules and under such sanitary restrictions as the

Town may establish. In such cases permits must be obtained. [See Section seven. (7)].

Section 7. Tourist Camp Permit. It shall be unlawful for any person to establish, or maintain, or to permit to be established or maintained, upon any property owned or controlled by him, a tourist camp in the Town of Saugus, unless there exists a valid permit therefor granted by the Board of Health and existing in compliance with the provisions of this ordinance. The application for such a permit shall be accompanied by plans of the proposed or existing tourist camp, showing the location of all buildings, driveways, toilet facilities, baths, laundry facilities, slop sinks and other improvements, and such permit may be granted to anyone meeting the requirements as outlined. A minimum annual permit fee of ten dollars (\$10.00) per ten units or fraction thereof tourist camp shall be paid before such permit shall be issued.

Section 8. Plumbing and Sanitary Requirements. All tourists camp units shall be provided with a minimum for each sex of one (1) toilet, one (1) bath tub or shower, for every ten (10) units, or fraction thereof; a two compartment laundry tub, a slop sink and a wash basin with running water, for every ten (10) units or fraction thereof.

No dry or chemical toilet closets shall be installed or used within the limits of any tourist camp site and all such closets shall be sealed while within the limits of the Town of Saugus.

Section 9. Garbage. A sufficient number of tightly covered cans for garbage disposal shall be installed. Garbage so collected shall be deposited in the town garbage disposal area daily by the management.

Section 10. Limitation of Residence. It shall be unlawful to remain or live in any tourist camp for more than ninety days in any six months period, excepting, of course, bona fide employees.

Section 11. Record of Guests. The manager of every tourist camp shall require all persons using the same to register his name, home address and car license number. Such record shall be available at all times for inspection by the Police Department or the Board of Health.

Section 12. Lighting. Every tourist camp shall be adequately lighted by electricity.

Section 13. The Board of Health of the Town of Saugus shall have the power to promulgate rules and regulations for the enforcement of the provisions of this ordinance;

agreeable to the petition of the Board of Health.

Art. 37. That the Zoning By-Laws and Zoning Map of the Town be changed so that the land of Konrad Berthold at Lynn Fells Parkway shown as Lot A-98 on Plan 1025 on file in the Assessors' Office containing 14080 feet shall hereafter be zoned for business purposes, agreeable to the petition of Delmont E. Goding and others.

Art. 38. That the Zoning By-Laws and Zoning Map of the Town be changed so that the land of Edward B. and Elizabeth G. Carlson at 520 Broadway shown as Lot A-29 on Plan 1029 on file in the Assessors' Office containing 10600 feet shall hereafter be zoned for business purposes, agreeable to the petition of Frederick Bancroft Willis and others.

Art. 39. To see if the Town will authorize the Board of Fire Engineers to use funds now in the Fire Department expense account for the purchase of a car for the Chief of the Fire Department. Board of Fire Engineers.

Art. 40. To see if the Town will vote to raise and appropriate by bond issue, or otherwise, or by transfer from unexpended balances the sum of \$425 for a fire alarm box at Burrill and Hesper streets; one at Alden and Hesper streets, and a tapper. Board of Fire Engineers.

Art. 41. To see if the Town will vote to accept Baker street from Lincoln avenue to Western avenue, as per plans and profile on file with the Town Clerk.

Art. 42. To see if the Town will vote to accept Clifton Avenue, from Baker Street to Endicott Street, as per plan and profile on file with the Town Clerk.

Art. 43. To see if the Town will vote to accept Oak Hill road, as per plan and profile on file with the Town Clerk.

Art. 44. To see if the Town will vote to accept that portion of Western avenue as yet unaccepted, as per plan and specifications on file with the Town Clerk.

Art. 45. To see if the Town will vote to change the Zoning Map and Zoning By-Law of the Town of Saugus so that lot A-13 on Plan 2030 shall hereafter be zoned for business purposes. Board of Selectmen.

Art. 46. To see if the Town will transfer \$3,500 from the special WPA account set aside for the reconstruction of Dudley Street to the highway account to be used for an identical purpose. Board of Selectmen.

Art. 47. To see if the Town will vote to transfer \$100 from the Firemen's salaries account to the Fire Department expense account. Board of Fire Engineers.

Art. 48. To see if the Town will vote to transfer \$278.07 set aside in the general Fire Department expense account for Engineers' salaries to Fire Department expense. Board of Fire Engineers.

Art. 49. To see if the Town will vote to transfer from the Fire Department expense account the sum of \$200 to the water extension account for the purpose of extending the water mains on Allison road. Board of Selectmen.

Art. 50. To see if the Town will vote to transfer \$4,000 to the Soldiers' Relief account, same to be taken as follows:

\$3,000 from the Board of Public Welfare account and \$1,000 from the Chapter 90 maintenance account. Board of Selectmen.

Art. 51. To see if the Town will vote to transfer the sum of \$500, including \$225 from Fire Department expenses; \$150 from the insurance account, and the remainder to be transferred by the Finance Committee from the reserve fund, if they vote to do so, to the water extension account to be expended for laying 170 feet of water main on Columbus avenue, or to see what action the Town will take in the matter. Board of Selectmen.

Art. 52. To see if the Town will vote to transfer from the fire department expense account the sum of \$475 to the water extension account; the same to be used for the purpose of extending the water mains approximately 360 feet on Broadway northerly from Walden avenue. Board of Selectmen

Art. 53. To see if the Town will vote to transfer \$550. from the insurance account to the water extension account, the same to be expended for the purpose of laying a water main approximately 240 feet from Granite road west on School street, or to see what action the Town will take in the matter, agreeable to the petition of J. Arthur Raddin and others.

Art. 54. To see if the Town will vote to transfer \$480 from the loan interest account to the Pension account. Board of Selectmen.

Art. 55. To see if the Town will vote to transfer the sum of \$500 from the board of public welfare account to the infirmary account. Board of Public Welfare.

Art. 56. To see if the Town will vote to transfer the sum of \$1,000 from the \$3,500 appropriated by the annual Town meeting for the construction of cement bleachers at Stackpole's field to the Board of Playground Commissioners for the purpose of purchasing portable bleachers for Stackpole's field. Board of Selectmen.

Art. 57. To see if the Town will vote to transfer from any unexpended balance a sum to purchase a punch register. Board of Selectmen.

Art. 58. That the sum of \$447.32 be and the same is hereby appropriated for the following accounts:

Pensions	\$ 26.23
Hydrants01
Infirmary Unpaid Bills	19.33
Interest on School Bonds	105.00
Interest on Water Bonds	110.00
Interest on Welfare Notes	105.00
Interest on Fire and Police Bldg. Bonds....	81.75
Total	<hr/> \$447.32

said sum to be transferred from the Temporary Loan Interest account as recommended by the State Auditors, or to see what action the Town will take in the matter, agreeable to petition of the Town Accountant.

Art. 59. To see if the Town will vote to strike from Item 40, of Article 3, of the last annual town meeting warrant, the words "three ton truck", or to see what action the Town will take in the matter, agreeable to the petition of the Board of Selectmen.

Art. 60. To see if the Town will vote to accept Traveller Road in accordance with plans and profile on file with the Town Clerk. Board of Selectmen.

Art. 61. That the sum of \$36.00 be and the same is hereby appropriated for doctor's bills on account of injuries sustained by Patrolman Thomas F. Spencer in the line of duty, said sum to be transferred from the Temporary Loan Interest account, or to see what action the Town will take in the matter, agreeable to the petition of the Town Accountant.

Art. 62. To see if the Town will lay out a way known as Traveller Road in accordance with plan and specification filed with the Board of Selectmen, agreeable to the petition of Delmont E. Goding and others.

Art. 63. Voted that the sum of \$800 be transferred from existing balances for land damages due to land takings in connection with the laying out of a way known as Traveller Road, agreeable to the petition of Delmont E. Goding and others.

Art. 64. To see if the Town will place street lights on Centennial Avenue, agreeable to the petition of Mary McNulty and others.

Art. 65. To see if the Town will vote to re-zone the following lots for a depth of 200 feet along Broadway; Lots A-3, A-2, A-1, on Plan 1029 on file in the Assessors' Office, agreeable to the petition of Arthur R. Armstrong and others.

Art. 66. To see if the Town will allow the Board of Health to purchase an automobile for departmental use, said purchase not to exceed \$650 and to be purchased with funds of the Board of Health appropriation voted at the 1937 regular Town Meeting, or to see what action the Town wishes to take in the matter, agreeable to the petition of the Board of Health.

Art. 67. To see if the Town will vote to change the Zoning By-Law and Zoning Map of the Town of Saugus so that land shown on Assessors' Plan 2055 as lots A-8 shall be re-zoned for business purposes, agreeable to the petition of Roger M. Rich and others.

Art. 68. To see if the Town will vote to change the Zoning By-Law and Zoning Map of the Town of Saugus so that land shown on Assessors' Plan 2053 as lot A-49 shall be re-zoned for business purposes, agreeable to the petition of Roger M. Rich and others.

Art. 69. That the Zoning By-Laws and Zoning Map of the Town be changed so that the land of Mary E. Smith at

705 Broadway shown as lot A-7 on Plan 2055 on file in the Assessors' Office shall hereafter be zoned for business purposes, agreeable to the petition of Affie V. Evans and others.

Art. 70. To see if the Town will re-zone Lot A-13, Plan 2030, located at 735 Broadway, opposite Felton Street, and belonging to Grace M. Gillam, from residential to business, agreeable to the petition of Grace M. Gillam and others.

Art. 71. To see if the Town will vote to change the Zoning By-Law and Zoning Map of the Town of Saugus so that land shown on Assessors' Plan 1028 as lots A-1 containing five acres shall be re-zoned for business purposes, agreeable to the petition of James G. Smith and others.

Art. 72. To see if the Town will vote to zone for business the land of Lena Shapiro from corner of Main Street to end of lot on Newburyport Turnpike, 150 feet deep, lot No. A-18, Plan 1029, agreeable to the petition of Samuel M. Shapiro and others.

Art. 73. Voted that the action taken under Article 60 of the Annual Town Meeting of March 2, 1925, be reconsidered, and that the powers conferred by Section 14 of chapter 45 of the General Laws relating to playgrounds, shall be exercised by the Playground Commissioners, or to see what action the Town will take in the matter, agreeable to the petition of the Playground Commission.

Art. 74. Voted that the Playground Commissioners be authorized to proceed to expend the sum of three thousand, five hundred dollars (\$3,500) which was voted under article 65 of the Annual Town Meeting of 1937 for the erection of bleachers and a new football gridiron on Stackpole Field, or to see what action the Town will take in the matter, agreeable to the petition of the Playground Commission.

Art. 75. To see if the Town will vote to accept that part of Jasper Street, which is unaccepted, and identified on plans and profile on file with the Town Clerk. Board of Selectmen.

Art. 76. To see if the Town will vote to instruct the Board of Selectmen to order the Hart Bus Lines, Inc. to extend their lines from Saugus Centre to North Saugus; also to request the Eastern Massachusetts Street Railway Company to extend their lines from Saugus Centre to North Saugus, agreeable to the petition of John J. Mullen and others.

Art. 77. To see if the Town will vote to grant permission of the Eastern Massachusetts Street Railway Company to operate busses over Ballard and/or Bristow Streets to give us service direct to the Eastern Massachusetts Haymarket Square Terminal, Boston, for the convenience of 16,000 residents of our Town. The fare not to exceed twenty cents (\$.20) agreeable to the petition of John J. Mullen and others.

Art. 78. To see if the Town will vote to request the Board of Selectmen to order the Hart Bus Lines, Inc., that furnishes the transportation for the Town of Saugus, to carry the passengers on their lines to the Everett Terminal Station of the Boston Elevated Company, to give direct transportation to Boston, the fare not to exceed ten cents (\$.10).

Also, that the Eastern Massachusetts Street Railway Company line to continue all their car lines in the Town of Saugus, namely: the Clifftondale and Saugus Centre Lines direct through North Revere, over the International Highway through the East Boston Tunnel, to the Haymarket Square Terminal Station of the Eastern Massachusetts Railway Company, to give us direct service to Boston, fare not to exceed twenty cents (\$.20).

Should the above Transportation Companies refuse to agree to give the Town the requested service, it is our wish that the Boston Elevated Company be requested to give us transportation for the entire Town of Saugus by their Company direct to and from Boston, agreeable to the petition of John J. Mullen and others.

You are hereby directed to serve this WARRANT, by posting attested copies thereof at the usual places seven days, at least, before the time of holding said meeting, and to dis-

tribute copies as provided by the By-Laws at least four days before.

Hereof, fail not, and make due return of this WARRANT, with your doings thereon, to the Town Clerk, at the time and place of said meeting.

Given under our hands and Town Seal this 25th day of September A. D., nineteen hundred and thirty-seven.

WILLIAM S. ROCKHILL,
GEORGE H. QUARMBY,
Board of Selectmen.

Viola G. Wilson,
Town Clerk,
Saugus, Mass.

Dear Mrs. Wilson:

The Limited Town Meeting Members of Precinct One met in the courtroom of the Town Hall at 7:45 P. M. for the purpose of filling the vacancies caused by the resignation of Clarence Davis and the death of Walter Dyer.

Henry A. B. Peckham was elected chairman.

Walter T. Brander was elected secretary.

The following residents of Precinct One were elected to fill the vacancies:

Harold W. Humphries, receiving 16 votes.

Archie C. Cheever, receiving 14 votes.

Signed:

HENRY A. B. PECKHAM,
Chairman.

WALTER T. BRANDER,
Secretary.

Viola G. Wilson,
Town Clerk,

We hereby accept the office of Town Meeting Members of Precinct One to fill the vacancies until the next Annual Election.

Signed:

HAROLD W. HUMPHRIES,
ARCHIE C. CHEEVER.

Andrew B. Britt

Mr. Rockhill gave an oral report of progress of the majority of Postoffice Committee.

Mr. Bucchiere presented the minority report of the Postoffice Committee.

"Under the provisions of a resolution adopted by the Town Meeting on March 15, 1937, which called for the Moderator to appoint a committee to be known as the Central Post Office Committee, I one member of said committee submit to the Town Meeting of October 4, 1937, a minority report.

In November, 1936, a letter was sent to the late William P. Connery, Jr., then our elected Congressman of the Seventh Congressional District, urging the erection of a Federal Post Office Building, in that letter the importance of this building was stressed, and to its needs for the general welfare of the citizens of Saugus, Massachusetts.

In December, 1936, a letter was sent to the Postmaster General James A. Farley, stressing, and pointing out to him the fact that 17,000 citizens of the Town of Saugus, Massachusetts, deserved some consideration on the merits concerning a Federal Post Office. It was pointed out to the Postmaster General that the erection of a Central Post Office in the Town of Saugus, would in time eliminate the annual deficit that was now being incurred, and that it would help the taxpayers of our Town by attracting new residences, which in turn would mean an increase in Tax revenue, which in turn would help reduce our tax rates. It was also pointed out to the Postmaster General that party politics should not enter this matter, as if it did, it would possibly mean that the question of this Post Office would not become a reality.

In January of 1937 a reply to the above letter was received, stating the matter was sincerely appreciated, and that a survey of conditions in Saugus would be made at an early date, and that the allocations of funds for the erection of a Federal building here would receive careful consideration by the Post Office and Treasury departments this would be done in the event that the present session of Congress would make additional authorizations for the construction of public buildings, signed S. W. Purdum, Fourth Assistant Postmaster General.

Later in January of 1937, following the receipt of the information submitted by the Fourth Assistant Postmaster General concerning a survey of conditions that would be made, a letter was sent to the late Congressman William P. Connery, Jr., urging him to consult with the proper authorized officials in the matter, and to see that a survey would be made of the local conditions, which I know would show that Saugus needed a Central Post Office of its own.

In February of 1937 I received the following letter: "I called for a survey in Saugus to see if we could get a Post Office building. The Post Office inspector has made the survey and the success or failure of the request will depend upon the inspector's report, as the Post Office department will only build new buildings where conditions warrant. I shall advise you when I receive a further report. Signed, Congressman William P. Connery, Jr."

In March of 1937 the Town Meeting, through a resolution, voted to contact the following officials: Postmaster General James A. Farley; Senators David I. Walsh, Henry Cabot Lodge, Jr.; Governor Charles F. Hurley; the late Congressman William P. Connery, Jr., and members of the General Court representing the Tenth Essex District.

On April 24, 1937, S. W. Purdum, Fourth Assistant Postmaster General, was informed of the action of the Town Meeting and once again the importance of this building was stressed, and that some action had to be taken in this matter now.

In April and May of 1937, Postmaster General James A. Farley was informed by me that there had been a report published whereby the Town of Saugus had not been placed on the eligible list, due to the survey showing against the Town, which meant that there would be no Federal Post Office in Saugus, Massachusetts. Beginning at this point the campaign to have Saugus placed on the eligible list did not lag for one moment.

On August 5, 1937, a direct request was made to the Postmaster General, James A. Farley, in regards to the question of whether the Town of Saugus was placed on the eligible list or not. The following letter was received on August 12, 1937. "This project was included on the list of eligible places submitted to the committee on the item of public building construction outside of the District of Columbia. Please be assured that in the event additional allotments for such construction are authorized at this session of Congress, the Post Office department will give careful consideration to a government owned building to house the Post Office at this point. Signed S. W. Purdum, Fourth Assistant Postmaster General."

On August 15, 1937, these officials, Senators David I. Walsh, Henry Cabot Lodge, Jr., Governor Charles F. Hurley, Lawrence J. Connery, and Representative Frederick B. Willis, were sent the following telegrams: "Having been informed by the Fourth Assistant Postmaster General, S. W. Purdum, that Saugus, Massachusetts, has been placed on the list of eligibles for a new Post Office building, I ask your support in having the Appropriations Committee in this session of Congress make an allocation of funds for this project. Seventeen thousand citizens who are residents of this Town are interested in this project. It is my sincere hope that you will represent them in this important matter as it is of vital importance to the future development of my Town."

On August 17, 1937, Lawrence J. Connery informed me that he had wired the Appropriations Committee favoring and stressing the importance of this Federal Post Office building.

On August 17, 1937, Representative Frederick B. Willis notified me that he wired the Washington authorities concerning some action to be taken on this matter immediately.

On August 18, 1937, Senator David I. Walsh sent me the following letter: "I find that Saugus is on the eligible list for the construction of a new Post Office building. The appropriation covering this and other eligible projects is now pending in Congress and I assume it will be passed in a few days or so. One site in each Congressional District is selected. I find that Saugus and one other project are proposed for the Seventh Congressional District. This means that favorable action is indicated, though nothing definite can be decided until such a time as the amount allocated by Congress is known, that the number of projects that can be acted on may be decided. I assure you that I will do all in my power to be helpful in connection with the project at Saugus."

On August 18, 1937, Governor Charles F. Hurley sent a notice that he would do all he could to help Saugus get a Federal Post Office.

On August 18, 1937, Senator Henry Cabot Lodge, Jr. sent the following letter: "The third deficiency appropriation bill which is now being considered in the House of Representatives contains an item appropriating a lump sum for the construction of Federal buildings through the country. It does not, however, earmark any of the funds for the particular projects, selection being made by the Treasury-Post Office Department after the appropriation has been made. I shall be pleased to communicate with the Director of Procurement of the Treasury urging that the question of allocating sufficient funds for the Saugus Post Office building be given careful consideration. Signed, Henry Cabot Lodge, Jr."

On August 20, 1937, Senator Henry Cabot Lodge sent the following letter: "I enclose herewith a letter which I have just received from Mr. W. E. Reynolds, acting director of Procurement. The letter from Mr. Reynolds is as follows: 'Saugus which is a branch of the Post Office at Lynn, is on

the eligible list. Selections from this list will be made by the Treasury-Post Office Committee in formulating the next public building program as soon as the pending legislation providing funds therefor is enacted into law. The list referred to numbers about 1800 and the proposed authorization will permit the selection of about 380. You may be assured, however, that the needs at Saugus will be given most careful attention when the public building situation in Massachusetts is under consideration. This correspondence has been filed with the papers in this case. Signed, W. E. Reynolds, Acting Director of Procurement.' "

On August 31, 1937, the Fourth Assistant Postmaster General sent the following letter: "In this connection you are advised that as yet no funds have been made available for a Government owned building to house this postal unit. In the event it is decided at some later date to proceed with such a project, the Treasury Department will issue a public advertisement for sites in order that all interested parties may submit proposals. All bids received in response to such advertisement, if and when issued, will be given very careful consideration by the Post Office and Treasury Departments before final selection is made. Signed, S. W. Purdum, Fourth Assistant Postmaster General."

On September 5, 1937, all Washington authorities were contacted again on the matter of importance of this project for the general welfare of all citizens of the Town of Saugus, Massachusetts.

On September 5, 1937, contact was made with the Public Building Director in Washington urging the allocating of funds for this project.

On September 8, 1937, Neal A. Melick, Acting Director of Procurement, located in the Public Building Branch, made the following statement: "The authorization of \$70,000,000 recently appropriated for the Federal building construction outside the District of Columbia over a three-year period will not permit more than 380 projects to be authorized. It is expected, however, that the joint Treasury-Post Office Committee will make announcement to the press of the pro-

jects comprising this program in the very near future. Signed, Neal A. Melick, Acting Director and Assistant of Procurement."

On September 9, 1937, I received the following telegram: "I wish to inform you that \$80,000 has been appropriated for the construction of a Post Office in the Town of Saugus, Massachusetts. Signed, David I. Walsh. Also signed by Lawrence J. Connery."

On September 23, 1937, I was informed by the Lynn Postmaster, Thomas J. Wilkinson, that lots of the following dimensions were desired: corner lots, 125-foot frontage, with a 180-foot depth; interior lots, 150-foot frontage, 180-foot depth; also that bids for the site would be opened on October 9, 1937, in the Lynn Post Office at 9 A.M.

On September 27, 1937, the following letter was sent to me: "At the present time it is impossible to advise definitely as to the type of structure contemplated for this project. The allocation of \$80,000 however, is predicated upon the acquisition of a site and the erection of a basement and one-story structure primarily for the use of the Postal service, this building to be brick-faced and stone-trimmed. Signed, W. E. Reynolds, Assistant Director of Procurement."

On September 28, 1937, I was informed by Postmaster Thomas J. Wilkinson of Lynn, that all proposals submitted, would be opened by him at 9 o'clock A.M. on Saturday, October 9, 1937, also that representatives of Lynn and Saugus newspapers would be invited in opening of all proposals, and that they will be given full information respecting the proposals submitted. After the proposals have been opened the Postmaster will retain them for delivery to the Site Agent of the Treasury Department who will consider pertinent points of interest such as location of present post office, location of principal retail business center, location of principal retail shopping center, locations of railroad stations, bus terminals, and banks, center of population, center of population served by the Town letter carriers, geographical center of Town carriers, district, etc. The selection of this site

will be made based on the report of the Site Agent of the Treasury Department.

On September 28, 1937, in answer to my request, the following statement was made: "The plans and specifications for the proposed new post office come under the jurisdiction of the Treasury Department but I shall bring your request to the attention of the Hon. C. J. Peoples, Director of Procurement at that department. Signed, S. W. Purdum, Fourth Assistant Postmaster General."

On September 29, 1937, in answer to a telegram that was sent to the Hon C. J. Peoples, Director of Procurement, the following answer was received: "Relative to your desire for specifications of this new building, this is not possible as yet, until data from the Post Office Department is furnished. But before any design is developed, careful consideration will be given to local architectural traditions and conditions so that the complete structure will be in complete accord with its surroundings and a distinct contribution to the development of the community. Signed, Neal A. Melick, Assistant Director of Procurement."

JOHN J. BUCCHIERE.

A motion was made and it was carried that both reports be accepted with the resolution. 9:00 P. M.

A motion was made to take Article 10 out of order. Motion was carried. Yeas 129. Nays 0.

Article 10.

September 11, 1937.

To Whom It May Concern:

This is to certify that the following is a true copy of the Article and voted motion under Article 9 of the Special Town Meeting of July 29, 1929, at an adjourned session held November 4, 1929:

Art. 9. To see if the Town will vote to amend the Zoning Map of the Town of Saugus as the same constitutes and is part of the Zoning Law of the Town of Saugus, together with said Zoning Law, so that the property situated on the westerly side of Central Street, between Columbus Avenue and Main Street, now zoned "single residence" shall be rezoned "business."

Article 9. Rezoning.

Voted: That the Zoning Map of the Town of Saugus as the same constitutes and is part of the Zoning Law of the Town of Saugus, together with said Zoning Law, with relation to that property situated on the westerly side of Central Street, between Columbus Avenue and Main Street, which property is now zoned "single residence" be, and the same hereby is amended, so that said property shall be changed to and is zoned "Business."

Adopted. Yeas 108. Nays 0.

A true copy. Attest:

VIOLA G. WILSON,
Town Clerk.

I certify that this is a correct copy of the zoning law, duly approved on December 2, 1929, by Joseph E. Warner, Attorney General, which is in the files of the Attorney General's office.

PAUL A. DEVER,
Attorney General.

October 8, 1937.

Mrs. Viola G. Wilson, Town Clerk
Town Hall
Saugus, Mass.

Dear Mrs. Wilson:

This is to notify you that I have appointed and do hereby appoint the following as members of the committee authorized by a resolution adopted at the Special Town Meeting of October 4th to prepare and bring in resolutions relative to the services performed by Hon. Frank P. Bennett as Moderator:

HENRY A. B. PECKHAM
PAUL A. HALEY
JUDGE WILLIAM E. LUDDEN

Will you kindly notify them of their appointment.

Very truly yours,

HERBERT P. MASON,
Town Moderator.

Voted to take up Article 51 out of order.

Article 51. Voted: that the sum of \$375.00 be, and the same is, hereby transferred to the Water Extension Account to be expended for laying approximately 170 feet of Water Mains on Columbus Avenue, from the following sources: \$225.00 from Fire Department Expense Account, and \$150.00 from the Insurance Account. 10:03 P. M.

Voted to take up Article 52 out of order.

Article 52. Voted: that the sum of \$475.00 be, and the same is, hereby transferred from the Fire Department Expense Account, the same to be used for extending water mains approximately 360 feet on Broadway. 10:05 P. M.

Meeting adjourned at 10:30.

Article 3 is pending before the meeting.

A true copy. Attest:

VIOLA G. WILLSON,
Town Clerk.

Essex, ss.

To W. Charles Sellick, Constable of the Town of Saugus.

Greeting.

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Saugus, qualified to vote in Town Elections and Town Affairs, to assemble in the Town Hall, on Monday Evening, October Twenty-Fifth, Nineteen Hundred and Thirty-Seven, at Eight O'clock, to hear and act on the following articles, viz:

Article 1. To hear and act on Reports of Committees.

Article 2. To see if the Town will vote to accept Highland Avenue and Highland Avenue extension, in accordance

with plans and profile on file with the Town Clerk. Board of Selectmen.

Article 3. To see if the Town will vote to accept Baker Street from Lincoln Avenue to Western Avenue, as per plans and profile on file with the Town Clerk.

Article 4. To see if the Town will vote to accept Clifton Avenue, from Baker Street to Endicott Street, as per plan and profile on file with the Town Clerk.

Article 5. To see if the Town will vote to accept Oak Hill Road, as per plan and profile on file with the Town Clerk.

Article 6. To see if the Town will vote to accept that portion of Western Avenue as yet unaccepted, as per plan and specifications on file with the Town Clerk.

Article 7. To see if the Town will vote to change the Zoning Laws and Zoning Map so that area in the following parcel of land may henceforth be used for business purposes.

Description: Commencing at a point on the Northerly line of Howard Street, said point being a stone bound situated in the driveway to the house of one Manfredonia and marking the beginning of a piece of tangent, thence the line runs South $69^{\circ} 21'$ West along said north line of Howard Street, a distance of approximately one hundred thirty-seven and forty-four one hundredths (137.44) feet to intersection with Westerly line of said Manfredonia property, thence North $2^{\circ} 56'$ East a distance of two hundred forty-three and fifty-eight one hundredths (243.58) feet along Westerly line of above property to a post, thence North $88^{\circ} 38'$ East a distance of one hundred ninety-one and twenty-four one hundredths (191.24) feet, thence South $1^{\circ} 22'$ East a distance of one hundred seventy-three and fifty-eight one hundredths (173.58) feet to the Northerly line of said Howard Street, thence turning and running Westerly along North line of Howard Street by a curve with radius of eight hundred sixty feet, a distance of approximately eighty-three

(83) feet, more or less, to point of beginning (SB) and containing 40,726 square feet, more or less; or to see what action the Town will take in the matter, agreeable to the petition of Frederick Bancroft Willis and others.

You are hereby directed to serve this Warrant, by posting attested copies thereof at the usual places seven days, at least, before the time of holding said meeting, and to distribute copies as provided by the By-Laws at least four days before.

Hereof, fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk, at the time and place of meeting.

Given under our hands and Town Seal this 15th day of October, A. D., Nineteen Hundred and Thirty-seven.

WILLIAM S. ROCKHILL,
GEORGE H. QUARMBY,
Board of Selectmen.

Report of the Planning Board on Article 35

After advertisement in the Lynn Item, issue of September 27, 1937, the Planning Board held a public hearing on Article 35, of the Special Town Meeting Warrant of October 4, 1937, in the Town Hall on September 30, 1937. After consideration of the facts presented, the Board recommends the passage of the Article.

M. EDWARD HAYES, Chairman.

Notice of Hearing

The Planning Board will hold a public hearing on Article 35 of the Special Town Meeting Warrant of October 4, 1937, in the office of the Selectmen, Town Hall, on Thursday, September 30, 1937, at 7:30 P. M. Said article is the petition of Charlotte W. Sawyer and others to rezone the following described land for business purposes: lots A-535 and A-536 of Assessors' Plan 2052, and lots A-20 and A-21 of Assessors' Plan 2053, being located at the junction of Felton Street, Broadway, and the Frank P. Bennett Highway.

By WILLIAM H. ROBINSON, Clerk.

Article 35. Voted: that the Town hereby amends the Zoning By-Law and the Zoning Map so that the property shown as Lots numbered A-535, A-536 on Assessors' Plan 2052 and lots numbered A-20, A-21 on Assessors' Plan 2053, said land being located at the junction of Broadway, Felton Street and the Frank P. Bennett Highway, is zoned for business. 10:19 P. M.

Article 9. Voted to indefinitely postpone. 10:12 P. M.

Article 11. Voted to indefinitely postpone. 10:13 P. M.

Article 12 is pending before the meeting.

Meeting adjourned at 10:30.

A true copy. Attest:

VIOLA G. WILSON,
Town Clerk.

September 21, 1937.

To Whom It May Concern:

This is to certify that the following is a true copy of the voted motion under Article 8 of the Special Town Meeting Warrant of September 28, 1936:

Article 8.

Voted: that the Town accept Chapter 211 of the Acts of 1936 and establish thereunder a Planning Board of Five members. 9:30 P. M.

A true copy. Attest:

VIOLA G. WILSON,
Town Clerk.

Salem, September 22, 1937

Report of Planning Board on Article 12

After advertisement in the Lynn Item, issue of September 27, 1937, the Planning Board held a public hearing on Article 12 of the Special Town Meeting Warrant of October 4, 1937 in the Town Hall on September 29, 1937. After discussion the board does not recommend the passage of the article.

M. EDWARD HAYES,
Chairman.

Report of Hearing

The Planning Board will hold a public hearing on Article 12 of the Special Town Meeting Warrant of October 4, 1937 in the old courtroom of the Town Hall on Wednesday, September 29, 1937 at 7:30 P. M. Said article is the petition of Henry Gibbs and others to rezone land shown on Assessors Plan 2030 as lot A-4 for business purposes. The land is located at 681 Broadway.

By WILLIAM H. ROBINSON,
Clerk.

Article 12.

Voted to amend the Zoning By-Law and the Zoning Map so that property shown as lot A-4 on Plan 2030 on file in the Assessors' Office, said land being located on the Newburyport Turnpike or Broadway at No. 681 be zoned for business purposes, for a depth of 200 feet from line of State Highway. 9:21 P. M.

Article 13.

Report of Planning Board on Article 13

After advertisement in the Lynn Item, issue of September 27, 1937, the Planning Board held a public hearing on Article 13 of the Special Town Meeting Warrant of October 4, 1937, in the Town Hall on September 29, 1937. After discussion the board does not recommend the passage of the article.

Notice of Hearing

The Planning Board will hold a public hearing on Article 13 of the Special Town Meeting Warrant of October 4, 1937 in the old court room of the Town Hall on Wednesday, September 29, at 7:30 P. M. Said article is the petition of Clement Fearn and others to rezone the following described land for business purposes: Lots A-872 and A-271 of As-

sessors' Plan 1042 on Broadway and lots A-288 and A-289 of same plan on Bow Street.

By WILLIAM H. ROBINSON,
Clerk.

Article 13.

Voted, that the Zoning By-Laws and Zoning Map be, and the same hereby is, amended so that the property shown as lots A-872 and A-271 on Broadway and lots A-289 and A-288 on Bow Street, which lots are shown on Assessors' Plan 1042 and on a plan on file with the Planning Board, be zoned for business. 9:31 P. M.

Article 14.

Voted: That the Moderator appoint a committee of three to investigate and report at the next annual town meeting with articles to cover any liability to the inhabitants of the town of Saugus for any illegal excavations within the town. 9:34 P. M.

Article 15.

Voted to refer Article 15 to the same committee as appointed under Article 14. 10:27 P. M.

At this time a motion was made to adjourn at 10:35.

Report of Planning Board Under Article 15

After advertisement in the Lynn Item, issue of September 27, 1937, the Planning Board held a public hearing on Article 15 of the Special Town Meeting Warrant of October 4, 1937 in the Town Hall on September 29, 1937. After consideration of the facts the board recommends the following change in Section 17-A of the Zoning By-Law; That the first sentence of the section be changed to read as follows:

Section 17-A. The removal for sale, or for any purpose other than construction upon the location involved, of sod, loam, sand, gravel and stone from single or general residence districts shall be prohibited.

M. EDWARD HAYES,
Chairman.

Notice of Hearing

The Planning Board will hold a public hearing on Article 15 of the Special Town Meeting Warrant of October 4, 1937 in the old courtroom of the Town Hall on Wednesday, September 29 at 7:30 P. M. Said article is the petition of the Planning Board to amend the Zoning By-Law so that the first sentence of Section 17-A shall read as follows:

Section 17A. The removal for sale or for any purpose other than construction upon the location involved, of sod, loam, sand, gravel, and stone from single or general residence districts shall be deemed non-conforming use of premises.

By WILLIAM H. ROBINSON,
Clerk.

Notice of Hearing

The Planning Board will hold a Public Hearing on Article 16 of the Special Town Meeting Warrant of October 4, 1937 in the old courtroom of the Town Hall on Wednesday, September 29, at 7:30 P. M. Said article is the petition of the Planning Board to rezone the following described land, Lot 74, Section A, from business to residential.

By WILLIAM H. ROBINSON,
Clerk.

Report of the Planning Board on Article 16

After advertisement in the Lynn Item, issue of September 27, 1937, the Planning Board held a public hearing on Article 16 of the Special Town Meeting Warrant of October 4, 1937 in the Town Hall on September 29, 1937. After discussion the board recommends the passage of the article.

M. EDWARD HAYES,
Chairman.

Voted: That the Town amend the Zoning By-Law and Zoning Map so that the following described land, now zoned for business purposes, shall hereafter be zoned for residential purposes; Section A of lot 74, being located on the Lynn Fells Parkway.

Yeas 88 Nays 0 9:34 P. M.

Voted to take up Article 34 out of order. 9:40 P. M.

Article 34.

Voted: That a committee of five Citizens be appointed by the Moderator to investigate the schools and school system of the Town; said committee to have full authority to examine all school and school committee records whatsoever, especially those having to do with the election, re-election, failure to re-elect and the discharge of teachers including coaches, and those having to do with the marking or grading, and attendance of the pupils in the Junior and Senior High Schools, but without, in any way, limiting the authority of said Committee to investigate and to inquire into any and all matters pertaining to the schools and school system; and that said committee be requested to report at the next Annual Town Meeting, with recommendations.

Yeas 49 Nays 34 10:09 P. M.

Voted to take Article 36 out of order.

Article 36.

Voted that the Town do adopt the following By-Laws and Ordinances Regulating Auto-Trailer, Tourist Camp and Park Sites in the Town of Saugus:

Section 1. For the the purpose of this ordinance, certain words and phrases are defined, and certain provisions shall be construed, as herein set out, unless it shall be apparent from the context that a different meaning is intended.

Section 2. Tourist Camp and Park Site Defined. A "tourist camp or park site" is any place where two or more over-night cabins, tents or trailers are located, or any premises designed or intended for the purpose of supplying to the public a location for over-night cabins, so-called, tents or trailers.

Section 3. Over-night Cabin, Tent and Automobile Trailer Defined. An "overnight cabin, tent and trailer" under this ordinance are construed to mean any building, tent, or structure, house car, or automobile trailer, used for, or adaptable to use for, living quarters.

Section 4. Unit Defined. A "unit" is a section of ground in any tourist camp used, or designed for use, as a location for a single over-night cabin, house car, tent or trailer.

Section 5. Restricted Areas. No tourist camp or trailer parking site shall be permitted to be located upon any land, park or beach land owned or controlled by the Town of Saugus, except on such spaces as shall be especially provided for the same.

Section 6. Over-Night Cabins, Tent and Trailer Regulations. No unit shall contain less than six hundred (600) square feet in area, and no unit shall be permitted to accommodate more than one (1) overnight cabin, tent or trailer.

The provisions of this section shall not, however, be construed to prohibit any property owner, residing upon his land, from accommodating auto trailers of non-paying guests; nor shall they be construed as abrogating the right of any property owner to erect overnight cabins, as they are commonly known, under the above unit rules and under such sanitary restrictions as the Town may establish. In such cases permits must be obtained. [See Section seven. (7)].

Section 7. Tourist Camp Permit. It shall be unlawful for any person to establish, or maintain, or to permit to be established or maintained, upon any property owned or controlled by him, a tourist camp in the Town of Saugus, unless there exists a valid permit therefor granted by the Board of Health and existing in compliance with the provisions of this ordinance. The application for such a permit shall be accompanied by plans of the proposed or existing tourist camp, showing the location of all buildings, driveways, toilet facilities, baths, laundry facilities, slop sinks and other improvements, and such permit may be granted to anyone meeting the requirements as outlined. A minimum annual permit fee of ten dollars (\$10.00) per ten unit or fraction

thereof tourist camp shall be paid before such permit shall be issued.

Section 8. Plumbing and Sanitary Requirements.

All tourists camp units shall be provided with a minimum for each sex of one (1) toilet, one (1) bath tub or shower, for every ten (10) units, or fraction thereof; a two compartment laundry tub, a slop sink and a wash basin with running water, for every ten (10) units or fraction thereof.

No dry or chemical toilet closets shall be installed or used within the limits of any tourist camp site and all such closets shall be sealed while within the limits of the Town of Saugus.

Section 9. Garbage. A sufficient number of tightly covered cans for garbage disposal shall be installed. Garbage so collected shall be deposited in the town garbage disposal area daily by the management.

Section 10. Limitation of Residence. It shall be unlawful to remain or live in any tourist camp for more than ninety days in any six months period, excepting, of course, bona fide employees.

Section 11. Record of Guests. "Persons, firms or corporations conducting overnight cabins, camps or lodging places shall keep and maintain, or cause to be kept and maintained therein a register in which shall be inscribed the true name of each and every person renting or occupying such cabin, camp or room. Such register shall be signed by the person renting such cabin, camp or room or by someone under his direction. The proprietor or his agent shall write opposite each name the number or name of each cabin, camp or room assigned to and occupied by each guest; also he or his agent shall enter the state license number of any automobile being used or operated by the registrant. The proprietor or his agent shall keep and preserve the record showing the date of registration and the time when the registrant entered and quit the cabin, camp or room. Any violation of this section of the by-laws shall be subject to a fine of twenty

dollars. A copy of this by-law shall be conspicuously placed in each cabin, camp or lodging place as mentioned above." Such record shall be available at all times for inspection by the Police Department or the Board of Health.

Section 12. Lighting. Every tourist camp shall be adequately lighted by electricity.

Section 13. The Board of Health of the Town of Saugus shall have the power to promulgate rules and regulations for the enforcement of the provisions of this ordinance;

Viola G. Wilson
Town Clerk
Saugus, Masss

Dear Mrs. Wilson:

I hereby tender my resignation as Town Meeting Member from Precinct 7, to become effective immediately.

Signed: RAYMOND P. CLARK,
3 Granite Road (8 Danforth Ave.)

A true copy. Attest:

VIOLA G. WILSON,
Town Clerk.

November 24, 1937.

Mrs. Viola G. Wilson
Town Clerk
Saugus

Dear Madam:

Under date of July 1st, in a letter to the Moderator, I resigned from the Finance Committee, to take effect December 6th, 1937.

I am informed by the Moderator that under the Statutes, resignation must be filed with the Town Clerk.

Please consider that I have hereby filed such notice of resignation with you to take effect December 6, 1937, at the end of the Finance Committee meeting on that date.

Yours very truly,

LEWIS O. STOCKER,

Town Clerk.

Annual Report of the Board of Selectmen

SAUGUS, MASS.

To the Taxpayers and Citizens of Saugus:

With the closing of another year in the municipal history of Saugus, it becomes both the duty and privilege of your Board of Selectmen to report to you a few of their many activities of the past twelve months. So varied and, in many cases, routine, are the activities of any such board that the vast majority of the matters which have engrossed the attention of the Selectmen will have to be unmentioned.

When your Board assumed office last March, there was every indication that the depression, which had placed a heavy hand on the finances of the Town since 1930, was about to lift. From every quarter there were signs that private industry was absorbing those who had been employed on the various projects of the Federal Emergency Relief Administration for varied periods of time and even some of those who had been receiving direct aid from the Town treasury were finding spasmodic or semi-permanent employment. This was being reflected somewhat in a drop in the amount of money which the town was expending for both relief in a direct form and for expenses incidental to the maintenance of suitable projects under the Federal Emergency Relief Administration.

So pronounced was this improvement last spring, that your Board was able to secure the employment on various Federally sponsored projects of persons who had previously been denied relief because of the great number of more worthy individuals—viewing the work entirely from the point of view of the number of dependents looking to these individuals for their sustenance. Despite a steady drop in the number of employables granted to each city and town in this

vicinity, Saugus managed to hold its own well, and the Board and its co-ordinator were successful in obtaining work for a large number on the flood control projects in the nearby city of Haverhill.

Meanwhile, your Board continued its announced policy of sponsoring locally only those projects which seemed likely to be of the most benefit to the community in general. An attempt was made at every turn to avoid projects which have been described as of a "boondoggling" nature. The Board concentrated on the construction of granolithic sidewalks on all accepted streets of the Town and this proved, probably, the most successful of all projects in relation to its direct value to the home owner and taxpayer.

The Board also put crews of men at work in various sections of the Town laying water mains, installing drainage systems, trimming trees, and doing other beneficial work.

For a more detailed explanation of the way in which the Board expended your funds allocated for the purpose of purchasing supplies for W. P. A. projects, and where these projects were located, the Board recommends that you make a study of the report of the W. P. A. co-ordinator and of the Superintendent of Public Works.

During the spring and summer the local employment situation was aided by the reconstruction of the Newburyport turnpike and the construction of the new Frank P. Bennett Highway. By virtue of their contract with the State, both contractors co-operated in placing qualified Saugus men at work and this tended to relieve the general unemployment situation. The Board was also successful in obtaining like co-operation from Warren Brothers Company, who hired Saugus men at their mixing plant in Oaklandvale, where the topping for the turnpike was manufactured.

The success of your Board in obtaining employment for scores of individuals on these various projects, however, was only subject to reaction in early fall. Coupled with a serious recession in business which has continued in questionable degree up to the present, came the closing down of construc-

tion on the turnpike and Bennett highway, and the resultant throwing out of employment of the men employed on these several jobs. Had the upturn in business, which started in the spring of 1937 been continued, as was expected, it is entirely reasonable to assume that the majority of these men would have been absorbed into private industry, but the recession threw them again back on the W. P. A. rolls and the books of the Board of Public Welfare.

Your Board, however, was vigilant in calling the situation to the attention of the State Administrator of Federal Emergency Relief projects so that the Town of Saugus speedily obtained an increased quota of employables. As rapidly as possible those released from the road jobs and from the Haverhill flood control project were, when necessary, placed back on the rolls of the W. P. A. and assigned to useful service on various projects created for their benefit.

The Board would modestly call attention to the fact that this has been the first year since the inception of Federal Relief Projects when there has not been a distinct lapping over between projects which has resulted in an unfortunate temporary loss of employment while new projects were being pushed through the maelstrom of red tape between Saugus and Washington and thence back to Saugus. Your Board has been extremely diligent in preparing projects several months in advance and having at all times available for such emergencies as may arise suitable projects which may be started almost instantly when necessity dictates such expediency. This has resulted in very little loss of employment to men and women desperately in need of the small stipend which they justly receive for services well rendered.

It is the opinion of your Board that it would be rash to promise any relief in the near future from the expenses of Federally sponsored projects. The hopes which were merited last summer have been dissipated by the definite recession in all types of private business. There is every indication, in fact, that unless private industry takes up the slack that the Federal government and local treasury must assume fully as much, if not more, cost in 1938 than was true last year.

With this in mind, it is the opinion of your Board that Saugus should strive to obtain all possible for the money expended. During the year the Board has borne this in mind with particular reference to its sidewalk project, and this was continued until well into the winter. A skeleton crew are still at work excavating for next year's walks. While it is obvious that such progress cannot be made in the winter as the summer because of the frozen condition of the ground, it would seem to be wise to be prepared for the spring so that the actual laying of walks may progress very rapidly.

Your Board has also sponsored this year a project for the construction of an athletic stadium at Stackpole's field. With the increasing interest locally in athletics, stimulated by the excellent showing of our football team last fall, the Selectmen believe that co-operation with the School Committee and Board of Playground Commissioners in the construction of this project will give the Town an excellent stadium at a small relative cost. Under the able direction of the co-ordinator, and with a well qualified foreman, the project has gone ahead rapidly, and it is estimated that the stadium will be completed by late May. Ample seating facilities are contemplated and this, in itself, will clear up a previously serious situation.

Your Board recommends that the Town continue to expend its W. P. A. money in projects certain to be of value in the future and that next year still further projects calculated to aid the entire Town be sent to Washington for approval. In its administration of W. P. A. projects your Board has had the complete co-operation of the co-ordinator, Gypsy Moth Superintendent, Superintendent of Schools, Superintendent of Public Works, Chief of the Fire Department, Planning Board, and various other officials and boards, for which it is duly grateful.

Public Works Department

During the past year the Public Works Department has functioned with the complete approval of your Board. The Superintendent of Public Works is, for the first time in many years, able to present to the citizens a report indicating that

he has closed the year with a balance in all budgets coming under his direct supervision. This is a healthy condition and one which merits commendation.

After a conference with the regular employees of the department your Board felt justified last summer in granting small wage increases which did much to better the morale of the department. The majority of the men in the department have worked there for many years and have given faithful service. The Board felt that they were entitled to this recognition.

During the year the Superintendent reported to the Selectmen the apparent presence of many water leaks in the system. He was empowered to take necessary steps to locate them. This was accomplished so successfully that several thousands of dollars were saved in the water purchase item and, in actuality, the Superintendent saved to the Town more than his annual compensation. We recommend that this work be continued. There is every indication that the water leaks are by no means all located. The Town has many miles of old cement mains where leakage and seepage are prevalent. For many years it was the annual policy of the Town to abolish a section of this cement main but since the depression the scheme has, unfortunately, been abandoned. It would be well to resume this policy as soon as the Town is capable of bearing the expense.

The year 1937 opened with the department having a large number of old departmental trucks and automobiles which, because of their age and condition, were a costly item to maintain. The Annual Town Meeting appropriated sufficient funds to replace several of these vehicles, and your Board has taken steps to re-equip the department in many particulars. It must be realized, however, that the job is far from complete, and that it is costly to continue to operate trucks and cars which are continually in the repair shop.

Your Board took steps this year to stop employees of the Public Works Department from using Town cars and trucks for other than on official business. By order of the Board, all cars and trucks are now located in the garage at

night, and the key is in the custody of the Police Department. When it is required that a car or truck be taken out for emergency purposes at night, the operator obtains the key at the police station by signing for it, and returns it after garaging the vehicle at the conclusion of his assignment. This appears to your Board to be good business and to abolish the temptation to use them for private affairs.

It has been a source of gratification to your Board that they have been able to do repair work this past year on 50 streets throughout the Town. This program was carried out in early summer. In every case the street was scarified and a coat of tar and pea stone applied. A complete list of the streets will be found in the report of the Superintendent of Public Works. This is a policy which should be continued and enlarged annually. There is no more wasteful policy than to allow the surfaces of our secondary streets to be ruined. A coat of tarvia and pea stone over a period of a few years should serve to keep these roads in good shape at reasonable cost.

It is true, however, that until such time as the Town inaugurates a system of drainage control that much of this work is wasted effort. The Town is sadly in need of drains for the removal of surface water in almost every section of the community and we recommend that an early start be made on this type of civic improvement.

With the co-operation of the State and County, under the provisions of Chapter 90 of the General Laws, the Town was able to widen Walnut Street from a point near Birchwood Avenue, to the Newburyport turnpike intersection at Hawkes corner. It was also possible, under the same type of authorization, to reconstruct another section of the proposed Woodbury Avenue and Hesper Street route to Lynn.

This is work in which the Town receives \$2 for each \$1 expended from municipal funds. It is, unfortunately, available only for through routes approved by the State Department of Public Works. It is, of course, because of the low relative cost work which the Town should continue to prosecute. The State and County have already made allocations

for 1938 for the continuance of the widening of Walnut Street from the Newburyport turnpike to Corbett's corner. There has, as yet, been no assurance that the State will contribute any funds for Hesper Street in 1938 as a new policy of one road to each community annually has been inaugurated. It is the hope of the Board, however, that it will be possible to gain a concession in this respect, and the Selectmen have already taken measures to see that funds are made available for the continuance of the Hesper Street project.

Your Board has taken steps to see that the policy of construction started in 1936 was continued in 1937, whereby the Town becomes the contractor and the Superintendent of Public Works builds the road. The advantages are obvious. Local labor gets complete preference and the profit, which might accrue to the contractor, is actually expended on the road. The State requires that the Superintendent bid at the same price ranges as would a private contractor so that the construction is very economically done.

In any consideration of the work of the Public Works Department it would be only fair to stress the fact that the department has worked with greatly lowered budgets. The Town is expending for streets at the present time much less than they did back in the 1920's, and yet annually more streets are expected, and residents justifiably expect that they will be put into proper condition. To do so with the limited funds available is almost impossible and the department has done a very satisfactory job on a very limited budget. It goes without saying that if the citizens want their streets put into proper condition that they must be willing to appropriate sufficient funds at the Annual Town Meeting.

Your Board was pleased this year to complete a civic improvement in the East Saugus section which has long been needed in the construction of Dudley Street from Lincoln Avenue to Ballard Street. This road was built by the Public Works Department at a cost slightly under \$3,500.

Police Department

The Board of Selectmen are glad to confirm the belief of the citizens that the Police Department is being wisely

and efficiently managed. The ratio of important crime to the population is lower than in many communities. Vigilant work by every member of the department is the obvious answer. During the year the Selectmen were pleased to name to the force Patrolman Carl G. Pearson, whose work is already attracting favorable comment.

Saugus receives more than its share of serious accidents as a result of the several State highways running through it borders. This condition was aggravated during the year by the construction of the Newburyport turnpike. This super-highway is an invitation to speed and at night, particularly, it is very dangerous. Two of our citizens were so unfortunate as to be killed last fall in North Saugus.

The Selectmen concur with the Chief of the Police Department that this highway should be lighted and at the expense of the Commonwealth. They have requested our representative in the General Court to introduce a bill to this effect in the Legislature, and he has done so. The Selectmen are co-operating with the Selectmen of Lynnfield in this matter, and hope to secure favorable consideration of the proposed act by the General Court this winter. The Selectmen are also attempting to have the Commonwealth bear the expense of lighting the Salem turnpike in Saugus, which cost is now distributed between Revere and Saugus, believing that it is the primary obligation of the State.

The Selectmen have also caused the Town Counsel to file suit against the Commonwealth for the value of the lands taken from the Town Infirmary property for the construction of the turnpike. We do not feel that the Town should lose these valuable lands without recompense and it is our intention to prosecute this suit in the courts.

Fire Department

During the past year your Selectmen have acted also as a Board of Fire Engineers, and this plan has worked so successfully that they recommend that it be continued. It has resulted in an economy of operation and the Board and Chief of the Fire Department are pleased to turn back to surplus a substantial sum from the Fire Department appropriation.

This has been done without in any way stinting the department, and the force has functioned satisfactorily at all times. During the year a substantial amount of hose has been added, a new car purchased for the use of the Chief, and a W. P. A. project for the codification and clarification of records carried out successfully. The Board recommends that the Town continue to purchase a suitable amount of new hose annually.

Although the Board does not feel that it is necessary to add new permanent men to the fire fighting force at this time, they recommend that as many new call firemen as the Town can afford be added to the rolls.

Liquor Laws

Your Board has been most vigilant during the past year in seeing that the liquor control laws have been rigidly lived up to. It has not been the policy of your Board to grant licenses indiscriminately and several applications have been rejected. Since, however, the Town has voted that the sale of all liquors shall be allowed, the Selectmen have no recourse other than to grant licenses.

Several license holders, however, have been brought before the Board during the year, and hearings held on various alleged infractions of the law. When found guilty, they have been suitably punished or warned that any repetition of the offence would cause them to lose their licenses.

As a whole, it has been found that the local holders of licenses have, however, jealously guarded their franchises and Saugus has not witnessed the laxity in enforcement which has been prevalent in some other communities.

Believing that the Sabbath should be respected, your Board has this year enforced a new regulation requiring that no entertainment of any nature be permitted in liquor establishments on the Lord's Day. We believe this to be reasonable and necessary. The Board has also prohibited the sale of beer by the pitcher to avoid so-called "needling" of the beverage.

Loss of Member

During the year Mr. C. Carroll Cunningham resigned from the Board and this resulted in two members carrying on the work for the remainder of the year. Your Board adopted resolutions at the time of Mr. Cunningham's resignation wishing him success in his work for the Federal Home Owners' Loan Corporaton.

So co-operative have all officials and boards of the Town been with us that we have had a most enjoyable as well as successful year. We have found a disposition on the part of all to work for the best interests of the Town. There has been no petty bickering and no disposition to capitalize on the mistakes which are inevitable. The general intention and purpose of all has been to give their best for the welfare of the entire community.

Realizing that it is but human to err and that we all make mistakes both of commission and omission, we close this report of the activities of 1937 with the hope that it will be received as token of the interest and devotion we have given to the positions which the voters of the Town chose us to exercise. We have always borne in mind our trust to all of the people of Saugus and attempted to serve them to the best of our respective abilities.

Signed:

WILLIAM S. ROCKHILL, Chairman
GEORGE H. QUARMBY.

Report of the Harbor Master

To the Honorable Board of Selectmen:

Gentlemen:

I wish to submit the fourth annual report of the Harbor Master for the year ending December 31, 1937.

Yachts and motorboats given assistance in distress and towed to a safe anchorage, five (5); removed from mid-channel, eight (8); unregistered boats reported missing, two (2); unregistered boats reported missing and returned to owners, two (2); duly registered boats given an anchorage, ten (10); float permits issued, one (1). Eighteen hundred miles were covered by motor boat for regular and patrol work.

One case of dumping into tide water was reported to the Public Works Department of Massachusetts. This dump has been partially cleaned out.

Through the efforts of this office a hearing was held on August tenth by the War Department pertaining to the dredging of the Saugus River. Up to this date no recommendation has been announced by the Boston branch or the Washington main office.

In conclusion I wish to thank the Honorable Board of Selectmen and all others who by their cooperation aided me during the past year.

Respectfully submitted

PHILIP A. FARNHAM,
Harbor Master.

Report of the Board of Fire Engineers

January 1, 1938.

To the Honorable Board of Selectmen and the Citizens of the
Town of Saugus:

We herewith submit the annual report on the personnel,
condition, and activities of the Fire Department for the year
ending December 31, 1937.

William R. Salsman

During the year 1937 the Fire Department responded to 450 alarms and calls for fires and other duties. There were 72 box alarms and 378 telephone calls, 38 of which were followed by box alarms to call the firemen to duty. Twenty-four of the alarms were false or needless.

The apparatus traveled a total of 2,067 miles in responding to calls: Engine No. 1, 174 miles; Engine No. 2, 489 miles; Ladder No. 1, 411 miles; Tender No. 2, 992 miles. The Chief's car traveled 5,472 miles in responding to alarms and in the performance of other duties.

The assessed valuation of buildings, autos, trucks, the insurance on buildings, automobiles and their contents, etc., were, as nearly as could be ascertained, as follows.

Assessed valuation of buildings, autos, trucks, etc.

	\$388,705.00
Loss on buildings, motor vehicles, etc.	25,655.00
Insurance on buildings, etc.	425,050.00
Insurance paid for losses on buildings, etc.	21,684.52
Estimated value of contents	384,400.00
Loss on contents	49,425.00
Insurance on contents	125,000.00
Insurance paid for losses of contents	46,343.29

During the year 63,500 feet of $\frac{3}{4}$ -inch hose, 9,650 feet of $1\frac{1}{2}$ -inch hose, 10,650 feet of $2\frac{1}{2}$ -inch hose was laid and used at fires, a total of 83,800 feet. 40,500 feet of the above hose was used at brush and woods fires. There were 31 tanks of oxygen and 1 tank of Co2 used.

Alarms and calls by month for 1937:

	Bell Alarms	Telephone Calls	Total
January	4	19	23
February	10	35	45
March	8	56	64
April	8	57	65
May	8	34	42
June	5	10	15
July	5	35	40

August	1	31	32
September	4	9	13
October	4	28	32
November	7	43	50
December	8	21	29
	<hr/>	<hr/>	<hr/>
Totals	72	378	450

Tabulation and classification of Fire Alarms and calls:

- (1) Alcohol leaking on hot exhaust pipe.
- (3) Automobile accidents.
- (1) Automobile tires.
- (1) Automobile backed into fence.
- (1) Awning fire.
- (1) Buckfire in muffler.
- (1) Backfire in carburetor.
- (1) Bonfire.
- (105) Brush fires.
- (2) Cats in trees.
- (1) Call for aspirator.
- (5) Careless use of matches.
- (1) Careless use of cigarette.
- (3) Careless use of gasolene.
- (1) Call for oxygen.

- (12) Woods fires.

The department was called out of town on five occasions.

The Fire Apparatus, Engine No. 2 and Ladder No. 1 and the G. M. C. Tender are in fair condition and good for many years to come provided they do not meet with accidents. The Oldsmobile Sedan, the Chief's car, is in good condition. Engine No. 1, the Seagraves pumping engine, is very old and showing signs of needed repairs that will be very costly as it is very unreliable and in the past few years has had several costly repair jobs done to it. We recommend this engine be replaced with a new pumping engine.

The Fire Department has done excellent work in keeping the fire loss down to such a small amount, (approximately \$75,000) when it is noted that the department must cover a large territory nearly 11½ square miles, and do so with a small number of men to man the apparatus and extinguish fires.

In closing we make the following recommendations:

We recommend a program calling for the installation of new hydrants every year, those we have are too few and too far between.

We recommend the taking of a parcel of land in the Cliftdale section of the town as a site for the erection of a new fire station.

We recommend the appointment of 5 call men. The work of the department has greatly increased in the past several years.

We recommend that 500 feet of 2½ inch hose, 1000 feet of 1½ inch hose, and 500 feet of ¾ inch hose be purchased.

We recommend that a fire alarm box be installed at the corner of Linwood and Avon streets.

We recommend that two hydrants be installed on Walnut street between Elm street and the Lynn line a distance of about one half mile which now hasn't any hydrants.

We recommend that one hydrant be installed on Vine street between Main street and 68 Vine street, a distance of about 1880 feet, now without a hydrant.

We recommend that hydrants be installed at the following locations, in front of 16 Johnston Terrace, 11 Lincoln Court, on Oak Hill Road, Corner of Jefferson and Newcomb Avenues, Palmetto Street, and corner of Jefferson and Cleveland Avenue.

We recommend that a hydrant be installed on Trull Circle near Charlotte Road, this would give better fire protection to fourteen dwellings.

In conclusion we wish to thank the Honorable Board of Selectmen, Superintendent Ernest Merrithew of the Public Works Department, all the Town Officials, and citizens of Saugus, who, by their co-operation have aided this department to maintain a high degree of efficiency.

Signed by the Chief,

WILLIAM R. SALSMAN.

Signed by the Board of Fire Engineers,

WILLIAM S. ROCKHILL,

Chairman.

GEORGE H. QUARMBY.

Report of the Forest Fire Warden

January 1, 1938.

To the Honorable Board of Selectmen:

Gentlemen:

I hereby submit the annual report of the Forest Fire Warden for the year ending December 31, 1937.

During the year 1937 there were 117 brush and woods fires, 43 grass fires, as against 108 brush and woods fires, and 41 grass fires in the year 1936.

During the year the following amount of hose was laid and used at brush, woods, and grass fires, 40,500 feet.

I recommend that the Town purchase 6 water pump cans, brush fire brooms, rakes, shovels, etc. for the extinguishing of grass and woods fires as this type of equipment is in very poor condition.

Respectfully submitted,

WILLIAM R. SALSMAN,
Forest Fire Warden.

October 21, 1937.

Mr. Edward Gibbs, Jr.

The Board of Selectmen have directed me to send to you the following resolutions adopted by them following the death of the late Harry Woodward.

"Whereas, God, in His infinite wisdom, has seen fit to call unto Himself, Harry Woodward, and

"Whereas, Harry Woodward served the Town of Saugus for over a decade as a member of the Finance Committee and as a Selectman, and whereas

his services were of such a nature as to commend him constantly to the people of the Town as a man of outstanding integrity, good judgment, and as a Christian gentleman,

“Now, therefore, we the Board of Selectmen of Saugus, do resolve.

“That the Town of Saugus, through its Selectmen, express to his family their sense of personal loss in the passing of a friend and faithful worker for the interests of the Town, and that a copy of these Resolutions be spread upon the record, included in the annual Town Report, and sent to the family of the deceased, and to the press.

Very sincerely,

PAUL A. HALEY,
Clerk of the Board.

Report of the Town Accountant

The Treasurer's Cash Account

The cash on hand December 31, 1937, was verified by me by actual count, and the cash in the bank was verified by reconciliation of the outstanding checks with the book and bank statements, and was further verified by letters received from the banks certifying to the amount to the credit of the town of Saugus at the close of the business, December 31, 1937.

Trust Funds

I have compared the savings bank books in the hands of the Treasurer with the amount called for in the Perpetual Care Fund account as being on deposit December 31, 1937, and the books and the amounts agree.

The George Melvin Wilson Library Fund and the Benjamin Johnson Library Fund accounts were verified by examining the Bonds in the hands of the Treasurer, which are registered bonds, also the savings bank book.

The War Bonus Fund was verified by examining the savings bank book and the book and amount agree.

Respectfully submitted,

EDWARD GIBBS, JR.,

Town Accountant.

January 14, 1938.

Report of the Board of Health

To the Citizens of the Town of Saugus:

The Board of Health herewith submits its annual report for the year ending December 31, 1937.

The past year has been one of marked progress in the history of the Board. Each year the requirements of the State Department of Public Health are being raised to a higher level. This together with the ever changing and increasing population brings heavier burdens on the local Board.

The sanitary conditions in some of the overnight cabins, road side stands, places where alcoholic beverages are served, soda fountains, restaurants, lunch bars etc., have been found very poor. With the cooperation of the Board of Selectmen in with-holding licenses, these poor sanitary conditions have been corrected, but constant inspection is necessary and must be continued by the Board of Health. The By-Law adopted at a Special Town Meeting and approved by the Attorney General covering overnight cabins and trailers is a wise step in the right direction.

The efficiency of the department has been enormously increased by the employment of a very competent health nurse. Following up tuberculosis cases and their contacts, visits to the Sanatorium, arranging for X-rays in questionable cases, investigation settlements. The careful investigation of contacts in contagious diseases has been a great help in preventing the spread of contagious diseases. Never has the Board been able to handle this situation in such an efficient manner as in the past year.

As in the past years the sanitary conditions at the Town Hall are deplorable. This is not the first time that this condition has been brought to the attention of the citizens. The police station is many times better equipped to care for the needs of the few involuntary visitors than the Town Hall

with its many employees and public gatherings in the auditorium.

An increasing number of complaints come to the Board of Health every year concerning overflowing cesspools. The average amount of water soaking into the ground through cesspools in the Town of Saugus is one hundred fifty three million gallons per year. The day is not far away when the Town will have to shoulder the burden of installing sewers. When this is done we can expect new, modern and first class buildings.

We have caused to be examined the water of the Saugus River that flows past the Stocker playground and the Town bathing beach on Ballard Street and find it highly polluted and unfit for bathing. This pollution is caused by the draining of cesspools and private sewers. We consider this to be a serious health menace to the inhabitants of our Town who persist in bathing in these areas. Numerous warnings have been posted in these areas condemning them for bathing. Water examined by the State Department of Public Health at our request, from the pit excavated by B. Perini & Sons, located at Main Street, Saugus, west of the Newburyport Turnpike, has been found unfit for bathing.

We have also been in conference with the State Department of Public Health following numerous complaints with reference to the tremendous amount of stone dust from the various stone crushers. This is injurious to the health of those living in the surrounding districts and we hope to have it remedied in the near future.

The Board has devoted considerable time to the preparation of new health regulations which have recently been published. These new regulations are up to date and equal to those of our surrounding communities.

Because of the cut in our requested appropriation we were unable to keep within our budget and have unpaid bills to the amount of \$262.10. We have received from License Fees, refunds, subsidies and other cities and towns the amount of \$3,093.70 which has been turned over to the Town treasurer. The total expenditure including \$262.10 from

unpaid bills, amounts to \$13,631.57 less the amount turned over to the Town treasurer makes a net expenditure of \$10,537.86.

Respectfully submitted,

DR. JAMES A. CLARK, Chairman,
DR. LEROY C. FURBUSH, Secretary,
RICHARD J. SPENCER, Health Officer.
Members of the Board of Health.

Report of the Plumbing Inspector

To the Board of Health,
Saugus, Mass.

Gentlemen:

I herewith submit the annual report of the Inspector of Plumbing of the Town of Saugus.

Plumbing permits issued up to November 1, 1937 112

Since assuming office November 1, 1937, the number of permits issued and the following inspections have been made by me during November and December.

Permits issued for plumbing	16
Inspections	120
Old Buildings	87
New Buildings	33
Miscellaneous inspections	8
Fees paid to Treasurer for plumbing permits \$239.00.	

Respectfully submitted

JOHN V. SPENCER,
Inspector of Plumbing.

Report of the Inspector of Milk, Food and Provisions

December 31, 1937.

Board of Health,
Saugus, Mass.

Gentlemen:

I herewith submit my annual report as Inspector of Health, Food and Milk.

In the broad field of public health activity, one may be surprised to find a community of interest that is predicated upon the simple proposition that all people must replenish their body energy with food and drink, the wholesomeness of the food and the condition of sanitation at the point of production, manufacture and distribution are problems we, as a health department, are directly responsible for.

My primary purpose and final objective is to see that the foods we eat and drink are produced, handled and dispensed in such fashion and under such conditions that the beneficial results we expect from them will be obtained.

The protection of milk from contamination from the time of production until delivery to the customer is the most important problem connected with clean and safe milk. Most of our dealers have a thorough knowledge of reasonable standards for dairy plant operation and maintenance. I have encouraged the use of modern equipment and also of maintaining it in a sanitary condition.

This year a large increase has been made in testing and sampling milk. Bacteria on the whole has had a much lower count with but few exceptions. These few cases of high bacteria count in my opinion were due to carelessness and the improper cleansing and washing of bottles and utensils. The processes of cleansing and sterilization are often thought of as one but they are separate and distinct, and should be treated as such.

The proper functioning of the bottle washer is an exceedingly important point in milk sterilization and safety. The most satisfactory way to determine the efficiency of bottle sterilization is by rinsing the bottle with sterile water and examining this water for bacteria by the Standard plate method.

This year I have made 6019 inspections of over 80 stores, roadside stands, and clam plants. A large amount of meat, fish, and vegetables were condemned by me as unfit for human consumption. In one case it was necessary to suspend the license in order to force the owner to clean up and keep his establishment in a sanitary condition. In another

instance, because of the condition of fish and other food, it was necessary to insist on a change in management before I could get co-operation.

The new regulations of the Board of Health in regard to the conditions under which baking, milk, ice cream, and food products are manufactured, stored or offered for sale will be of great help during the coming year.

The new addition to the Town By-Laws regarding the operation of trailers and overnight camps in Saugus will be of much assistance in remedying conditions now existing from a health standpoint.

In conclusion I wish to thank you, the State, and adjoining City Inspectors for the cooperation I have received this past year.

Respectfully submitted,

CHARLES WILSON,

Inspector of Health, Food and Milk.

Report of the Public Health Nurse

To the Board of Health,
Saugus, Mass.

Gentlemen:

I am pleased to submit my first annual report as Public Health Nurse for the year ending December 31, 1937.

My services started on March 15.

Number of home visits, 1821.

Diseases reported and followed up:

New Cases

Anterior Polyomyelitis	1
Anthrax	1
Chicken Pox	25
Measles	153
Measles (German)	3

Mumps	5
Paratyphoid B	2
Pneumonia (Lobar)	8
Scarlet Fever	92
Tuberculosis	9
Whooping Cough	48

The home visits also covered the investigation of old Tuberculosis cases and their contacts; the contacts of the Scarlet Fever cases for this year; as well as the miscellaneous complaints and the inspection of boarding homes for infants.

Diphtheria:

There have been no actual cases of Diphtheria since 1933. This, I believe, is due entirely to the excellent co-operation between the home, the school and the Board of Health.

In Diphtheria Prevention Work, 286 Grade I and 35 Kindergarten pupils were recorded. Of these, 174 are ready for inoculation, 52 had been inoculated previous to the date of record and 95 refused benefit.

Scarlet Fever:

It is interesting to note that the Scarlet Fever cases were mild during 1937. Of the 92 reported, only 1 resulted in death, 88 were cured and 3 are active.

Tuberculosis:

Much progress has been made in handling Tuberculosis. While there are 81 cases on record at the close of the year, there were but 5 deaths attributed directly to this disease. Of the old cases on record, 70 were closed, 10 arrested, and 7 proven negative.

I am greatly indebted to Dr. Olin Pettingill, Superintendent of the Essex Sanatorium, and his staff, for their assistance and many courtesies, also to Vera Griffin, Secretary of Essex County Health Association, Inc., and to the

North Reading and Lakeville State Sanatoriums, as well as other institutions.

I have transported 395 pupils to and from the Dental Clinic and 32 patients to Sanatoriums, as well as assisting in handling 5 Essex County Health Camp cases.

Besides this specific work, I have arranged and indexed data for more complete records.

May I suggest for the general good health of Saugus that all cases of communicable diseases be reported promptly and urge a stricter adherence to quarantine regulations?

I wish to acknowledge my appreciation of the cooperation received from the public health authorities of the Commonwealth, the public health nurses of neighboring towns and cities, the personnel of our School Department and the citizens of Saugus.

I have been grateful for the opportunity of serving with you, Gentlemen of the Board of Health, and thank you most sincerely for your suggestions, cooperation and encouragement. I believe that you have carried on the good work of our late and beloved Dr. Myron H. Davis, whose service for humanity has long been an inspiration to me.

Respectfully submitted,

N. JESSIE O'NEIL, R.N.

Report of Supervisor of the Dental Clinic

To the Board of Health,
Gentlemen:

I herewith submit my annual report of the Dental Clinic. One more successful year has been added to the records of the Dental Clinic. Good teeth are a very important factor in the health and happiness of a child. Each year as I look over the children I am more convinced of the value of the Dental Clinic. It is a wonderful thing for this town. The

appropriation that you spend for the clinic is more than worth it.

A detailed report follows:

Total number of deciduous extractions	286
Total number of permanent extractions	29
Total number of fillings	126
Total number of prophylactic treatments . . .	184
<hr/>	
Total number of patients	625

A fee of \$.25 is charged for each visit. Total receipts for the year \$156.25.

Respectfully submitted

ROGER P. BECKMAN, D.M.D.

Annual Report of the Planning Board

To the Citizens of the Town:

The Planning Board presents, herewith, its annual report for the year 1937, which has been the busiest period of activity in the thirteen years of its existence. The Board organized on March 2 with Attorney M. Edward Hayes as chairman, William H. Robinson as clerk, Harry W. Merrill, H. Warren Butler and Walter L. Roy. A total of forty-eight regular meetings, thirty-four rezoning hearings and two Board of Survey hearings together with five joint meetings on billboard applications comprise the record of the board's activities during the past year. We have attended conferences at Concord, Wellesley, Salem, Harvard College and Tufts College which were operated by the American Society of Planning Officials, the Massachusetts Federation of Planning Boards and the State Planning Board. We hold membership in the Society and the Federation and derive much benefit from both.

The hearings on rezoning articles are called for under the provisions of Chapter 269 of the Acts of 1933 which states that all articles pertaining to amendments of the Zoning By-Law and Map shall be given a public hearing by the board before consideration by the Town Meeting.

The Board of Survey hearings are a new function for the board, they being transferred from the Board of Selectmen to the Planning Board with the adoption, by the Town, of Chapter 211 of the Acts of 1936. We consider this a more desirable allocation of the powers of the Board of Survey and made a radical change in the policies of the Board during the past year. In the past, real estate developers were allowed to enter the Town and have all necessary expenses borne by us, this including construction of streets and water extensions. One of our hearings on this work was merely a change of lot lines but the other involved a large area of

land. On this second application, the board ordered the petitioner to bear all expenses connected with the construction of streets and the laying of water mains and secured approximately one acre of land in the Oaklandvale section of the Town, without any expense, for future schoolhouse, playground or other municipal purposes. In obtaining this property we believe that we have saved a good sum of money which will some day be realized when a new schoolhouse is necessary in that section named. The Town will not be forced to pay an exorbitant price for a location.

We are considering the selection of an advisory committee to assist us in furthering our aims and in obtaining newer thoughts on which to go forward in attempting to assist the Town to its proper development. This matter will shortly be brought to various organizations and we request that those interested contact the board.

W. P. A. Project

During the past year, the Board has enjoyed the services of a number of workers on a W. P. A. project calling for a survey of the water system of the Town. This work will require six months more for completion but it will give us the most complete information of the system that has ever been on record. We are securing the location, size, depth and material of every water pipe on every street of the Town. This will allow the Town to estimate when and where it is necessary to make replacements caused by defective or inadequate services. The workers have found a number of serious and interesting situations and the results of the work are being mapped and filed in the Public Works Department where they will be accessible when troublesome occasions arise.

New Town Maps

During the last few months of the past year the board undertook the task of securing new and up-to-date maps of the Town, including a new town map, the Zoning Map and a map showing the accepted streets of the Town. The last mentioned was very interesting in that it showed that of a

total of some 600 streets, the Town has only accepted about 140.

We intend to proceed on maps showing transportation systems; population maps, including one on school population; tax exempt property, to show that portion of the Town from which no income is derived; surface drainage and land use maps. The cost of the completed maps was taken from our annual appropriation but will, without a doubt, be returned with the sale of this material to the citizens and interested parties. At this writing, we have orders to insure about half the expenditure being returned. We do not intend to release this material for public sale until we have secured a copyright on those maps which we feel it is advisable to protect for the Town. Citizens who are interested in securing this material may obtain the price by contacting members of the board.

We have released, for public sale, the results of the aerial survey completed during the past year. Copies or individual prints can be had at very reasonable prices. This was done with the cooperation of the aerial photo section of the Massachusetts National Guard and gives a complete picture of the Town as seen from the air. It has been very helpful at meetings and hearings during the past year when disputes arose regarding property and streets.

The Building Set Back

During the last few town meetings the board has attempted to secure legislation which would have the effect of placing business establishments, located on state highways, back from the road for a distance up to as much as forty feet. We were not successful. Our reasons for advancing this proposition include a better movement of traffic, more substantial business establishments and better roadside conditions. What is to be gained if we allow refreshment stands and gasoline stations to locate just inside the sidewalk line, thus forcing patrons and the travelling public to stop on the roadway after having the state spend some three million dollars to construct a modern highway in an effort to speed and free through traffic? By keeping business back from the

highways we may find the solution of the problem of what to do about the small and unsightly structures which line our section of the Newburyport Turnpike. This effort has been satisfactory to the majority of property owners along the road and will again be presented to the Town Meeting. We earnestly request your support.

U. S. Route 1 is the one means of conveying to the traveling public and potential home builder the standing and attitude of the people toward the conditions in the Town. It is the best means of inducing more property and a bigger Saugus. Throughout the State and along the entire Turnpike, we find no place that sponsors so poor an advertisement on a main road as our own Town. It is your problem and we suggest that you aid us in our next attempt for passage of this legislation.

The Billboard Problem

The board advanced to the Town Meeting, last year, the solution of the billboard problem, but the meeting voted to refer the matter to a special committee. We considered this matter for more than a year before its submission and feel that it is foolproof, having been upheld by the State Supreme Court in litigation between one of the major billboard operating companies and the Town of Concord. There are instances in the town where advertising signs have been erected without a permit by the Selectmen or the Building Inspector and over the objections of neighbors, who vigorously protested them. Without the necessary legislation, we are powerless to stop such practices and are wide open to the mercy of the advertising concerns who have no regard for the citizens' feelings or comfort. This too is your problem.

Gravel Pits

The town has suffered irreparable damage for many years but was put to the breaking point last year in the matter of borrow pits, otherwise known as gravel pits. The practise in this line is for some party to secure some location, usually on our main roads, for the purpose of obtaining gravel, filling or crushed stone. Upon completion of operations, the owners usually allow the property to revert to the

town on an unpaid tax assessment. The town then proceeds to hold the land, and in most cases continues to hold it indefinitely, there being no one interested in owning a huge hole. This procedure has and will continue to leave the Town without any revenue from some of the property that once was desirable. We would dare to suggest that nearly one hundred acres of land have been lost to the Town as far as financial return is concerned. When revenue is lost on one piece of property we all know that it will be made up by splitting the difference, no matter how small, over that property which supports the Town.

Another angle on this subject is that it is a sure way to prevent the developments which should be taking place on some of our vacant land. In one case a man who controlled some desirable land in an outlying section of the Town, released the property when operations started on a gravel pit. He was nearly ready to start on thirty odd homes. This matter is now in the hands of a special committee and we recommend that if action is suggested that you follow the suggestions of that committee.

The Zoning By-Law

The Zoning By-Law is one of the most important and highly discussed pieces of legislation on the books of the Town. Very controversial, it is the object of much debate on the Town Meeting floor.

It is designed to promote the health, safety, morale and convenience and general welfare of the citizens of the Town, to lessen the dangers of fire and congestion and to improve and generally beautify the Town.

It divides the Town into several classifications, governs the use of land and buildings and covers the area of the lot to be used; percentage of lot to be covered, setbacks in residential areas; yards; accessory uses; non-conforming uses; district boundaries; occupancy permits; enforcement and the appeals.

Saugus now is at the very crossroads of its existence. Our course in the next few years will decide whether we are

to continue in our present trend or whether we will have something of which to be proud for some generations to come. The law is designed to protect the persons who venture to invest in real estate in our Town. If properly enforced and operated it prevents the intrusion of objectionable establishments on the property located immediately next to that of the average home owner. When these businesses are placed next to the homes, the home owner usually finds that in transferring his property to another party, he cannot receive the true share of his investment. Naturally, the property has, in most cases, depreciated. The solution to this matter is a stricter enforcement of the law. Saugus is and will be a community of residences, therefore the protection of homes is and should be paramount to the right to operate a business, a right that has been exercised altogether too freely to the detriment of persons and property.

With the placing of the Building Inspector under the provisions of the Civil Service, a hope is seen that enforcement of this law will improve. The Building Inspector will be open to much more than criticism. It is his duty to see that buildings and property comply in all respects with this and other laws. He is responsible for the issuance of occupancy permits that show that the building or use of land complies with the law.

The General Laws carry a provision that no municipal officer or board shall grant permits until the request is agreeable to all state and local laws and by-laws. Under this law many gasoline and liquor permits are, in our opinion, allocated to those who have received a "variance." The only legal method of establishing a business area or location is to petition the Town Meeting to amend the By-Law and Map so that such a change may be had. The Planning Board must hold a public hearing on all such requests and no action can be taken by the Town Meeting in the absence of the required recommendation. If a person feels that he desires a business with full legal rights and protection let him petition the Town Meeting for it. Hearings are required by state law and the board endeavors to render a fair recommendation to the meeting. We advise all such petitioners that plans must be

presented at hearings and that no recommendations will be given in the absence of plans.

Town Meeting and Committees

It has been suggested that in order to save time and to ascertain the full facts on articles of the warrants, that various committees be appointed to investigate certain requests. These might include street acceptances and water extensions. We follow the advice of the Finance Committee on financial articles but have no advice on street acceptances. Without this advice, we have accepted deplorable streets that run through swamps and off of cliffs. These streets will probably never be put in proper condition yet they are the responsibility of the Town after acceptance. The proposed committee should inquire as to the physical condition of the street and on water extensions might inquire if the return will be sufficient for the cost. While this is in its first stages, we hope to work out some acceptable plan for operation of this suggestion.

Fire Proof Vault—Public Works

It has come to our attention that for lack of suitable storage space in this department important plans and maps are allowed to remain on tables and open shelves in the Public Works Department. It is estimated that the value of this material is about \$30,000. It is a collection of many years and in the event of a fire it could not be replaced for more than the sum named. Many years and many dollars are represented in this material. We do, therefore, recommend that funds be made available to allow the Department to have installed a fire proof vault for the safety of this material and suggest to other departments that if they have valuable records or materials that they take a similar step.

Removal of the Fire Alarm System

We find that the key of our fire protection system, the alarm registering system is still housed in the Public Works Building. Some distance from the Fire Station and a wooden building, we consider it to be false economy to permit this

condition to continue. In the event of a serious fire at this building, which is entirely possible, we would be without means of registering alarms from the boxes located throughout the Town. We suggest that steps be taken to remove this system to the new Fire Station where it rightly belongs and to be placed in a fire proof room.

Voting Places and Precincts

We recommend that all voting places now housed in private property be removed to property owned by the Town. We suggest the following:

Precinct 2 be removed from Odd Fellows Hall to the Sweetser School.

Precinct 3 be removed from V. F. W. Hall to either the Mansfield or the Ballard Schools.

Precinct 5 be removed from the Lynnhurst Clubhouse to the Lynnhurst School.

This would eliminate the cost of rent and cut the expense of janitor service, a small but appreciable saving. We also suggest a redivision of voting precincts eliminating long journeys forced on many voters. We have people coming from Golden Hills to West Clifftondale, Saugus Center to East Saugus and vice versa and from North Saugus to Lynnhurst. This should be corrected to give the voters some measure of comfort in casting the ballot.

We express our appreciation to the citizens who have assisted us in the past year and to Superintendent Merrithew of the Public Works Department, Mrs. Wilson and her assistants in the Town Clerk's office, Mr. Frank Murphy, W. P. A. Co-ordinator, the Board of Selectmen and the Town Counsel, who have all rendered valuable aid in the past year.

M. EDWARD HAYES, Chairman.
H. WARREN BUTLER,
HARRY MERRILL,
WALTER L. ROY,
WILLIAM H. ROBINSON, Clerk.

Report of the Public Works Department

To the Board of Selectmen,
Town of Saugus, Massachusetts.

Gentlemen:

In submitting the report for the Public Works Department for the year 1937 it is a pleasure to inform you that for the second consecutive year all the departments within our jurisdiction have completed the year within their appropriations, with no unpaid bills to be carried forward into 1938.

The past year, 1937, was a particularly busy one. The outstanding projects consisted of the Newburyport Turnpike water extension, reconstruction of the Elm Street Bridge, reconstruction of Dudley Street, and the surface treatment of fifty-seven streets. Details concerning these projects will be found under the proper headings in the following report.

In 1937, as in the previous year, we took advantage of the benefits offered under the Chapter 90 Act. Under the terms of this Act both the state and the county jointly share the greater part of the cost of constructing and maintaining certain town roads.

Local taxpayers will be interested to know that of a total of \$15,500.00 expended for Chapter 90 work during 1937, \$10,500.00 of it was appropriated jointly by the Commonwealth and Essex County. The total sum was made up as follows:

Town	\$5,000.00
Essex County	3,500.00
Commonwealth	7,000.00

The work was accomplished under the supervision of men of our department with local help employed to do the work.

Of the total amount expended for Chapter 90 work in 1937, \$8153.92 was paid to local labor and a large portion of the balance to local merchants for supplies and material.

On Walnut Street 4200 feet of car rails were removed and the street was widened an average of 10 feet for the entire distance. Necessary catch basins and drainage were constructed for that length. It is hoped that in 1938 the remaining rails will be removed and the road reconstructed from Broadway to North Saugus square.

The work begun in 1936 on Woodbury Avenue was continued for a distance of several hundred feet. Much of the work consisted of laying approximately eleven hundred feet of 10 and 12" drain pipe. Work on this project will be continued in 1938.

Highway Department

Resurfacing

\$5,000.00 was appropriated for resurfacing in 1937. All of that amount was expended for asphalt, tar, and other materials. Labor connected with resurfacing was taken care of from the Highway Department appropriation.

Following is a list of streets which received surface treatment during the year 1937:

Johnston Ter.	Hood St.

Elm Street Bridge

For several years this bridge has been a source of trouble to the department, and from time to time it has been necessary to relay large sections of the planking. The underpinning was in such condition that it would have been necessary to entirely replace it.

In conjunction with the \$1,000.00 which was appropriated in 1936, an additional \$1,000.00 was appropriated at the regular town meeting in 1937, to which the Finance Committee transferred the sum of \$400.00, making a total of \$2,400.00.

In the fall of 1937 the old wooden structure was replaced by a modern re-inforced metal arch culvert, capable of supporting an H20 load. The metal arch was set on concrete footing with head walls and wings of the same material. A pipe rail fence was erected on each side as a safety measure.

The plans and specifications for this bridge received the necessary approval from the State Department of Public Works before the work was begun.

Ballard Street Bridge

This bridge has also been a great source of trouble in the past several years, and was unsafe for heavy loads. The hazardous condition which existed at this point was called to the attention of the Finance Committee by the Superintendent of Public Works.

In order to eliminate the hazard, the Finance Committee transferred the sum of \$798.00 to the Highway Department account. With this sum the old decking was replaced with one of new hard pine. Of the amount set aside for the purpose of rebuilding the bridge, \$605.06 was expended for materials, and \$192.94 for labor.

Dudley Street

\$3,500.00 was appropriated for the reconstruction of Dudley Street. The work consisted of spreading from 6 inches

to 10 inches of gravel which was then penetrated with tar and hardened. Over this base a layer of pea stone was spread, which was in turn penetrated with asphalt, and rolled. All catch basins were raised or lowered to grade. Gravel sidewalks were constructed for the entire distance on each side of the street. Suitable warning signs were purchased and erected.

Collection of Ashes

The work of this department continues to increase each year. In previous years it has been possible for the crew engaged in this work to make their collection in approximately three days. With the increase in territory it now requires four or more days each week. The present dumping places are as follows:

Saugus Center—off Appleton St.

East Saugus—lower end of Bristow St.

Clifftondale—lower end of Hurd Ave.

These dumping places are kept as clean as possible under the present appropriation.

Water Department

At the Town Meeting, in the spring of 1937, a Bond Issue of \$40,000.00 was voted for necessary water extension and relocations along the Newburyport Turnpike.

Of eleven separate projects for which this sum was voted, ten were completed. The eleventh one consisted of laying approximately 200 feet of 8-inch cast iron pipe for the purpose of making an emergency connection with the Metropolitan District water system. The City of Melrose agreed to such connection but the Metropolitan District Commission refused to consider it.

In the course of widening the Newburyport Turnpike the cost of relaying and relocating the existing mains was assumed by the State in their contract. This work was completed under the supervision of both the State and Town authorities.

During 1937 several more large leaks in the water system were located and repaired, which resulted in a saving of several thousand dollars.

Comparison of Water Used in 1936-1937

No. of gallons used in 1936.....	332,876,250
No. of gallons used in 1937.....	289,156,500
<hr/>	
Savings in gallons used in 1937.....	43,719,750
At \$68.00 per million gallons this means	
a saving to the town of	\$2,971.00

The Superintendent of Public Works believes that notwithstanding the fact that a substantial saving was effected during the past year, a further and much greater saving can be made.

With such a saving in mind, it is recommended that the Town appropriate a sum of money in 1938 which will cover the cost of a survey of our entire water system.

Booster Pumps

During the summer months, when water consumption is at its peak, certain sections of the Town have little or no pressure. Such a condition is not only inconvenient to the taxpayers of these districts, but it is also a handicap to the Fire Department in the event of fire.

In order to correct conditions at these points it is recommended that automatic booster pumps be installed, one on Great Woods Road, and one on Walden Avenue.

Water Extension

During the year 1937 several water extension projects were completed.

On Hawkes Street, a W. P. A. water project, the line was continued to a point approximately 1,000 feet east of Broadway.

Work on the Shore Road W. P. A. project was suspended in the early spring because of lack of funds. Additional funds having been provided, work has been resumed.

6-inch cast iron pipe lines were also laid on the following streets:

Evergreen St.

Allison Rd.

Columbus Ave.

School St.

Water Main Repairs

Leaks were located and repaired at the following points:

Victoria St.	6-in. C. I. main	Joint leak
Highland Ave.	6-in. C. I. main	Lowered
Ballard St.	6-in. C. I. main	Split pipe
Hampstead St.		Joint leak
Cor. Main & Broadway	10-in. C. I.	Break
Winter St.	8-in. Cement main	Break
Crescent Ave.	6-in. C. I.	Plug
Broadway near Anderson's	8-in. C. I.	Split pipe
Taylor St.	6-in. C. I.	Joint leak
Broadway near Flynn's	8-in. C. I.	Joint leak
Ballard St. Bridge (underwater)	6-in. C. I. main	Joint leak
Wormstead St.	4-in. C. I. main	Raised
Riverbank Rd.	8-in. C. I. main	Lowered

Hydrants and gates repaired

Hydrants

In order that the hydrants in Town be kept in as good condition as possible we have continued the policy of checking them twice each year. Servicing and inspecting is carried on under the supervision of the water main foreman, Ernest Swett, and a man from the Fire Department.

Hydrant replacements have been limited by the appropriation. There are still many hydrants in Town which should be replaced because of their age, and a definite sum should be appropriated each year to care for this situation.

Water Comparison

The Public Works Department has endeavored to co-operate with all other town departments, realizing that only by such co-operation may the greatest amount of efficiency be obtained. It has been a pleasure for this department to have been able to assist the other town departments in their work of the past year.

(Signed) ERNEST A. MERRITHEW,
Superintendent of Public Works.

Report of the Town Engineer

The following report has been submitted to the Superintendent of Public Works by the Town Engineer.

In accordance with the practice of all engineering offices, a daily diary is kept notating the work covered and the activities of the personnel of the department.

In reviewing my records of the past year, 1937, I submit the following activities of the department.

Scope of Work

Surveys, grades and street lines, water system, assessors' plans, estimates, plans and drawings, tracings, WPA projects, supervision of work and miscellaneous.

Highways

Highland Ave.:	Survey and plan for acceptance and opening on Broadway.
Allard St.:	Levels for acceptance and plan.
Walden Ave. and Turnpike:	Survey and plan for opening.
Golden Hills Rd.:	Line and grade.
Taylor St.:	Grades.
Essex St.:	Survey for street line.
Dudley St.:	Line and grade for construction.
Elm St. Bridge:	Line and grade.
Lincoln Ave. cor Atlantic:	Street line.
Palmer Ave.:	Calculations to lay out for acceptance.
Grades	
Willis St., drain:	Grades and estimate for culvert.
Park St.:	Plans and estimates for culvert at Revere line.

Inspection of Cul-
verts

Summer St. drain

extension:

Layout and grade.

Stackpole's Field:

Drain grades.

Water

Located gates and made plans for same.

Golden Hills Road water extension.

Harwich Street water plans.

Broadway, located shut-offs.

Bufford Street, water lines.

Evergreen Street, lay out location of gates and boxes.

Columbus Avenue, water lines.

School Street, water extension.

Walnut Street, water extension.

Street Lines

Spring Street

Bayfield Rd.

Harrison Ave.

School St.

Central St. (Mitchell's store)

Essex St. (Daniel's)

111 Adams Ave.

Hesper St. (Maieska plan)

Estimates

Willis Street drain extension.

Woodbury Avenue releases.

Central Street, curb, west side.

Broadway, water extension.

Lincoln Avenue, Central and Winter Streets, water estimates.

Auburn Street, estimate cost of construction.

Woodbury Avenue, water estimate.

Broadway, estimate for Penney.

Land Court and Park Commission for assessors.

School Street water extension.

Jasper Street, gravel walk.

Removal of car rails, Lincoln Avenue and Winter Street.

Estimate for drainage on nine streets.

Miscellaneous

- *Bufford Street, plan and profile for acceptance.
- *Buena Vista Street, survey for acceptance and plan.
Index plans and books.
Assessors' work.
Locating, relocating areas, etc.
- *Survey of Vine Street, from Main to Highland Avenue.
- *Felton Street, survey corner at Essex Street.
- *Plan of town for Fire Department, showing water courses.
Sidewalks, lines and grades, for WPA from April to December.
- *Town Farm, survey of land taken by state for new road.
- *Felton and Essex Streets, survey of curve.

* Plans for above are on file.

(Signed) JOHN DYER,
Town Engineer.

Report of the Superintendent of Fire Alarm

January 2, 1938.

To the Board of Selectmen and
Residents of the Town of Saugus:

I hereby submit this report (my fifth) of the activities of the Fire Alarm Division of the Fire Department during 1937:

Wire placed, 53,280 feet.
Wire removed, 36,830 feet.
Underground Duct placed, 465 feet.
Poles changed over, 87.
Tower Bells—Rewound, 56 times.
Tower Bells—Failures, 6.
Tower Bells—Repairs, 8.
Boxes—Rewound after alarms, 121.
Boxes—Failures, 2.
Boxes—Obsolete, replaced, 3.
Boxes—Placed, new, 2.
Line failures, 2.
Cross Arms—Placed, 281.
Cross Arms—Removed, 126.
Tappers—Placed, 6 (Firemen's Homes).
Tappers—Removed, 4.
Tappers—Repaired, 4.
Repeater—rewound, 159 times.
Repeater—repaired, 3 times.
Line moved on account of Road Work, 11 times.
Boxes moved on account of Road Work, 13 times.

The system has sent out:

121 Alarms of fire.
6 No School signals.

2 Boy Scout calls.

1 Police call.

A total of 5585 blows on the system.

The two line failures, listed above, were both caused by road construction equipment in use on the Turnpike.

The three Gardner boxes which were classed as a definite hazard by the Underwriters in their recent survey have been replaced by up to date approved boxes.

This department has had a busy year, due to the Turnpike reconstruction and wishes to say "Thank you" here to the telephone company's forces under Mr. Bagley, and to the Line Department of the Lynn Gas and Electric Company, under Mr. Finnegan, for their unfailing cooperation and help, both in labor and in information.

We have some forty fire alarm boxes in service, which are the original group, placed about forty-five years ago. It is recommended that a program be started of replacing five a year with approved boxes, and also installing five additional boxes yearly. This program will rid us in about nine years of these obsolete and unapproved boxes now in use, and by the slow addition of the new boxes, protection will be given where badly needed.

Too much emphasis cannot be placed on equipping the available fireproof space in the new Fire and Police Building with a modern fire alarm office. The present equipment is overloaded and well-worn. The numerous fumigations it has undergone in its present far from fireproof location have not improved its condition. The space it now takes up is needed by the Engineering Department badly. A modern Central Station equipment would permit changing the "Time" of the system from 2 seconds to $\frac{1}{2}$ second, which would reduce the present time required for an alarm to be recorded to one-fourth of the present time. (Box 27 now takes $31\frac{1}{2}$ seconds to register once; on $\frac{1}{2}$ second time this would be only $7\frac{3}{4}$ seconds.) A new Central Office is strongly

recommended by the New England Insurance Exchange and is listed as one of the first things to do in our attempt to lower our insurance rate by providing better fire protection.

Respectfully submitted,

RAY S. WADE,

Superintendent Fire Alarm.

Report of the Inspector of Buildings

January 28, 1938.

To the Board of Selectmen,
Town of Saugus, Massachusetts.

Gentlemen:

The following is the report of the Inspector of Buildings for the year 1937, which gives the type, number and value of permits issued.

Type	Number	Value
Dwellings	26	\$ 85,100.00
Remodeling	22	13,167.00
Additions	41	16,670.00
Garages	27	3,995.00
Overnight Cabins	12	1,550.00
Greenhouses	5	2,250.00
Outhouses	10	2,380.00
Boy Scout Camp	1	400.00
Machine Shop	1	15,000.00
Stores	3	12,000.00
Roadside Stands	2	12,000.00
Gasoline Stations	2	3,350.00
Foundations	11	6,100.00
Moving House	4	1,300.00
	<hr/>	<hr/>
	167	\$175,262.00

(Signed) JOHN WILLIS WHITE,
Building Inspector.

Report of the Sealer of Weights and Measures

To the Honorable Board of Selectmen:

I submit the following report for the year ending December 31, 1937.

Sealed Condemned

Scales

Platform over 5000 lbs.	6	1
Platform 100 to 5000 lbs.	3	5
Counter 100 lbs. or over	3	1
Counter under 100 lbs.	17	4
Beam under 100		1
Spring 100 lbs. or over	5	2
Spring under 100 lbs.	53	11
Computing 100 lbs. or over	1	1
Computing under 100 lbs.	43	5
Prescription scales	3	

Weights

Avoirdupois	48	4
Apothecary	33	
Metric	27	1

Capacity Measures

Liquid	20	
Fuel baskets	4	
Gasoline meters (electric)	87	13
Gasoline meters (hand)	16	3
Fuel truck meters	17	2
Stops on pumps	80	
	<hr/> 466	<hr/> 54

Trial Weighings of Commodities Put Up for Sale

	Total Tested	Number Correct	Incorrect Under	Over
Bread	401	282	93	26
Butter	544	482	59	3
Coal (in paper bags) ..	599	555	31	13
Coal (in transit)	17	17		
Sugar	338	330	8	
Beans	145	132	13	
Peas	12	12		
Flour	244	232	11	1
Potatoes	171	160	5	6
Beer (in cans)	200	182	18	
	<hr/> 2671	<hr/> 2384	<hr/> 238	<hr/> 49

Inspections Made

Peddlers' licenses	14
Coal Certificates	17
Bread markings	401
Bag coal markings	599
Clinical thermometers	47
Ice scales	5
Junk scales	7
Peddlers' scales	6
Oil jars	276
Sworn weighers' certificates	14
	<hr/> 1386

Weighings and Measurements for Town

Coal	1,285 tons
Gasoline	34,658 gals.
Tar	14,463 gals.
Asphalt	13,892 gals.
45 Oil	7,080 gals.

Investigated 36 complaints of short weight or measure.

I recommend that the town purchase a thirty-ton scale so that everything purchased by the town can be weighed. A number of cities and towns in Massachusetts have done so and find that it is good business. Some of our neighboring towns have them, for example: Melrose, Revere, and Peabody.

Respectfully submitted,

ALFRED H. WOODWARD,
Sealer of Weights and Measures.

Tax Collector's Report

To the Citizens of Saugus, Mass.;

I hereby submit the annual report of the Collector of Taxes.

Viola G. Wilson, Collector, in Account with the Town of Saugus:

REPORT OF TAX COLLECTOR'S FEES

January 1, 1937, to December 31, 1937.

To the Citizens of the Town of Saugus:

I hereby submit my report of Tax Collector's Fees for the year 1937.

51	Tax Certificates at \$1.00	\$51.00
90	Water Lien Releases at \$1.00	90.00

Paid to Town Treasurer\$141.00

VIOLA G. WILSON,

Collector of Taxes.

Report of the Contributory Retirement Board

December 31, 1937

Honorable Board of Selectman,
Town Hall,
Saugus, Mass.

Gentlemen:

The Retirement Board herewith submits its first annual report for the year ending December 31, 1937

On July 1, 1937, the Contributory Retirement Pension Act for cities and towns of the Commonwealth became effective and all regular employees of the town were given the opportunity to become members of the system. Practically all eligible employees accepted and are now regular contributing members. All regular employees who were 70 years of age or over on the first day of July 1937, applied for the statutory extension of two years employment and were granted same by unanimous vote of this Board in accordance with the statute.

A great amount of statistical data regarding the employment history of every employee was required by the State Division of Insurance in order that actuarial figures might be compiled for the establishment of proper prior service credits of employees. This data together with the setting up of the accounting system and the operation of same was of necessity taken care of by the Town Accountant's office and has substantially increased the detail work of this office.

The members of the system are classified as Group 1 and Group 2. Members of Group 2 include policemen and firemen only and members of Group 1 include employees of all other departments. During 1937 there were no Group 2 members but in 1938 and the future years all persons appointed as regular policemen and firemen will automatically become members as under the statute this becomes a condition

of employment. This also applies to any regular employee in other departments employed on and after July 1, 1937.

The following is a schedule of Group 1 members:

Total contributing members in 1937 ..	68
Terminated Service	1
Retired	1
Deceased	1
	<hr/>
	3

Total contributing members December 31, 1937 65

Total non-contributing members in 1937	8
(Over 70 years of age)	
Retired (Voluntary)	1
Retired (Compulsory)	3
	<hr/>
	4

Total non-contributing members December 31, 1937 4

Total members December 31, 1937 69

The following is a statement of condition:

Total contributions by members	
(July 1st to	
December 31st)	\$2,310.08
Total pensions paid retired members	\$636.90
Total refunds paid to members	
who terminated service	19.01
	<hr/>
Total disbursements—Trust Funds	\$655.91
Balance on hand in Annuity Savings and	
Annuity Reserve Funds as of	
December 31, 1937	\$1,654.17
Expense Fund—For Operation	
and Administration	\$200.00
Books and records of Account,	
printing, stationery and postage	\$164.38

Balance on hand in Expense Fund as of December 31, 1937	35.62
--	-------

Total Contributory Retirement Funds on hand December 31, 1937	<hr/> \$1,689.79
--	------------------

The acceptance and establishment of this system guarantees every member who retires after faithfully serving the town over a period of years a pension and annuity commensurate with his earnings during this period of employment and will eliminate many special acts of legislation for pensions which has been customary in the past. Statutory provision has also been made for the refunding of accumulations to employees who terminate their service before reaching the retirement age. The fund is administered locally and can only be invested in legal investments for savings banks and must be done under the supervision and with the approval of the State Division of Banking and Insurance.

In conclusion, this Board wishes to thank Mr. Kenneth H. Damren of the Division of Accounts, Mr. Francis A. Donovan, Jr., of the State Division of Insurance, the department heads and employees who have so splendidly cooperated with us in the successful establishment and operation of this system.

Very truly yours,

EDWARD GIBBS, JR., Chairman
WILLIAM ROBINSON, Secretary
RALPH QUIRK
Contributory Retirement Board

REPORT OF AN AUDIT
OF
THE ACCOUNTS OF
THE TOWN OF SAUGUS

●

For the Period from
SEPTEMBER 16, 1934, TO MARCH 30, 1937

●

Made in Accordance with the Provisions of
Chapter 44, General Laws

Inserted in Accordance with the General Laws,
Chapter 44, Section 40.

●

January 10, 1938

THE COMMONWEALTH OF MASSACHUSETTS

Department of Corporations and Taxation
Division of Accounts
State House, Boston

Henry F. Long,
Commissioner
Theodore N. Waddell,
Director of Accounts

January 10, 1938.

To the Board of Selectmen,
Mr. William S. Rockhill, Chairman,
Saugus, Massachusetts.

Gentlemen :

I submit herewith my report of an audit of the books and accounts of the town of Saugus for the period from September 16, 1934, to March 30, 1937, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. Herman B. Dine, Assistant Director of Accounts.

Very truly yours,

THEODORE N. WADDELL,
Director of Accounts.

Mr. Theodore N. Waddell,
Director of Accounts,
Department of Corporations and Taxation,
State House, Boston.

Sir :

In accordance with your instructions, I have made an audit of the books and accounts of the town of Saugus for the period from September 16, 1934, the date of the previous

examination, to March 30, 1937, and submit the following report thereon:

The financial transactions of the town, as recorded on the books of the several departments receiving or disbursing funds for the town or committing bills for collection, were examined for the period covered by the audit and compared with the books and records in the offices of the accountant and the treasurer.

The books and accounts in the accountant's office were examined and checked in detail. The recorded receipts were compared with the treasurer's books and with the records in the several departments collecting money for the town, while the payments, as entered, were checked with the treasurer's cash book and with the treasury warrants. The appropriations, transfers, and loans authorized, as recorded on the ledgers, were checked with the town clerk's records of town meeting votes, with the records of transfers from the reserve fund authorized by the finance committee, and with the approvals of appropriations, loans, and transfers voted by the Emergency Finance Board.

The ledger accounts were checked and analyzed, the many necessary correcting and adjusting entries were determined and made, a trial balance was taken off proving the accounts to be in balance, and a balance sheet, showing the financial condition of the town as of March 30, 1937, was prepared and is appended to this report.

A careful study of the appended balance sheet shows that the financial condition of the town is not satisfactory. As of March 30, 1937, there is an actual revenue deficit of \$23,060.23, as well as unprovided for accounts, overdrawn appropriations, and overlay deficits amounting to \$26,538.12, which were not provided for in the 1937 tax levy. (1)

No improvement in the financial condition of the town may be expected unless liabilities incurred are limited to the amounts appropriated by the town, and unless the provisions of law are fully carried out in the determination of the tax levy. (2)

In order to prove the accountant's ledger, it was again necessary to check postings of receipts and payments so as to locate differences and to bring the cash transactions, as entered in the ledger, into agreement with the actual treasury receipts and payments. A great deal of time was spent in the detailed analysis of the general ledgers for 1934, 1935, and 1936, which indicated that the ledger work performed was so inaccurate throughout the years as to render the ledger valueless as a control of departmental transactions and as a means of readily determining the financial condition of the town at all times.

An examination of the original vouchers and pay-rolls on file was made and it was found that a number of bills did not have sufficient detail, that some vouchers and pay-rolls did not bear the required approval of the head of the department, and that some of the bills paid did not fully meet the statutory requirements. The following types of payments illustrate the latter.

Payments of town employees' salaries in advance of actual service rendered; payment of premiums for workmen's compensation insurance on certain clerical and other employees without the necessary town vote and certification required by Chapter 403, Acts of 1936; payment of out-of-state travelling expenses without a specific appropriation as required by Clause 34, Section 5, Chapter 40, General Laws; payment of regular weekly pay-rolls of the treasurer's office charged against a specific appropriation voted for the purpose of determining the validity of tax titles; and the payment of pay-rolls and expenses for the local audit of the tax collector's accounts without any provision therefor by appropriation.

The books and accounts of the town treasurer were examined and checked in detail. The recorded receipts were analyzed and compared with the records in the several departments in which money was collected for the town or in which charges originated, with the other sources from which money was paid into the town treasury, and with the accountant's books. The recorded payments were checked with the warrants authorizing the disbursement of town

funds, with the original vouchers and pay-rolls on file, and with the records in the accountant's office.

The treasurer's cash book footings were verified, and the cash balance on March 30, 1937, was proved by actual count of the cash in the office and by a reconciliation of the bank balances with statements furnished by the banks of deposit.

It is recommended that discounts on temporary loans and the state taxes and assessments be placed on the treasury warrants, so that the total of the treasury warrants may equal the total of the disbursements.

The recorded payments on account of maturing debt and interest were proved with the amounts falling due, being checked with the cancelled checks, securities, and coupons on file. The outstanding coupons on March 30, 1937, were listed and reconciled with the balances in the coupon account as shown by statements furnished by the banks of deposit.

Difficulty in reconciling the interest coupon accounts was encountered due to the lack of an adequate debt record. It is essential that a detailed record of the town debt and the interest due thereon be kept by the town accountant as required by Section 57, Chapter 41, General Laws. Such a record, if kept up to date, will furnish detailed information on the outstanding debt and interest and the correct amounts that must be provided for annually to meet debt and interest requirements.

The payments on account of maturing principal of the Fire and Police Station Loan of 1934, on which account \$5,000 has been due annually since 1935, should be provided for annually by transfer from the balance in the Federal Grant account amounting to \$14,929.71, as shown on the appended balance sheet, and the annual town appropriation for maturing debt correspondingly reduced until the available reserve is exhausted.

Premiums received on loans issued should be set up separately and reserved to apply to the payment of the cost of preparing and issuing the bonds on which the premium

was received. Charges for issuing a loan in excess of the specific premium received were found to have been made against the premium account.

The securities and savings bank books representing the investments of the library and cemetery trust funds in the custody of the town treasurer were personally examined and listed, the income being proved and the withdrawals verified.

Income from cemetery perpetual care funds which is withdrawn to defray the cost of caring for lots under perpetual care, should not be credited to the estimated receipts account, but should be set up in a separate account against which the charges for care of these lots should be made. Thus the cemetery department appropriation, to which the care of endowed lots is now charged, and the estimated receipts account, should be correspondingly reduced.

The treasurer's records of tax titles held by the town were examined and checked in detail. The taxes transferred to the tax title account were compared with the tax books, the recorded redemptions on account of tax titles were checked to the treasurer's cash book, and the tax titles disclaimed or foreclosed were checked with the recorded affidavits on file. The tax titles held on March 30, 1937, were listed and verified by a comparison with the records in the Registry of Deeds.

A great deal of the time consumed in making this audit was spent in reconciling the tax title accounts, due to the very large number of tax titles held and the complicated transactions involved. It was found that although the town has been appropriating \$850 annually for the purpose of determining the validity of tax titles, and although a number of the tax title records bear the notation of the examining attorney that, in his opinion, the tax title is invalid, the tax titles involved have not been disclaimed and subsequent taxes are still being added to these titles.

The tax possessions obtained by foreclosure of tax titles during the period covered by this audit and on hand March 30, 1937, were set up on the accountant's ledger. In checking at the Registry of Deeds, it was found that three parcels

had been foreclosed to the town by Land Court decrees but are still being assessed by the town to prior owners.

Further investigation showed that two of these properties were occupied, but no income therefrom appears to have been received by the town. One of the occupants of the property stated that he was paying no rent but that he was negotiating with the original mortgage holder for the purchase of the property. It is recommended that action be taken to protect the interests of the town in all property obtained by foreclosure of tax titles.

The books and accounts of the tax collector were examined and checked in detail. The taxes and assessments outstanding on the date of the previous examination were audited, and all subsequent commitments were verified and compared with the assessors' warrants for their collection. The collector's cash books were footed and the recorded collections were compared with the payments to the treasurer as shown by the treasurer's and the accountant's books. The recorded abatements were checked with the assessors' records of abatements granted, and the taxes and assessments transferred to the tax title account were reconciled with the records of tax titles held by the town.

The outstanding taxes and assessments were listed and proved, and were further verified by mailing notices to a large number of persons whose names appeared on the books as owing money to the town, the replies thereto indicating that the outstanding accounts, as listed, are correct.

The collector's cash balance on March 30, 1937, was verified by actual count of cash in the office.

Attention of the tax collector is called to the provisions of Section 15-A, Chapter 60, General Laws, in regard to the payment to the town of demand fees on poll taxes.

The assessors' records of abatements granted were examined and reconciled with the collector's commitment books. The abatement record books were found to be incomplete, and it is therefore recommended that these books

be kept up to date.

The computations of the tax rates for the years 1934 to 1937, inclusive, were examined and checked. It was found that the amount of estimated receipts used by the assessors as a deduction from the amount to be raised by taxation generally exceeded the sums actually received, thereby creating deficits which tend to impair the financial condition of the town. Thus in 1935 there was a deficit of \$12,491.29 in the estimated receipts account. In 1936 there was a deficit of \$31,968.50 in the estimated receipts account, which deficit, offset by appropriation balances and additional commitments, left a net deficit in the revenue account for the year 1936 amounting to \$22,749.49.

It was found that the assessors had used as a deduction on account of estimated receipts for the year 1936 an amount which was \$26,575.51 more than the general limit and the excess authorized under Section 23, Chapter 59, General Laws.

In examining the tax rate computation for 1937, it was found that the assessors had used as a deduction on account of estimated receipts an amount which was \$1,918.96 more than the general limit and the excess authorized under the above statute. It was also noted that a \$7,000 appropriation for W. P. A. voted at a special town meeting held January 25, 1937, was not raised by the assessors; and that, although the sum of \$7,943.55 was raised for overlay deficits, it was far short of the required amount, which was \$22,305.30 as of March 30, 1937, and which, by the time the 1937 tax rate was figured, was increased by further abatements. It would also appear that the amount raised for the current year's overlay, namely, \$2,763.61, cannot be justified in view of the normal amount of abatements that have been granted during preceding years. In fact, the current overlay is overdrawn at this writing.

In connection with the determination of the tax levy, the receipts from sales of land obtained by foreclosure of tax titles should not be used as an estimated receipt, since such receipts are pledged toward the payment of tax title

loans under Section 3, Chapter 49, Acts of 1933. Furthermore, the receipts from sales of cemetery land should be reserved for appropriation in accordance with Section 25, Chapter 114, General Laws; and the dog fund received from the county should be voted directly to the school or library account and the town appropriation adjusted correspondingly.

The financial records of the town clerk were examined and checked in detail. The recorded receipts on account of licenses, permits, recording fees, etc., were examined and checked in detail. The payments to the treasurer were compared with the treasurer's and the accountant's books, and the cash balance on March 30, 1937, was verified by actual count of the cash in the office.

The collections on account of sporting and dog licenses issued were verified and compared with the recorded payments to the State, county and town.

The selectmen's records of licenses granted were examined. The selectmen's records for a good part of the period covered by this audit were missing, and for the periods where they were available, the records were found to be incomplete as to licenses granted by the board.

The records of charges for town hall rentals were examined and the recorded collections were compared with the payments to the treasurer.

The records of departmental charges and collections by the sealer of weights and measures, by the building, plumbing and milk inspectors, as well as by the health, public welfare, old age assistance, school, library, cemetery, and of all other departments in which money was collected for the town were examined and checked. The payments to the town treasurer were verified, the outstanding accounts were listed and proved, and the cash on hand in the several departments was verified by actual count.

No records of receipts were found to be kept at the town infirmary, and it was found that the school and library departments were not fully conforming with the requirements of Section 53, Chapter 44, General Laws, to the extent that

a small portion of receipts has been expended for departmental purposes without appropriation.

The commitments of water accounts receivable were examined and checked in detail. The payments to the treasurer were verified by a comparison with the treasurer's and the accountant's books, the abatements were checked with the water commissioner's records of abatements granted, and the outstanding accounts were listed and proved.

It is very essential that the provisions of Sections 42-A to 42-F, inclusive, Chapter 40, General Laws, relative to water liens, be carefully followed.

It is recommended that a determined effort be made to secure settlement of the delinquent water accounts as shown on the appended balance sheet.

It was noted that water charges against sundry town departments have been abated and the reason given therefor being "town-owned." These charges should not be abated but should be paid promptly from the proper departmental appropriation, so that the true cost of running each department may be shown and so that the water department revenue may be more accurately shown.

The surety bonds of the several town officials for the faithful performance of their duties were examined and found to be in proper form.

Appended to this report, in addition to the balance sheet, are tables showing reconciliations of the treasurer's, collector's, and town clerk's cash, summaries of the tax, assessment, departmental, and water accounts, as well as schedules showing the condition and transactions of the several trust funds.

For the cooperation extended and the assistance rendered by the several town officials during the audit, I wish, on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted,

HERMAN B. DINE,

Assistant Director of Accounts.

Report of Public Library Trustees

The Trustees of the Saugus Public Library submit their annual report.

During the past year, we have made repairs to the front doors of the main building by bolting the door frame to the masonry and adding kickplates to the doors to keep them in shape during rain storms. This we hope will do away with the swelling of the doors and make the opening and closing an easy matter.

Some of the gutters which did not need replacing when the addition was made were found to have rusted and they have been replaced with copper ones which will last for many years.

A ventilator which was improperly fastened when the building was erected causing a roof leak has been secured and we have had no trouble from it since.

The gas entrance which was put in when the building was erected had no outside or inside shut-off and led through the coal pile. In case of fire with a full bin it would have been a hazard. The Lynn Gas and Electric Company, on having the matter called to their attention, changed the entrance to a conduit which was made for the purpose when the building was erected, and installed an outside and inside shut-off conforming to modern practice.

In conference with the Superintendent of Schools and the High School Principal, it was decided to open a branch at the High School containing most of the books on the school reading list. This was opened at the beginning of the fall term and gives the pupils better facilities for using those books. This was put on trial for one year.

The cement floors in the historical room (so called) and the Cliftondale branch have been painted which gives a better appearance and minimizes the dust problem.

We have had trouble during the winter from cold drafts coming through the cracks in the joints of the windows. We have had the windows and doors weather stripped which adds to the comfort of those in the building and helps the heating problems.

In the spring of the year and continuing in the fall, book reviews have been given in the historical room. Rev. Mr. Schwenk of the First Parish Church has conducted the reviews and those who have attended have been well repaid for the time spent there. The Trustees extend their thanks to him for giving the townspeople this educational opportunity.

The passage of the Contributory Retirement Pension Act by the legislature made it necessary for the Trustees to look forward to the time when the present librarian would be retired. They engaged Miss Margaret Cameron, a graduate of Simmons College in the library course and who has had practical experience in library work as assistant. She will have time to become familiar with our problems before the time comes for the present librarian's retirement.

The circulation record for the year 1937 is as follows:

Main library	37,360	(953—High School)
Cliftondale	34,904	
East Saugus	5,970	
Lynnhurst	3,090	
North Saugus	1,401	
		<hr/>
Total	82,725

Report of Town Employment Officers and W. P. A. Certifying Board

December 31, 1937

To the Honorable Board of Selectmen,
Town of Saugus,

Gentlemen:

The first aim of this board has been to certify and systematically arrange in classes each and every person who has appeared before us. Secondly, we have diligently maintained contacts with every possible source of employment, that the greatest number of cases be given work at all times.

Through this system, we were able to certify and place three hundred and fifty-eight (358) laborers and thirty-seven (37) carpenters on the projects of B. Perini & Sons, for varying periods of from one week to a full year. Eighty-seven (87) laborers were placed on the Frank P. Bennett Highway project. Warren Bros. accepted seventy-five (75) men among them skilled carpenters, firemen, truck drivers and laborers. In addition, one hundred and eighty-one (181) men were sent to the Federal Flood Control Project at Haverhill, for from four to five months' employment. Twenty (20) men were used by the Lynn Gas and Electric Company for laying new mains on the Newburyport Turnpike.

On December 31, 1937 this board had a total registration of one thousand one hundred and twenty-four (1124) persons, divided as follows:

Employed on W. P. A.	285
Not qualified	191
Receiving Soldier's Relief	45
Youths	80
Seeking employment	523

Total1124

The five hundred and twenty-three (523) seeking employment together with their dependents represent a total of two thousand and ninety-two (2092) persons.

A summary of the above shows one family out of every seven in the Town of Saugus seeking support from the Federal Government or from one of the various social agencies which render assistance to the needy.

To the Board of Selectman, the Board of Public Welfare, the Director of Soldiers' Relief, the Superintendent of Public Works and all other town departments which have co-operated with us, we wish to extend our sincere thanks

We respectfully submit the above report,

GEORGE B. DIXON,
L. ELMER DAY,
DELMONT E. GODING,

Certifying Board for the Town of Saugus.

Report of the Chief of Police

January 1, 1938

To the Honorable Board of Selectmen:

It again becomes my pleasure to present to you my seventh annual report of the Police Department during the year 1937.

The department consists of a Chief, one Captain, one Lieutenant, eleven patrolmen, and five reserve officers. There are also forty special police officers. Of this amount twenty-seven of them are equipped with uniforms and are capable of doing regular police work in emergencies. There are also the watchmen at the Lynn Water Shed, who are special police officers. There are seven in this group.

The roster of the Police Department is as follows:

Chief

John T. Stuart

Captain

Henry P. Wheaton

Lieutenant

Roland E. Mansfield

Regular Patrolmen

James P. Sullivan

Thomas F. Spencer

Clarence H. Berrett

Walter F. Neal

William MacDougall

William F. Cahill

Joseph A. Lambert Jr.

Ernest A. Dunham

James F. Maher

Howard P. Berrett

Carl G. W. Pearson

Reserve Patrolmen

Rosario A. Buccheire

John E. Luoma

Walter J. Ellsmore

Edgar T. McKenney

Edward F. Newbury

Daily Reports of Officers Show the Following

Complaints received 1126, Complaints investigated 466, Doors and Windows found open 354, Autos stolen 20, Autos recovered 26, Articles lost 41, Articles found 47, Persons missing 53, Persons found 49, Dogs lost 68, Dogs found 114, Lights found burning 61, Conveyed to hospitals 195, Conveyed from hospitals 59, Fires responded to 81, Breaks 76, Larcenies 143, Dog bites 43, Dogs barking 62, Birds and Animals killed by dogs 35, Property damaged or destroyed 112, Playing in street 331, Domestic troubles 36, Drunks 71,

Assaults 49, Holes in streets and sidewalks 55, Disturbances 80, Animals killed 72, Miscellaneous complaints 468, Miscellaneous reports 301. All others 385.

During the year 1937 there were 781 arrested. Of this amount 742 were males, 29 females, 10 juveniles. This is an increase over 1936.

These arrests for the following offenses:—Drunkenness 276, Operating a motor vehicle under influence of liquor 60, Violation motor vehicle laws 172, Law of the road 12, Larceny 19, Larceny delinquent 2, Violation school law 5, Non-Support 1, Assault 2, Assault & Battery 26, Violation gaming laws 7, Breaking and entering and larceny 12, Illegitimacy 1, Indecent exposure 1, False alarms 2, Evading fare 1, Robbery 2, Disorderly conduct 12, Stubborn child 1, Lewd and Lascivious 1, Abortion 1, Accessory before the fact to abortion 1, Rape 4, Accosting 1, Arson 1, Adultery 2, Tramp 1, Vagrant 2, Disturbing the peace 7, Trespassing 4, Destroying personal property 2, Assault with intent to rape 2, Attempt to rescue a prisoner 2, Bathing in domestic waters 1, Violation of Town by-laws 2, Violation of Fish and Game Laws 3, Setting fires without permit 4.

Dispositions of the year's arrests are as follows: Fined 233, Filed 186, Released 110, Dimissed 12, Discharged 28, Committed to House of Correction 27, Committed to State Farm 7, Held for Grand Jury 28, Costs of Court and Filed 9, Placed on Probation during the year 1937 11, Surrendered to Lyman School 1, Committed to State Hospital 1, Arrests for Out of Town Police 128.

The nativity of the persons arrested, segregated are as follows: Americans 564, Canadians 20, Dutch 2, Polish 24, Irish 4, French 3, Greeks 2, Swedish 2, Scotch 5, English 7, Italians 20, Jews 3, Norwegians 2.

The total amount of fines collected in the Saugus Police Court for the year 1937, amounted to \$1378.00 Of this amount the Town of Saugus received \$473.00, and the County of Essex \$895.00, the Commonwealth of Massachusetts \$10. From the Lynn District Court the Town of Saugus received \$195.20 which is a slight increase over 1937.

At this time I wish to call to your attention that fact that your department is very much undermanned, and under paid. When you look around and find that towns our size and much smaller in population, and area, and not in the condition we have here in the Town of Saugus are paying for patrolmen \$2200 per year or \$6.00 per day as of Saugus \$2007.50 per year or \$5.50 per day. This will be a matter for the town meeting members to consider at the Annual Town Meeting this year. The reason we are asking for this increase, is the high cost of living, also outside cities and Towns supply their men with uniforms and other equipment. The Saugus Police are one of the lowest paid departments in the State, and one that has very much more work and crime to handle. We are entitled to the request we are asking for, and hope you will see your way clear, and give the Department a just wage that is comparable with other departments, so that the men will continue to give the same efficient work as in the past.

In conclusion I wish to thank the Honorable Board of Selectmen, the several town officials, and all the citizens of the town who by their co-operation and good will aided me in maintaining the high degree of efficiency that the Police Department ranks. I also wish to thank Judge Charles E. Flynn for his co-operation during the past year. Last, but not least, I want to thank all the members of the Department for their part in keeping the efficiency of the Department at a high standing.

Respectfully submitted,

JOHN T. STUART,
Chief of Police.

Report of Cemetery Commissioners

Your Commissioners are pleased to report that during compared with running expenses of \$8,543.92. They are the year 1937 the receipts of the Cemetery were \$12,027.85, turning back to the Town as unexpended, the difference between \$8,700 appropriated and the above mentioned amount.

At the last Town Meeting there was appropriated \$3000.00 for filling the pit on the Montieth lot (so called) purchased the previous year. We were fortunate in securing advantageous bids for this fill, and have expended to date \$2,314.77 of the \$3000.00, leaving a substantial amount to complete the job.

There is a special article in this year's warrant asking for \$1200.00 for a new wall on the Winter Street side of the Montieth land (so called), some 230 feet long, to match the wall already bordering the Cemetery on Winter Street.

There are a few lots remaining in the main Cemetery, but with the new land purchased in 1935, and with this wall built to match the wall already bordering the Cemetery, it will add much to the appearance of this new plot and enable us to care for our citizens for some years to come.

We want to acknowledge the splendid co-operation given us during the year by Superintendent Merrithew of the Public Works Department, who has always been ready and willing to help out on short notice.

A suggestion has recently been made that eventually a crematory be built in the Cemetery, and as we have a splendid site available this is worth the consideration of the people of the Town and the Commissioners in future years.

A substantial amount has been added to the Perpetual Care Fund during the year but the interest paid by the Savings Banks is so small that this amounts to much less than

the Commissioners had hoped, but with the return of higher interest rates, it will mean a substantial income toward the care of the grounds.

HENRY A. B. PECKHAM, Chairman

WILLIAM E. LUDDEN,

BENJAMIN A. FULLERTON,

Cemetery Commissioners

Report of Safety Committee

The Safety Committee, out of the appropriation of \$100 made at the last annual town meeting, expended \$98.75. This did not cover the cost of work done but we were able to do this with the co-operation of the Public Works Department, who furnished all labor for painting streets, etc., adjoining the school buildings.

We are asking the Finance Committee to give us an appropriation of \$150 extra this year, as the traffic signs around town have been pretty well battered by youths who enjoy decorating them with missiles. These should be replaced and a number of new signs erected for safety in the town, all of which can be accomplished without any labor expense.

Thanks of the Committee are due Chief John T. Stuart, of the Police Department, who has taken an active interest in the Safety Campaign and done splendid work with his force during the year.

SAUGUS SAFETY COMMITTEE,

Henry A. B. Peckham, Chairman

Report of the Board of Public Welfare

To the Citizens of the Town of Saugus:

Your Board of Public Welfare herewith submits its annual report for the year ending December 31, 1937.

The appropriation for Public Welfare at the Annual Town Meeting was \$37,500.00; refunds amounted to \$117.50, plus Federal Grants of \$1,902.66 for Aid to Dependent Children, making a total of \$39,520.16.

The expenditure of the Division of Public Welfare was \$30,893.22 and that of Aid to Dependent Children, \$5,086.50 making a total expenditure of \$35,979.72.

At a special Town Meeting held October 4, 1937, \$3,000.00 was transferred to Soldiers' Relief and \$500.00 to Infirmary accounts, respectively. Forty dollars and forty-four cents was returned to the Town Treasury as an unexpended balance.

In the Old Age Assistance Division, the appropriation at the regular town meeting was \$27,500.00 with refunds of \$714.32 during the year, plus Federal Grants of \$37,132.62 and a Federal Administration Grant of \$1,237.62 making a total of \$66,684.56.

The total expenditure of the Division of Old Age Assistance including administration was \$60,491.46. Six thousand, ninety-three dollars and ten cents was returned to the Town Treasury as an unexpended balance.

It is an interesting fact, and we feel it should be brought to the attention of the taxpayers, that while the total expenditures of the three divisions, namely: Old Age Assistance, Aid to Dependent Children and Temporary Aid, amounted to \$96,471.68 that the Town received during the year, through Federal Grants, reimbursements from the State and Cities and Towns \$57,521.22, making a net cost to the Town for all de-

partments under the jurisdiction of the Public Welfare, \$38,-950.46.

The average number of families aided on Temporary Aid was 262, representing approximately 1,310 persons; under Aid to Dependent Children, 12 families, representing 42 persons. The number of recipients on Old Age Assistance totalled 272 in 1937.

Through this Department, 24 boys from families formerly or now on relief have been sent to Civilian Conservation Corps Camps during the year.

We have done our utmost to lighten the burden of the taxpayers by co-operating with other departments in the town, insomuch that the following is a list of work days performed in the several departments by the recipients of Temporary Aid:

	Men	Days
Public Works Department	92	138
Town Farm	211	214
Cemetery	167	178
Town Hall	9	10
W. P. A. Commissary	21	24

The W. P. A. Commissary now located in the Town Hall has been a medium of added relief, not only to those actually on welfare rolls but also to a large number of families whose income was so small that the Board felt justified in certifying them for clothing and commodities as they are available.

Your Board of Public Welfare wishes to go on record at this time as thanking the private charitable organizations in the Town for their splendid co-operation in aiding so many of our people who have refrained from applying for public aid.

We have endeavored to conduct the Department in an efficient and business-like manner, keeping ever in mind our duty to the applicant for assistance, also our responsibility to the taxpayer.

Report of the Town Infirmary

The appropriation at the Annual Town Meeting was \$4,000.00. An additional sum of \$500.00 was transferred at a special town meeting held in October, from the Public Welfare appropriation to this account and the sum of \$93.00 was transferred from the reserve fund to the Infirmary account in December, making a total of \$4,593.00.

Receipts from produce was \$228.50.

The total expenditures for the year were \$4,592.80 with \$.20 reverting to the Town Treasury as an unexpended balance.

At the present time there are eleven inmates at the Infirmary, six men and five women.

We have delivered 75 loads of wood to Welfare recipients which is approximately 37½ cords.

Approximately two acres of land were ploughed and given to citizens of the Town for home gardens, enabling worthy families, endeavoring to solve their problem of unemployment or small income, to augment their resources. Our only regret is that more people did not see their way to take advantage of our offer.

Respectfully submitted,

ARTHUR C. DUNK, Chairman
GUSTAVE A. ANDERSON, Secretary
ERNEST M. HATCH.

Report of the Playground Commission

The Board of Playground Commissioners submit to you their annual report.

The board has met on the first and fourth Tuesdays of the month with Dr. Mary M. Penny as chairman and John J. Bucchiere as secretary and business agent.

Mr. Henry B. Winslow caretaker of Stackpole Field has been retired on pension, we appreciate the manner he served the Town as caretaker of Stackpole Field.

Improvements have been made on all playgrounds. Equipment has been added and with the addition of this equipment there has been a large increase in the number of children who have patronized our playgrounds. The Anna Parker playground has been improved, the old dump that was an eyesore to the community has been completely covered over, the grounds are in better shape than they ever were, the drainage problem has been put into the hands of the Selectmen, and they have ordered a project made up that will eliminate this hazard.

The recreation project is now under the direction of Freeman Murray who is the Supervisor of Recreation, this project is a great benefit to the school children, the Federal Government is to be commended for their contribution of funds which make up the wages of all instructors. The young children kindergarten classes under the direction of Miss Phyllis Easter have been very successful. We thank the WPA officials and the Board of Selectmen along with Mr. Frank Murphy our co-ordinator for their co-operation.

It was promised by this board that plans would be presented for a new football gridiron and bleachers on Stackpole Field; we are glad to announce at this time that the new field, clubhouse and bleachers will be ready for the opening of our 1938 high school football season next October. We thank all those who played a part in this project, but special

credit should be given to the Co-ordinator and all WPA workers who have been employed on this project; they are a credit to the Town of Saugus; we thank them all for their efforts towards having this project complete and ready for the coming football season of our high school athletes. With the installation of a drain system, new green grass turf, track, bleachers, clubhouse with all facilities we will be able to boast of one of the finest athletic plants in this part of the State, and for the first time in the history of Saugus we will present to the public a first class recreational plant with all the modern facilities and the comfort that recreation provides.

The entire cost of this stadium project will be about \$50,000. Five thousand dollars of this money will be paid out by the Town for materials, all the rest of which is for labor as the Government's contribution. We thank Mr. James Hughes, WPA field engineer, for the co-operation he has extended on local WPA supervisors in making this project what it is. We hope that all citizens will take time to look over what the WPA has helped us here in Saugus to get.

We want to thank those members of the General Electric Athletic Association who were so kind as to loan us 3000 bleacher seats. No one knew that our football team would draw the large number of people that they did, we were in no position to buy new bleachers, and for this we want to thank this board for their spirit of co-operation. If the field on Summer Street is made ready by the month of May they are contemplating the loan of their field to our high school baseball teams for the summer while Stackpole Field is under construction.

Our budget for 1938 that was presented to the Finance Committee for consideration has been reduced over that of 1937, 47 per cent, this was done in trying to keep the tax rate low. Progress is being made on all our playgrounds, and the sections of our Town where there are no playgrounds we have inserted in the Town Warrant an article for the installation of playground equipment in the following school yards: Oaklandvale, North Saugus, Lynnhurst, Roby, Armistage, Sweetser, Emerson, Ballard, Mansfield, Cliftdale.

All Town departments have been generous in their co-operation. Mr. Ralph Quirk of our Town Account's office has been of great service to us. We thank all those others who took part, and in closing may we reiterate that we are determined to carry out our constructive program to a complete end; this program when complete will provide for the safety of our school children both in life and health.

Respectfully submitted,

EDWARD A. AMERY, JR.

JOHN J. BUCCHIERE, Secretary Agent

Report of the Superintendent of Schools

To the Honorable School Committee
and Citizens of Saugus:

It is both the duty and the privilege of the Superintendent of Schools to submit his fifth annual report for the School Department, the same being the forty-fifth annual report.

The 1937 Budget

At the annual March Town Meeting of 1937 the School Department was voted a general budget of \$211,000, and a repair budget of \$4,000.

For the fifth consecutive year the School Committee is pleased to announce that the department will finish the year within its general appropriation. This is a record of which the School Committee, and the Superintendent of Schools, are justly proud.

The repair budget of 1937 was \$1,000 less than that of 1936. This reduction represented a cut of twenty per cent. from the 1936 budget, which in itself was inadequate. The School Department has found it necessary to seek two transfers from the Finance Committee which will probably total about \$785.00.

The School Committee again calls attention to the citizens the fact that such small repair budgets are not in reality a saving. They virtually allow for the making of emergency repairs only. School property cannot be properly maintained on such appropriations.

Saugus school property is easily worth one million dollars. This is the property of the citizens of the Town of Saugus. It is good business on your part to protect a million-dollar investment. It cannot be properly protected on a repair appropriation of \$5,000 a year.

To list the needed repairs for 1938 would require too much space in this report. Needless to say the list is a lengthy one.

The School Committee is still of the opinion that school buildings should be kept in repair. It cannot be done without money. It is your property. The committee can keep it in repair only to the extent that you allow.

Scholastic Standing

Scholastically our schools remain at a high standard. In 1937 Saugus High School was again rated a Class A High School by the State Department of Education. We hope it will again be so rated in 1938.

One of the conditions, however, for such a rating is as follows:

“Exclusive of the principal, the number of teachers in the school should be such that in general the ratio of pupils in the membership of the school to teachers does not exceed thirty to one.”

For the past several years in the Senior High School the ratio of pupils to teachers has been slightly in excess of this requirement. In order to reduce the ratio we added two new teachers to the High School staff in 1937. Then in September, 1937, we had an increase in the pupil enrollment of approximately one hundred which offset the two-teacher addition. In order to keep the ratio near to thirty to one I shall recommend to the School Committee that they add another teacher to the staff in January, 1938. To actually get down to the thirty to one ratio one, and perhaps two, more teachers should be added in September 1938. I am aware of the fact that these teacher additions will add a substantial amount of money to the 1938 general budget. It must be done, however, or we run the risk of losing our Class A rating for Saugus High School. The State Department of Education has been very fair with Saugus during recent years.

In 1934 the privilege of certifying our graduates to some fourteen leading colleges, which are members of the

New England College Entrance Board, was renewed for four years, or until 1938. Four-year renewals are only granted to high schools whose scholastic standing is unquestionable. I believe that we will receive a four-year renewal in 1938.

In the past seventeen years I have known of only one Saugus High School graduate who has failed in college after being certified to colleges in this group. I wonder how many high schools can point to a better record?

It is also an established fact that graduates of Saugus High School who have entered the various State Teacher Colleges have made very creditable scholastic records.

Textbook Program

Good textbooks are essential to the maintenance of a good school system.

When I became Superintendent of Schools in 1933 I made a survey of the textbooks in use in our system and found them, as a whole, to be poor. I immediately planned a five-year textbook replacement program to be started in 1933 and completed in 1937. That program was started in 1933 and was completed in 1937. Here is what we have done:

(a) Installed the Elson-Gray basal reading system in all the elementary schools of the Town from Grades I through VI.

(b) Installed the Atwood-Thomas basal geography series in all the elementary schools of the Town from Grades IV through VII.

(c) Installed the Winston Triangle Arithmetic basal series in all the elementary schools of the Town from Grades III through VIII.

(d) Installed the language series "Growth in English," basally in all the elementary schools of the Town from Grades III through VIII.

(e) Installed the World Book Company's new spelling

series in all the elementary schools of the Town from Grades III through V.

(f) Replaced hundreds of old worn out music books in various grades with new up-to-date music books.

(g) Replaced hundreds of ancient and worn out supplementary readers in the grades with the newest and best supplementary readers obtainable.

(h) Replaced thousands of Senior High textbooks and Junior High textbooks so that now in the Central Senior and Junior High School we have less than 1500 textbooks out of approximately 8000 which were published more than five years ago.

(i) Instituted libraries in several of the elementary school buildings and equipped them with modern up-to-date textbooks and reference books.

(j) Rearranged the library in the Central Senior and Junior High School and have already commenced equipping it with the best of recent reference book material.

(k) Installed Elson-Gray Reading Workbooks in all double first and second grades in the Town.

I have no hesitancy in saying that this above five year textbook program has immeasurably raised our scholastic standard and given the school system textbooks which need no apologies from anyone. Our problem during the next five years is to replace where necessary and install still better textbooks as they are printed. I would be interested to learn of any school system that has accomplished a better program of textbook replacement over a five year period with the same amount of money available.

OTHER IMPROVEMENTS

Many other improvements have been accomplished during the five year period 1933-1937: Space permits me to list only a few of the most important.

(1). School grounds have been beautified as well as made more safe for children.

Previous to 1933 our school grounds were anything but areas of beauty. Today most of them excel those of our neighboring communities. I cite the High School, the Central Junior High School, the Roby School, the Lynnhurst School, the North Saugus School, the Armitage School, the Clifondale School, the Sweetser School, the Felton School and the Ballard School. By beautifying the front areas we have compelled the children to play in the rear areas away from the danger of darting into traffic on the main thoroughfares.

(2). Every inch of ceiling in every schoolhouse has been repainted.

This has been accomplished under the Federal W. P. A. Program at negligible expense to the town.

(3). Every schoolhouse in town has been painted two coats on both the inside and the outside of the buildings.

This was accomplished under the Federal Work Relief program at small expense to the town.

(4). Every schoolhouse in town has had all interior woodwork revarnished.

This was accomplished under the Federal Work Relief program at small expense to the town.

(5). More than 3000 pupil's desks were refinished.

This was accomplished under the Federal Work Relief program at small expense to the town. It resulted in lengthening the life of these desks about 15 years.

(6). Practically every typewriter in the commercial department of the high school has been replaced.

It might be interesting to know that some of these machines had not been replaced for sixteen or seventeen years.

(7). Other new machines have been purchased for the commercial department of the high school.

(8). A sick or hospital room has been installed and equipped for students of the Central Senior and Junior High School.

(9). A school physician has been added to the staff of school physicians to serve only the Central Senior and Junior High School.

(10.) A central supply room has been established in which all supplies are stored and from which all supplies are distributed.

(11). A course in preparation for civil service examinations has been added to the Senior High School curriculum.

I believe Saugus is one of the first towns in the United States to install such a course in a public high school.

(12). Elementary school principals have been raised to a real executive status.

(13). The Chadwick tuberculosis clinic has been introduced into our school system.

This is a State clinic for the detection and prevention of tuberculosis and its services are free of expense to the town.

(14). Economy of operation has been effected.

With more pupils school costs have been lower.

(15). New sanitary toilet facilities have been installed in the Roby and Old Roby Schools.

(16). A new parking area for fifty automobiles has been established on the grounds of the Central Senior and Junior High School.

(17). Elimination of fire hazards in the Central Senior and Junior High School.

(18). Replacement of all old curtains in several buildings and of the worst in many others.

(19). Completion of roofing and gutter project at the Roby School.

(20). Centralization of all available back school pupil records in proper filing cabinets.

These were previously scattered about, many of them being tied up in bundles in the old vault in the basement of the town hall.

(21). A broadening of the physical education program to include boys of the Central Junior High School.

(22). The fencing in of Stackpole's Field to allow the school to secure a decent revenue to support an enlarged athletic program.

My thanks to the Saugus Lions Club.

(23). The purchase of additional project materials to allow the children in our special class more opportunity for handwork.

(24). The purchase of equipment to better enable our Central Senior and Junior High School cafeteria to function.

(25). The purchase of equipment and material for our High School biology classes.

(26). The improvement of the facilities and equipment of our High School chemistry laboratory.

(27). The purchase of a motion picture machine to enable us to present more visual education in the Central Senior and Junior High School.

(28). The purchase of school fuel on specifications to enable us to secure a better and more uniform type of fuel.

(29). The formation of a high school band which in five years will be one of the best in the State.

(30). The appointment of full time janitors to all schoolhouses (excepting two) for the greater safety of children and teachers.

(31). The purchase and installation of soap containers for the use of children in all schools of the town.

(32). The appointment of inexperienced teachers only after a satisfactory period of substitute or temporary teaching.

(33). The establishment of student patrols in several schools to guarantee greater pupil safety in going from school to homes.

(34). The adoption of a new program of studies for the Senior High School and the adoption of a new system of grading in the same school.

(35). The establishment of classes in art instruction for especially adapted students in the Senior High School.

(36). The establishment of a girls' club in the Senior High School.

(37). The erection of chain link fences at the Senior High, Central Junior High and Sweetser Schools.

(38). The frequent checking for fire hazards by the chief of the fire department and the superintendent of schools.

(39). The complete renewal of all interior brick work and the installation of new grates complete in the large boilers of the High School.

(40). The material reduction in the number of physical defects among our school population due to close co-operation between our school physicians and our school nurse.

(41). The replacement of all interior water pipes in the Oaklandvale school.

(42). The purchase of modern steel filing cabinet counters for the records in the office of the principal of the Central Senior and Junior High School.

(43). The re-arrangement of the offices of the superintendent of schools and the High School principal so that both now have private conference offices.

(44). The gradual increasing of the salaries of the male teachers in the Senior High School.

(45). The appointment of a head of the Social Science Department in the Senior High School.

(46). The weatherstripping of windows in various school rooms difficult to heat formerly.

(47). The appointment of a temporary teacher to relieve two overcrowded grades at the Roby School.

(48). The removing of the dangerous cupola and bell from the roof of the Old Roby School.

(49). The new requirement that all boys be required to pass a physical examination before being allowed to play football.

(50). The establishment of close co-operation between the schools and the Parent-Teacher organizations so that each can contribute the maximum benefits to the other.

NEED OF A VOCATIONAL SCHOOL

The time has arrived when Saugus should have a vocational or trade school. Our Senior High School now numbers approximately 1000 students. It is strictly an academic type of high school giving an excellent general education as well as preparing for institutions of higher learning. It offers virtually no courses for training for the practical arts and specific vocations.

Thinking citizens will agree that many of the 1000 students now in our High School will never attend higher institutions of learning. The general education is highly desirable but it may not directly help many students to earn a living in later life. Many high school students, especially boys, are manually inclined and obviously fitted for vocational training. They are not interested in Latin, French, History or perhaps many of the other subjects offered in our High School. They would be interested in mechanics, carpentry and woodworking, sheet metal working, automobile repairing, printing and courses along these lines. Our High School offers no such courses. Neither has it the space, facilities, equipment or personnel for their introduction. Therefore students vocationally inclined have little or no opportunity to receive the training to which I believe they are entitled. They may, it is true, enter an outside vocational school such as the trade schools in Boston, Beverly, Everett, Somerville and other cities. In such cases the Town of Saugus pays the tuition and receives a one-half reimbursement from the Commonwealth. Relatively few students, however, can avail themselves of this opportunity since there are transportation

and other costs involved which must be borne by the parents of the students.

One thing is most certain. A boy or girl vocationally inclined should have the same opportunity to develop his or her talents as a boy or girl who may be academically inclined. In our high school they do not have the same opportunity. Because of a lack of interest in the regular subjects of the curriculum they frequently leave high school as soon as legally possible and become what might be termed "maladjustment cases." If they remain in high school they are not interested and usually develop into behavior problems. It does not necessarily follow that because students cannot master certain subjects that they are devoid of brains. On the contrary they have brains but they may not be attuned to the interest of academic subjects. Many a brilliant surgeon, inventor, and scientist exhibited scant brilliancy while students in academic high schools.

I have given this matter much thought and consideration. In the interest of equality of opportunity for all boys and girls of high school age I most earnestly again suggest that Saugus citizens entertain the idea of establishing a vocational school. Much of the cost of such a school, under present conditions, would be shared by the Commonwealth of Massachusetts and by the Federal Government.

NEW BUILDING CONSTRUCTION NEEDED

It may not be popular to say so but the time has come when the Town of Saugus must do one of two things:

- (1). Erect a new Senior High School building on a new site.
- (2). Remodel, add additions to and make other building changes in the present Central Senior and Junior High School structure.

My estimate of the cost of either of the above alternatives is close to \$500,000.

Citizens, however, may as well face the facts and not, like the ostrich, hide their heads in the sand. Problems are not solved by this method.

Let us look at the facts.

In 1927, ten years ago, the Senior High School had an enrollment of 513 students. Today in 1937 the enrollment is 1013 students.

Now the building itself has not grown in those ten years. Therefore the same building is housing 500 more students than in the year 1927. That only means one situation and that is a crowded condition. Another year or two of increased enrollment and we shall be back on the two platoon system again.

The issue is simple. It is either for the citizens to authorize new building construction or accept conditions as they are and make no complaints.

The School Committee in 1937 submitted a \$500,000 building proposition to P. W. A. authorities in Washington. Plans called for the building of a 27-room addition on the side of the present structure towards Central street and a gymnasium and shop on the side of the present structure towards Winter street. The present structure also to be remodeled so as to provide modern classroom and laboratory facilities. Evidently the project is still in Washington. The above plan, however, is one way of solving the existing situation.

The other way is to erect a new and modern Senior High School building on another site. Such a building should include a gymnasium, shops and an auditorium. It should be constructed with vision towards the future and not simply for the immediate needs of the present.

The present Senior High School building is very inadequate particularly in the following respects:

- (a) Study rooms.
- (b) Laboratory facilities.

- (c) Library facilities.
- (d) Ventilation and sanitation.
- (e) Artificial lighting.
- (f) Auditorium facilities.
- (g) Cafeteria space.
- (h) Storage space.
- (i) Locker facilities.

SALARIES OF TEACHERS

I have recommended to the School Committee the following in respect to the salaries of teachers:

- (a) Restoration of the annual one hundred dollar salary increment until the maximum salary is reached.
- (b) The establishment of a salary schedule for the male teachers in the Senior High School.
- (c) The raising of the present maximums in the grades, junior high schools and for the women teachers in the Senior High School.

Further salary raises beyond the maximum salary should be granted to those teachers who have professionally improved themselves to warrant such consideration.

I have talked so much relative to the low salaries paid our teachers that I am not going to repeat again everything said in my report of 1936.

RECOMMENDATIONS

- (1) The maintenance of a staff of teachers in the Senior High School to at all times insure a ratio of not more than thirty pupils to one full time teacher.
- (2) Better classroom facilities for the children in the special classes.

(3) A reduction in the size of classes to permit of better teaching.

(4) The equipping of the two upstairs rooms in the Old Roby School to relieve the overcrowded condition in the Roby School.

(5) More adequate salaries for teachers.

(6) Replacing of the present costly heating system in the Ballard School by a centralized heating system.

(7) An adequate schoolhouse repair appropriation.

(8) New housing facilities for the Senior High School.

(9) Completion of the basement area in the Sweetser School to furnish a recreation area during the winter months as well as a place for the eating of lunches by the pupils.

(10) Improvement of play areas particularly at the Sweetser, Emerson and Oaklandvale Schools.

(11) The appointment of a special teacher to relieve the elementary school principals thus giving them an opportunity to more closely supervise the work of their teachers. This teacher to work on a schedule designed to enable her to equally relieve each principal during the school year.

(12) The inauguration in 1938 of a seven year program for the outside painting of schoolhouses—two buildings to be repainted each year.

(13) The establishment of a Department of Guidance in charge of an educational officer, this department to also take over the duties now performed by the Attendance Officer.

(14) The continuance of the plan already started of establishing libraries in the elementary schools.

(15) The introduction of vocational courses by one method or another for Senior High School students.

This list of recommendations could well be much longer but I have listed many of the most important.

FOOD FOR THOUGHT

On January 5, 1933, the then President of the United States, Herbert Hoover, said as follows:

“There is not safety for our public without the education of our youth. That is the first charge upon all citizens and local governments.”

I often wonder whether or not the education of our youth has always been the first charge in many Massachusetts communities.

Too many people simply look upon a school budget as a huge sum of money. They forget the vast services which result from educational expenditures. No one can honestly say that educational costs in Saugus are excessive. The truth is that they are exceedingly meagre. In fact they rank very low in comparison with other towns and cities in the Commonwealth. Any citizen can check the facts for himself. The time is near at hand when Saugus must expend more money for her public school systems if she wants her children to have the educational opportunities offered the children of other communities. It is absurd to expect our children to enjoy equal opportunities with children of communities whose expenditures for education exceed \$100.00 per pupil.

The School Committee, the Superintendent of Schools and all teachers welcome constructive criticism at any time. We are not interested in destructive criticism. The former seeks to build up—the latter to tear down. The former is beneficial—the latter is cheap and useless. We are not interested in political fortunes or in political figures but we are sincerely interested in the schools of our town. Three members of the School Committee and the Superintendent have children in our public schools. Naturally we are interested, as are all citizens, in the education they receive. Our efforts have been and will be towards the continual building of the best possible school system.

Remember, however, that you are the people who vote the school appropriation. We can give you just about what you feel you can afford to pay for.

A PEEP INTO THE FUTURE

I have an abiding faith that the Town of Saugus is going to undergo a considerable growth between the period 1937-1947. Such a growth if it occurs means an increased school population. This growth is almost certain to be in the western and northern sections of the town. Fortunately we have at the present time an unused classroom in both the Oaklandvale and North Saugus Schools. A real development of home building in Oaklandvale, however, would shortly result in a pupil housing problem in that section of the town. At present there are double grades in each of the three classrooms being used in the Oaklandvale School. A perceptible pupil increase would mean the abolishing of the double grade system and the establishment of single grades in each room. Since there are only four classrooms in this building it would most certainly mean the erection of a new six room elementary school building replacing the present wooden structure. The only alternative would be temporary and poor from an administrative viewpoint.

The North Saugus situation would not develop so acutely or be so critical in my opinion.

Any sizeable home building development in the Saugus Centre section of the town would also present a serious pupil housing problem. Both the Roby and the Felton Schools are already harboring classes larger than we desire they should be. We still have, however, two rooms on the second floor of the Old Roby School which could be utilized if the building could be put into proper repair. Any sizeable development in real estate in the Columbus Avenue, Hesper Street and Unity Camp areas would most certainly create a serious housing problem in these two schools—especially in the Roby and Old Roby Schools.

The remodelling and the building of additions to the present Central Senior and Junior High School plant would have a direct effect on this latter pupil housing possibility. It would allow the present seventh grade in the Sweetser School to be housed in the Central Senior and Junior High School building. This would release five classrooms in the

Sweetser School which would allow of relieving two large grades in the Felton School as well as providing much better housing facilities for the opportunity classes.

An ideal elementary school condition would of course be to have no single grade comprise more than thirty pupils and no double grade more than twenty-five pupils. This ideal condition does not exist today and never will unless additional housing is provided.

It is well to think of the future for the future has a way of creeping up on us rather suddenly.

THANKS

(1) To the School Committee members for their tireless energy and work without pay.

(2) To the principals and teachers in the system who have labored in the vineyard of education.

(3) To Chief John T. Stuart of the Police Department for his cooperation and interest.

(4) To Superintendent Ernest Merrithew of the Public Works Department for sincere cooperation at all times.

(5) To the members of the various Parent-Teacher Associations for their accomplishments during the year 1937.

(6) To Chief William R. Salsman, Jr., of the Fire Department for his ever present cooperation.

(7) To everyone else who has really sincerely interested himself in the cause of education.

(8) To the Trustees of the Public Library who have cooperated with the School Department in loaning books for students.

CONCLUSION

To those who believe in my work, my ability and my frankness I am deeply grateful. Their faith and their loyal assistance sheds a rare fragrance. I extend to them a sincere and true appreciation.

To the boys and girls, big and little, who comprise our school population may I pledge renewed efforts to give to you the best in education that the town can afford to pay for.

Respectfully submitted,

VERNON W. EVANS,
Superintendent of Schools.

January 6, 1938.

Mr. Vernon W. Evans, Superintendent of Schools,
Saugus, Mass.

Dear Sir:—

Herewith I submit my annual report as school physician for the year 1937.

Pupils in the Armitage, Cliftondale, Felton and Sweetser schools were examined and the following bad defects noted.

Decayed teeth	138	Pediculosis	9
Adenoid and Tonsils	78	Acne vulgaries	1
Deflected septum	2	Spinal curvature	2

Many of these can and should be corrected.

The sanitary conditions are good.

A condition did exist at the Sweetser School which has been corrected. The lunch counter was conducted in a class room in which classes were being held with no provision for ventilation or cleansing dishes with hot or cold running water. The lunches were eaten from the desks used by pupils during sessions. It was impossible to keep the floor clean. As conditions existed the room was not adapted for use as a class room or lunch counter.

Upon recommendation of the Board of Health the counter was discontinued.

In my opinion this is a very unfortunate condition and some solution should be worked out to provide space where nutritious hot lunches can be served at the Sweetser School under sanitary conditions.

Very respectfully,

LEROY C. FURBUSH, M. D.

December 22, 1937.

Mr. Vernon W. Evans, Superintendent of Schools,
Saugus, Mass.

Dear Sir:—

At this time I wish to recapitulate my year's activity as school physician to the Oaklandvale, North Saugus, Roby and Junior High Schools.

Examination of the pupils in the aforesaid schools disclosed the following defects.

Cervical glands	109	Nutritional disorders	2
Enlarged tonsils	229	Cardiac disease	1
Defective teeth	294	Spinal deformity	1

An epidemic of impetigo occurred at the Oaklandvale School. Sporadic cases were noted elsewhere.

The sanitary conditions have in the main been satisfactory.

I wish at this point to commend the various principals and the school nurse for their cooperation in expediting the examination of the children and for their alertness in detecting the communicable diseases in their early stages.

Very sincerely yours,

J. O. WARD, M. D.

Mr. Vernon W. Evans, Superintendent of Schools,
Saugus, Mass.

Dear Mr. Evans:

I herewith submit my annual report for the year 1937:

On examination of the pupils in the Ballard, Emerson, Lynnhurst and Mansfield Schools the following defects were found:

Ballard			
Enlarged tonsils	73	Poor posture (defective)	1
Cervical glands	4	Defective heart	2
Defective teeth	4		
Emerson			
Enlarged tonsils & glands	44	Poor nutrition	1
Defective teeth	2	Pediculosis	1
Defective posture	1		
Lynnhurst			
Enlarged tonsils	36	Defective teeth	2
Enlarged glands	8	Defective heart	1
Mansfield			
Enlarged tonsils	16	Defective posture	1
Slightly enlarged tonsils		Defective spine	1
and glands	4	Defective feet	1

The very keen vigilance of the school nurse and the whole hearted cooperation of teachers and parents has been tremendously effective in reducing the number of cases of impetigo and scabies.

A second examination was made at the Ballard School after a case of scarlet fever had been reported. We are very thankful to our Public Health Nurse, as well as to the school nurse for their checking up on all cases of scarlet fever.

At the Mansfield school I would suggest that a drink-

ing fountain be placed on the first floor. In all the other buildings conditions are satisfactory.

Respectfully submitted,

MARY M. PENNY, M. D.

Mr. Vernon W. Evans, Superintendent of Schools,
Saugus, Mass.

Dear Sir:

I herewith submit my report as school physician for the year 1937.

Following are defects found in students of the Senior High School after examination.

Enlarged tonsils	81	Heart defect—severe	2
Slightly enlarged tonsils	62	Heart defect—moderate	1
Palpable cervical glands	20	Skin (severe)	1
Infected glands	4	Curvature spine	3

Hygienic conditions in general are about the same and the increased amount of infected tonsils seems our most serious problem. However, I believe this to be a result of present economic conditions.

Respectfully submitted,

JAMES A. CLARK, M. D.

Saugus, Mass., December 23, 1937.

Mr. Vernon W. Evans, Superintendent of Schools,
Saugus, Mass.

Dear Mr. Evans:—

I herewith submit my annual report for the year 1937 as attendance officer of the Saugus public schools.

The past year has been a busy one for me . I have had a large number of calls and have investigated them thoroughly. The principal cause was lack of discipline and co-operation at home, a few were absent on account of not having proper clothing and shoes, which was remedied by getting in touch with the Parent-Teachers and other welfare organizations.

I have had to bring a few parents into court, as repeated calls did not bring the desired results ; these for the most part are satisfactory at present.

With an enrollment of about thirty-five hundred (3500) pupils I think the attendance has been good.

Respectfully submitted,

GEORGE I. HULL,
Attendance Officer.

Mr. Vernon W. Evans, Superintendent of Schools,
Saugus, Mass.

Dear Mr. Evans:—

I am herewith presenting my third annual report as principal of the Saugus High School.

School opened on September 8th with the largest enrollment in Grades 9-12 in the history of the school—1020 pupils. To accomodate the increased enrollment of some over 100 pupils it was necessary to make use of one of the seventh grade rooms and the typewriting room as additional freshman home rooms. To do this it was necessary to redistrict the town and send approximately 40 pupils to the Sweetser Junior High School. This large enrollment makes the building more crowded than ever.

For several years now it has been necessary to use the Assembly Hall every period in addition to the Study Hall to accomodate the study pupils. The Assembly Hall is a very poor place to accommodate study pupils. A large percentage

of high school class preparation is written work but in the Assembly Hall there is absolutely no place to write. With the large enrollment this year there are as many as 300 pupils assigned to the Assembly Hall some periods under the supervision of one teacher. This is a very bad situation and is one that should be remedied as soon as possible.

Since school opened in September we have started the plan of having four lunch periods instead of three as we had last year. Two years ago we had only two. To do this it meant cutting down on the length of the period. This is not ideal by any means but it has relieved the congestion in the cafeteria. We have noticed an increase in the number of sales since this plan was put into operation.

Mrs. Hammond has been in charge of the Saugus High School cafeteria for a number of years now. We feel that we are very fortunate in having a person of her ability to manage it. It was possible this fall to have a woman to assist her in preparing and serving the food. It has also been possible to give her student helpers every period throughout the school day. I wish that it were possible for more girls to receive this training.

The Student Council was organized a year ago under the direction of Mr. Davis. The Study Hall has three representatives in the council and the other home rooms one each. Mr. Davis has been proceeding slowly with the work of the council but it has shown its usefulness on several occasions. The council has sponsored two very successful "College Days" during the Christmas vacations. Talks on various phases of college life were given by alumni who are now attending higher institutions of learning.

The Senior High Girls' Club was organized as you may recall during the fall of 1936. This past year has been one of progress in this organization under the direction of Miss Hayward and Miss Motherwell. Meetings have been held on the second Tuesday of each month throughout the school year. Programs of various kinds have been given at these meetings, some by outsiders, others by club members. Last

spring a reception was held for the girls in the incoming class. This fall the senior members of the club held a tea for their mothers in the Community House. The girls sold refreshments at the home football games this past fall to earn money for their treasury. The Wednesday before Christmas the Girls' Club held their first annual semi-formal dance. This affair proved to be one of the best social events that has been held during the past two and a half years. Any girl is eligible for membership who was in the high school at the founding of the club, and any girl upon her entrance becomes a member having subscribed to the club code, and having signified her willingness to work for the best interest of the club.

This past fall a Junior High Girls' Club was formed under the direction of Miss Borys and Miss Priest. This club has held several very interesting meetings since its organization. Many of the activities of the club will take place out of school time in the form of hikes, skating and skiing parties, and historical trips.

This past September Mr. Davis succeeded Miss Motherwell as faculty advisor of the school paper—the Focus. The staff has been enlarged as well as the paper and is now composed of an Editor-in-chief, two Associate Editors, an Art Editor, a Business Manager, four Circulation Managers, four Class Reporters, a Movie Editor, a Sports Editor, a Contest Editor, and an Exchange Editor. The paper is mimeographed and assembled by the members of the Sahico Club. The Focus without doubt has become one of the best school papers in this district.

Just recently Miss Goss organized a glee club in the Senior High School. Already this club has become very popular. Tryouts were held for several weeks in order to determine who should be members as only a limited number can be accommodated. Each class has representatives but the senior class has the largest number. The group meets once a week on Thursdays. Plans have already been made to stage an operetta this spring. Plans also have been made to have this group sing at graduation.

The Sahico Club—a club for Senior girls taking the commercial course—is still very active in the school. This

club is the oldest one in the school, and is very ably directed by Miss Marison, head of the Commercial Department. The girls in this club learn by doing. For example, they learn how to apply for a position by actually doing it at a club meeting.

The school band made its first public appearance in "full dress" at the Marblehead football game in September. In May the band conducted a campaign for funds to purchase uniforms. Mr. George McCarrier, chairman of the School Board, headed the committee that had charge of this affair. His leadership together with Mr. Hammond's and the boys' fine cooperation made this campaign a great financial success. Mr. Hammond, as you know, was appointed last year to organize the band. He has proved to be extremely conscientious in the performance of his duties. He and the boys met to practice one day a week throughout the summer in order to have the band ready for the opening game. The band has played at all the football games this fall including the game played at Plymouth on the Saturday before Thanksgiving. It is the consensus of opinion among band leaders that Saugus has one of the best first year bands in the state.

Our athletic teams have done well during the year 1937, especially the football team. Seven wins, a tie, and two defeats is Mr. Harvey's record for his first year as coach of Saugus High School football. The boys played a stellar brand of football all season but the win over Marblehead, the first in the history of Saugus High School football, and the win over Gloucester were the highlights of the season. Mr. Harvey deserves a lot of credit. This past season proved very conclusively that Saugus is a football town.

The Saugus High School Athletic Council is composed as follows: The chairman of the School Board, the Superintendent of Schools, the Principal of the High School, the two athletic coaches, the faculty manager, and the faculty treasurer. At a recent meeting of this council it was voted to award letters in the future in the three school sports as follows: Football—participation in four games and completion of the season; basketball —participation in six games and completion of the season; baseball—participation in eight

games and completion of the season. At this same meeting it was voted to drop out of the Northeastern Conference at the end of the present school year. In the opinion of the writer this was a wise action for this conference is controlled by one or two coaches and the majority of principals whose schools are members of the league have little or no interest in athletics and consequently very seldom attend any of the meetings. To be a strong organization it should be controlled by the principals.

It is the opinion of the writer that the Athletic Council should hold regular monthly meetings during the football season and bi-monthly meetings during the rest of the school year. In so doing many of the problems that frequently arise could be handled much better than they are at present. The policy of having the principal approve all athletic purchases should be continued. Also the policy of having him approve all athletic schedules should be continued. The duties of the faculty manager and the faculty treasurer should be very carefully defined and their salaries should be commensurate with what is expected of them.

Some of the athletic needs are here given:

1. Adequate space in the school building for keeping equipment.

2. More locker space. At present two or three boys must necessarily use the same locker.

3. More showers are needed. At present there are only four showers for a football squad of 40 or 50 boys.

4. We shall need the following football equipment before another season: New practice pants, new hip pads, new shoulder pads, a complete set of game helmets, two dozen practice jerseys and new shoes.

5. We shall need the following baseball equipment for this spring: New game uniforms.

6. At present we are in need of sweat-suits for the basketball squad.

It is also the opinion of the writer that we should reorganize the school athletic program somewhat along the following lines:

1. Organize football, basketball and baseball for the boys in Grades 7-9 under one coach.

2. Limit athletics for boys in the Senior High School to Grades 10-12.

Football should be under one coach and an assistant.

Basketball should be under one coach.

Baseball should be under one coach.

Introduce track athletics under one coach.

3. Introduce girls' athletics in Grades 10-12.

Field hockey and basketball are two sports that they might engage in.

The principal expects the heads of departments to visit the teachers in their departments at least once every marking period. He also expects the heads of departments to hold at least one department meeting a month.

During the school year 1937-1938 the teachers in the school have been working under the direction of the heads of departments in preparing Courses of Study in the several subjects taught in the school.

The curriculum advisers for the past year were:

College Preparatory Curriculum—Miss Lavin.

Scientific Curriculum—Mr. Watson.

Commercial Curriculum—Miss Marison.

Social Arts Curriculum—

Class of 1941—Mr. Davis.

Class of 1940—Mr. Taylor.

Class of 1939—Mr. Haley.

Class of 1938—Miss Towle.

These teachers did splendid work in helping pupils when they made out their Elective-Guidance cards last May.

With the opening of school in September the principal delegated work to various teachers as follows:

Discipline—Mr. Young

Checking on attendance and return of excuses—Mr. Haley.

Checking on attendance at After Session—Junior High School—Mr. Young.

Checking on attendance at After Sessions—Senior High girls—Miss Hayward.

Checking on attendance at After Sessions—Senior High boys—Mr. Gifford.

Vocational and Educational Guidance: for example such as finding employment for pupils in out of school time, and holding conferences with seniors who are failing—Miss Eyre.

Supervision of commercial girls working in the office—Miss McLernon.

In charge of supplies—Mr. Taylor.

In charge of English Books—Mr. Davis.

In charge of the library—Miss Willis.

Class advisers:

Seniors—Miss Eyre.

Juniors—Mr. Rice.

Sophomores—Miss Lavin.

Freshmen—Mr. Pinciss.

Last spring the principal appointed a committee to make a study of testing programs used in some of the best High Schools of the State and to make recommendations at our opening teachers' meeting this fall. Mr. Leahy, chair-

man of this committee, made a very comprehensive report at this time . This report has been available to all of the teachers in the building since this meeting.

After a very careful study of this report we recommend that a testing program be put into operation in the High School this spring so that the findings will be available when pupils make out their Elective-Guidance cards for 1938-1939. This would mean among other things that all of the pupils in grades 6, 8, and 10 be given an Intelligence Test before the middle of April.

"The use of standardized tests as instruments for the direction and measurement of learning has increased concomitantly with the improvements in methods of teaching and other materials of instruction. This is not merely a coincidence. The scientific attack, now being made on remedial work in the tool subjects has resulted in the construction of more accurate and scientific instruments of diagnosis and measurement. The changes in modern conception of education and attitudes toward it have made the utilization of such instruments almost imperative."

The class of 1937 left one hundred dollars to be used to renovate the school library. That money was used to good advantage to pay for having two double book shelves and a fence built. Through the kindness of the Public Library trustees we have the loan of approximately 500 book report books for this school year. These books together with a large number that we have been able to purchase with school funds gives us a very good working library at present.

The principal recommends that a very careful study be made of the Junior-Senior High School situation with the thought in mind of reorganizing the present "set-up" on a three-three basis. He recommends that changes be made in the Junior High School Program of Studies especially in grade 8. He recommends among other things that "Exploratory courses" be added.

The principal also recommends that a bus be made available at 3.25 P. M. to take pupils home who ride on the school buses after the "after session" lets out.

In closing, I wish to thank you, Mr. Evans, and the School Committee, for your helpful advice and encouragement.

JOHN A. W. PEARCE,
Principal.

558 Lincoln Ave.,
Saugus, Mass.
December 31, 1937.

Mr. Vernon W. Evans,
Superintendent of Public Schools,
Saugus, Mass.

Dear Sir:—

In various reports of past years I have stated objectives for the course of study in art for the public schools of Saugus, Mass.

Since art has been included in the high school, I would like to bring various observations to your attention.

Work in the junior classes is arranged to acquaint the pupils with some of the world's great periods of art. The characteristics of each of these historic art ages are definitely traceable to the geographic and climatic conditions of the countries, their character, and the religion and government of the people. With this knowledge as a background it is far more understandable to study some of the works of great masters. Lantern slides have been made of many famous paintings and are projected upon the screen for visual study.

But few of the pupils who take art in the schools are to actually follow this field vocationally, but all are to become consumers in some way. For this purpose I might state that two distinct methods of instruction are followed in the high school:

1. Those who show a promise for skilful execution and a desire to use art vocationally.
2. Those who should be trained as "consumers" of good taste and good judgment.

The work of each pupil must vary in each senior high class. But five periods,—one day a week,—are available for art in the senior high. This necessitates having perhaps seniors or freshmen,—various ages,—with varied interests during one period. These individual needs are provided for as far as is possible. No two pupils are working on the same unit of work at any allotted time.

Outside of those who intend taking advanced work in art, most of the training must be for judgment, and for appreciation,—not skill alone.

For ones general purposes the main thing is to think and to judge, to use art as a means of expression, to further explain other subject matter. This purpose has been materialized by a unit started in the Junior High classes, and to some extent in the Senior High classes by making a series of lantern slides, in sequence, illustrating "Pioneer Days in Saugus." The historic background and factual material being substantiated by early history of the town.

Several Parent-Teachers Associations and civic organizations have shown interest in this unit of work, as well as in poster contests which have been sponsored throughout the year.

All pupils are encouraged to bring into school, examples of art work which are accomplished outside of school. Many times this gives the pupils added interest in illustrating for the school paper—The "Focus," as well as various posters for the athletic activities of the school.

Art has been made an elective subject in Grade VIII thus allowing those pupils who are more serious concerning the subject of art, a better opportunity of developing individual needs. I would recommend that this opportunity be extended to Grade VII as well.

If space allowed, we wish there might be one room devoted to art work,—with proper equipment for same. We appreciate the congested conditions existing,—but look some time to the future for a remedy of this situation.

I wish to extend my appreciation to various departments of the High School who have not only co-operated but have shown interest in the art work, to each principal and grade teacher who has carried out the monthly course of study and has shown whole hearted co-operation of this past year. To you, Mr. Evans, Mr. Pearce, and Mr. Young, and to the School Committee, for your co-operation of the school year 1936-1937 I am most appreciative. Sincerely,

ANSTRICE CARTER KELLOGG,

Art Supervisor, Saugus, Mass.

Mr. Vernon W. Evans,
Superintendent of Schools, Saugus, Mass.

Dear Sir:—

I herewith submit my annual report as Supervisor of Music in the Public Schools of Saugus.

It is especially gratifying that the suggestion which appeared in my report of last year, to introduce a glee club in the Senior High School has become a reality. One period a week is given to this work. Many students have been disappointed because they were not admitted to the glee club, but it is impossible at this time to accommodate a large group. It is my hope that the glee club, in the future, will be a permanent elective and that it be of practical service not only to the individual but to as many school and civic activities as is possible.

My teaching schedule remains as of last year: two days each week are spent in the elementary grades. The fifty-six grade classes, and two opportunity groups are visited once each month. The classes at the Central Junior High are visited once a week. One day each week is spent with the five classes of the Sweetser Junior High.

Monthly outlines are arranged for each class in the grades, that the individual teacher follows. The outlines are planned so that an integrated program may be attained.

The orchestra at the High School is comprised of members of both the Junior and Senior schools. It meets but once a week.

At the Sweetser, a small orchestra has been formed under the direction of Miss Willard. It rehearses once a week.

I am working to bring our High School orchestra up to the size it should be, as compared with those of other towns.

I wish to extend my sincere thanks and appreciation to you, Mr. Evans, to each member of the School Committee, and to each principal and teacher for the wonderful interest and co-operation I have received during the year.

Respectfully submitted,

C. ELIZABETH GOSS.

Report of Supervisor of Physical Education

Mr. Vernon W. Evans,
Superintendent of Schools,
Saugus, Massachusetts.

Dear Sir:

I herewith submit my annual report as Supervisor of Physical Education in the Saugus Elementary Schools.

The past year has been most successful in the progress of the physical education program carried out in the first six grades.

A visit is made to each school every two weeks. Outlines of the work to be covered are given to each teacher the first of the month, at which time the work is presented by me.

Activities which have the greatest natural appeal for children of a given age are chosen as far as possible. There is no duplication of activities for the different grades, because it is felt the progress of the child will be more rapid and his skills and interest more varied if the teacher is held to a definite content for each grade. This content is taught first, then, if time permits, activities taught in any previous

grade if still interesting to the children may be used as supplementary material.

The result of physical education in the elementary grades is determined by the general improvement in posture, which in turn is determined by posture tests—standing, sitting and walking; by tests of achievement in the fundamental activities of running, jumping and throwing; by increased proficiency in games and dancing; by developing the entire body and increasing endurance by the desire to work toward physical perfection, strength of body, and chiefly to use the body with co-ordination and control.

All the pupils of the Ballard School have had the advantage and keen enjoyment of seeing themselves perform their activities as a result of the moving pictures taken of them by their principal, Mrs. Wiggin.

As in the past, I assist Mrs. Prendergast, the school nurse, in weighing and measuring all the children in the first eight grades.

For the assistance which the grade teachers have so willingly offered, the interest of the School Committee, and the encouragement from you, Mr. Evans, I am most appreciative.

Respectfully submitted,

CATHERINE R. GRIFFIN,
Supervisor of Physical Education.

Report of Opportunity Class

Mr. Vernon W. Evans,
Superintendent of Schools,
Saugus, Massachusetts.

Dear Mr. Evans:

I herewith submit my annual report of the Opportunity Classes in Saugus.

The combined registration of both classes this year was twenty-eight. However, more than twenty new children

have been examined, and as many as possible will be enrolled after the Christmas vacation.

Previously, when a child in this class reached sixteen years of age he automatically severed all school connections, having acquired about as much as he could or desired along academic lines.

This year, however, five boys, over sixteen years of age, departed from the usual procedure, returning to school in September. This was caused, in the majority of cases, through inability to secure work. It presents a problem with the incoming children as the classes are limited in registration to eighteen pupils.

Although the two classes are graded as well as possible, it will be necessary to place some of the new and younger children in which this older group and adolescents have no place with primary children.

Even though some parents are apprehensive about their children's attendance in this class, the children themselves become readily adjusted and are far happier in their new environment, because:

1. They are in a group appropriate to their intelligence levels;
2. There are no demands on them which are beyond their ability;
3. Failures which they cannot avoid are minimized;
4. Much is made of small successes and achievements.

Retarded children should be educated according to:

- (a) Capacities;
- (b) Limitations;
- (c) Interests.

There is a wide divergence in capacities and limitations, but they have one common interest,—handwork.

Last year one hundred dollars was appropriated for handwork materials and an exhibition of the children's work was held in the Sweetser School Hall in June.

Respectfully submitted,

MARY P. MULLINS.

Report of the School Nurse

Mr. Vernon Evans,
Superintendent of Schools,
Saugus, Massachusetts

Dear Mr. Evans:

I herewith submit my annual report as School Nurse for the year 1937.

An itemized report is impracticable because of the fact that my duties require many private visits with parents in confidence.

Number of home visits 437.

Number of school visits 1101.

Visits to Middleton 6.

Visits to the State House 4.

From my observation the health of the school children has shown a general improvement. However, during the year, cases of scarlet fever were brought to my attention. All other contagious cases were minor.

Physical examinations were made by the School Physicians and those children whose cases needed correction were referred to their family doctors.

Arrangements were made for holding a two-day Chadwick Clinic. Fifty-five pupils were X-rayed and examined. Each of these cases is checked every three months. This Clinic is sponsored by the State Department of Public Health.

Two mornings of each week I am in attendance at the dental clinic assisting Dr. Beckman.

In February, all children in the 7th, 9th, and 11th grades whose parents were willing, were given tuberculin tests and those who required it, were X-rayed and examined.

All children in the first eight grades were weighed and measured in the Spring and Fall. Miss Griffin was most kind in offering her assistance.

Each school is visited once in three weeks for an individual inspection of each child.

In closing, I wish to express my gratitude to you, Mr. Evans, as well as to all those who have assisted me in my duties.

Respectfully submitted,

ANNE CHENEY PRENDERGAST, R.N.

REGISTRATION OF TEACHERS, DECEMBER 31, 1937

Senior High School

Name	Address	First Election	Subject	College
